

Nebraska ALFALFA MEAL RATE CUT

Railway Commission Issues Order Affecting State Business.
TRANSIT THROUGH TO OMAHA
Four Cent Reduction in Tariff on Shipments Made from Kearney and Albion—New Telephone Order.

(From a Staff Correspondent.)
LINCOLN, Oct. 28.—(Special.)—The State Railway Commission has issued an order reducing the rate on alfalfa meal 4 cents between Albion and Omaha. The rate has been 12 1/2 cents and the new rate will be 8 1/2 cents. The latter rate is the present tariff on baled alfalfa hay from Albion to Omaha. The commission also names a rate of 10 1/2 cents on alfalfa meal from Kearney to Omaha, making the minimum weight 30,000 pounds. A summary of the order, written by Commissioner W. J. Purse, follows:

Rates on alfalfa meal from Kearney to Omaha and from Albion to Omaha via Union Pacific lines found to be unreasonable and excessive. Reasonable rates prescribed.

For the reason that no difficulty is experienced in loading the present minimum on baled alfalfa hay and that alfalfa meal, and inasmuch as these commodities will not load to the full carrying capacity, the minimum no weight is deemed reasonable and will not be disturbed.

The order of the commission is as follows: It is therefore ordered by the Nebraska State Railway Commission that the Union Pacific Railroad company be, and the same is hereby directed, to cancel its present rates on unmixed alfalfa meal between the stations of Albion and Omaha and Kearney and Omaha, and to establish and maintain a rate of 8 1/2 cents per 100 pounds on unmixed alfalfa meal from Albion to Omaha, and a rate of 10 1/2 cents per 100 pounds on unmixed alfalfa meal from Kearney to Omaha, minimum weight 30,000 pounds, said rates to take effect from and after publication and filing with the commission of a lawful tariff providing for same, by not later than thirty days from date of this order, provided that no higher rate shall be charged from or to any intermediate point.

The commission also has issued an order permitting the Mutual Telephone company of Wilcox and Ash Grove to disconnect its lines from the Wilcox Telephone company. The mutual company has had connection with the Wilcox company's lines under a contract that provided free interchange of traffic between subscribers of both companies. The mutual is not a public service company, giving service only to its members. Trouble over the agreement resulted in the matter reaching the commission.

LIEUTENANT DEW VISITS PARENTS IN NEBRASKA

TECUMSEH, Neb., Oct. 28.—(Special.)—Lieutenant Roderick Dew and Mrs. Dew are here visiting the lieutenant's father, Colonel J. S. Dew, and his sisters, Mrs. P. A. Brundage and Miss Jessie Dew, and other relatives and friends. Lieutenant Dew is a native of Tecumseh and is enjoying marked promotion and success in the army. He graduated from West Point in 1904 and went at once to the barracks at Vancouver, B. C., to join the Nineteenth infantry. As a member of the Twenty-third infantry, which had been stationed in Texas, he was sent to San Francisco in February, 1908, for duty in the Philippine islands. For a time he was engaged in suppressing some mutineers. In January, 1910, Lieutenant Dew went to Manila, where he was engaged in the information department of the army. A few months later he was stationed at Iloilo as assistant chief quartermaster and then went back to his regiment at Camp Josecan in the Philippines. He was stationed on the island of Guimaras, where he was engaged in suppressing some mutineers. Lieutenant Dew was married at Camp Josecan September 2, 1909, to Miss Elizabeth P. Nicholson of Laredo, Tex., whom he had met while on duty in that state. She went to the islands with friends, Lieutenant F. H. Baird and wife.

DR. B. F. WILLIAMS HEADS LINCOLN INSANE ASYLUM

(From a Staff Correspondent.)
LINCOLN, Oct. 28.—(Special.)—Dr. G. W. Dishong has declined the position of superintendent of the Lincoln Hospital for the Insane. Dr. Dishong is now first assistant at the Norfolk asylum and he plans to leave the employ of the state, having accepted a position under Dr. J. L. Greene, formerly superintendent of the Lincoln institution, but now with the state hospital at Little Rock. Dr. Dishong will be head of the clinical department of the Arkansas institution. It is now regarded certain that Governor Aldrich will ask Dr. B. F. Williams, assistant at the Lincoln institution, to remain in charge, and that Dr. Williams will soon announce minor appointments. The governor has under consideration an exchange of positions between the superintendents of the Lincoln and Norfolk institutions. Whether Dr. Pillsbury is to be pathologist under the new management will remain with Dr. Williams. Dr. Anderson of Lincoln is acting first assistant at Lincoln, while Dr. Carson at Norfolk is to succeed Dr. Dishong as first assistant there.

Horse Stolen at Hancock

WEST POINT, Neb., Oct. 28.—A sorrel mare and saddle, the property of William Tighe, a farmer of Hancock township, was stolen from his premises, and up to this time no trace has been found of the thief. Sheriff Herrmann has offered a reward of \$50 for the arrest and conviction of the guilty party.

How to Drive Away Wrinkles and Double Chin

(From Stage Today.)
The clever woman of today does not sit down and fold her hands and resign herself to a wrinkled face, double chin and enlarged pores. Nor does she try the numerous and varied cold creams, lotions or powders on the market. What she does do—this clever woman—is to get of her druggist an ounce and a half of herodist jelly, rubbing half a teaspoonful into her skin until it is absorbed and then bathing her face with cold water. This home remedy is as simple as it is effective. The skin immediately feels taut and refreshed—the flesh firm and compact. One application works a marked improvement in her looks, and every day her mirror tells her she is growing younger and prettier. For filling out hollows in the neck, shoulders and arms, there is nothing so effective as herodist jelly.

Nebraska Nebraska Christian Endeavor Union Elects Officers

(From a Staff Correspondent.)
LINCOLN, Oct. 28.—(Special.)—Over 1,600 delegates to the silver jubilee convention of the Nebraska union of Christian Endeavor societies today elected officers as follows for the coming year:
President, Rev. M. D. Berg, Hardy; vice president, Paul Meyers, Lincoln; treasurer, Mary V. Lee, Central City; secretary, Dr. Mabel Dixon, Hastings; superintendent of missions, Rev. M. O. McLaughlin, Omaha; superintendent citizenship, Rev. B. A. Shively, Eustis; superintendent juniors, Grace Hooper, Crete; superintendent Tenth legion, Guy Thompson, West Point; superintendent transportation, Rev. R. O. Smith, Fairfield; superintendent of quiet hour, Glen Kennedy, St. Edward.
This morning's sessions were participated in by Bishop W. H. Fouke of Chicago, Rev. A. D. Harmon of St. Paul,

Buildings Burned in Columbus

COLUMBUS, Neb., Oct. 28.—(Special Telegram.)—Fire at 1:30 this morning destroyed the Poesch candy factory and Beecher, Hockenberger & Chambers' office building. The structures were both frame and had been standing in the street all summer while new brick buildings were being erected by their occupants. The fire originated in the Poesch building, the contents of which were a total loss, but Beecher, Hockenberger & Chambers saved their office fixtures and all papers.

Esperanto Catches Many Endeavorers

(From a Staff Correspondent.)
LINCOLN, Oct. 28.—(Special.)—Several delegates attending the silver jubilee convention of the Nebraska Christian Endeavor convention here are devoting a great deal of time to the study of Esperanto, the proposed universal language.

Nebraska Municipal League to Meet

Delegates from All Parts of Nebraska Coming in November.
TO DISCUSS VITAL PROBLEMS
Improvements, Methods of Accounting, Road Building, Prevention of Fires and Other Matters Will Be Taken Up.

The program for the meeting in Omaha of the League of Nebraska Municipalities in Omaha, November 15, 16 and 17, has been sent out by Secretary Roscoe C. Ozman of Lincoln. Among the addresses and papers scheduled are:
"Purification of Water for City Use and Gas Testing," C. E. Crowley, Omaha.
"Prevention of Fires in Cities and Villages," Charles Randall, state fire warden.
"Co-operation in Road Building by Cities, Counties and Towns," Frank G. Pierce, Marshalltown, Ia.
"Bertillon System of Identifying Criminals," J. J. Donahue, Omaha.
"Bridges and Viaducts Over Railroads and Public Safety," P. L. Burrell, Fremont.
"Necessity of Strict Inspection of Steam Boilers and Elevators," Robert U. Wolfe, Omaha.
"Municipal Ownership of Public Utilities," Don L. Love, Lincoln.
"Paving and Repaving and Grading of

Nebraska Accident Fatal to Child

TABLE ROCK, Neb., Oct. 28.—(Special.)—Edna, the little 14 months old daughter of Mr. and Mrs. C. O. McCourtney, who was run over by a heavy wagon and severely injured August 30, the day she was 1 year old, suffering a broken leg and internal injuries, died at the home of her parents in Table Rock Wednesday morning, nearly two months from the date of the accident.

Woman Suddenly Becomes Insane

BEATRICE, Neb., Oct. 28.—(Special.)—Mrs. Ida Lockwood, 28 years of age, became violently insane yesterday at the home of Newton Pence, ten miles north-east of Beatrice, and before Deputy Sheriff Acton reached the Pence home she had destroyed the window lights in the house and torn nearly all her clothing from her body. She attacked her aged mother and the prompt arrival of Mr. Pence, who was working in the field nearby, saved her from serious injury. Mrs. Lockwood was lodged in jail and placed in charge of a guard. She was taken to the asylum today. She was formerly employed as night operator at the Bell telephone station here.

David City Man Hanged Self

DAVID CITY, Neb., Oct. 28.—(Special.)—Joseph Kunc, who was formerly in the harness shop at this place, hanged himself in an automobile garage Thursday. Although a search was instituted his body was not discovered until about 11 o'clock yesterday morning. Coroner Baughart secured a jury and held an inquest. His verdict was suicide during a temporary fit of insanity due to falling health and financial affairs.

West Point Ships Apples

WEST POINT, Neb., Oct. 28.—John E. Wierner of this place has shipped two carloads of Canning county apples to Highmore, S. D., where the same were disposed of at remunerative prices. This is the first carload shipment of apples from this county which, up to the last few years, has been compelled to buy this fruit from abroad.

How to Keep a Superb Complexion

The clever woman is aware that it behooves her to know all about her complexion needs. She has discovered that powders, lotions, creams and cosmetics are only temporary aids—make-ups for real and natural beauty, and she has also discovered that the old-fashioned home remedy—herodist jelly—will first of all remove every blemish from her complexion and thereafter keep her skin fresh and young and blooming. The reason of this simple thing's effectiveness is that it attacks the deadened and discolored skin-particles clogging the outer cuticle and causing all sorts of beauty ills—like sallowness, pimples, liver spots, freckles, etc. Those of you who have tried it know there is nothing like pure herodist jelly to keep your face young and faultless. Therefore you can throw down the gauntlet to Father Time and say to him, "Come on and do your worst. For you know you can slip out to the drug store and get an ounce and a half of this old-fashioned remedy, and thereafter by applying it at night a wonderful change will take place in your complexion—Perfect Health.

Notes from Nebraska City

R. W. Anderson Files Suit to Recover Land Traded to H. F. Wilson.
NEBRASKA CITY, Neb., Oct. 28.—(Special.)—Robert W. Anderson has filed a suit in the district court against Henry F. Wilson. In his petition he states that he traded with them for 1,500 acres of land in Brown county, Nebraska, with the understanding that the land was worth \$12 per acre. He traded his 100-acre farm in this county and gave \$1,200 to "boot" and before the deeds were placed in the bank at Lincoln he charges that the defendants placed a mortgage of \$2,000 on the land. He charges that the land is in the sand hills and not worth over \$3 per acre and that when the deeds were placed in the bank they were to remain until March 1, 1912, and if things were as represented they were to be delivered, but that the plaintiffs, by fraud, secured possession of the deed to his land. He wants his deed set aside on the grounds of fraud and he gives judgment for the money which he paid the defendants. The plaintiff was a well to do farmer and the land traded is situated near Syracuse and considered the best land in that section.

Woman Suddenly Becomes Insane

BEATRICE, Neb., Oct. 28.—(Special.)—Mrs. Ida Lockwood, 28 years of age, became violently insane yesterday at the home of Newton Pence, ten miles north-east of Beatrice, and before Deputy Sheriff Acton reached the Pence home she had destroyed the window lights in the house and torn nearly all her clothing from her body. Health and Beauty Answers

BY MRS. MAE MAITLYN.

Violet: By all means let face powder alone. If you want a beautiful complexion. Powder clogs up the skin pores, causing enlarged pores, wrinkles and rough, discolored complexion. The only safe and satisfactory complexion beautifier I know of is made by dissolving four ounces of spirum in a half pint hot water, then adding two teaspoonfuls glycerine. This lotion will take away that shiny, sallow, greasy look and make your skin smooth, soft and vivacious. It does not rub off so easily as powder does, and gives that much-desired, delicate, refined tone to the skin without an artificial, powdered look.

A. B. C.: Stop worrying over such a trivial thing and get an ounce of detolone. Mix enough with water to cover the hairs not wanted, and after two or three minutes rub off, then wash the skin. You will find detolone the most satisfactory thing to use for removing superfluous hairs, even if they cost a fancy dollar an ounce. It is worth several times its price to have a smooth, hairless skin.

Renar: Your shallow, muddy, pimply complexion is due to impurities in the blood. To rid your face and skin of these impurities you can find nothing better than this old-fashioned, home-made tonic. Dissolve a half cup of sugar and one ounce karsin in a half pint alcohol, then add hot water to make a full quart. Dissolve a half cup of sugar and one ounce karsin in a half pint alcohol, and you will be surprised at the wonderful hair-restoring qualities of this tonic. It will give you energy, a good appetite and bring back the glow of perfect health to your cheeks.

Ellen: For your weak, tired, dull eyes, you need a good strengthening tonic. If you will get from your druggist an ounce of erythro and dissolve it in a pint of water, then put a few drops in each eye once or twice a day, your eyes will soon be clear of all inflammation, feel strong and be bright and sparkling. This tonic is splendid for granulated eyelids and will be found very soothing. The use of this simple tonic has enabled many to dispense with wearing glasses.

J. S.: You are only one of the millions who have wasted many dollars on nicely perfumed hair tonics which did no good except to enrich the manufacturer. For your dandruff-laden, itchy scalp, and thin, falling hair, get a half pint alcohol

and one ounce of quinsolin at any drug store; mix these together, then add a half pint cold water, and apply liberally this tonic a week to the scalp will be more good than all the "sure-cure" remedies on the market. It will put your hair and scalp in a healthy condition and you will then be praising this simple, inexpensive tonic to your friends.

Majorie: To reduce your weight quickly and at small cost, without resorting to restricted diet and fatiguing exercises, dissolve four ounces of parrotin in a pint and a half of hot water and take a teaspoonful before each meal. I find this simple, harmless remedy generally takes off fat rapidly, and those who have tried it tell me it is a marvelous fat-reducer. It leaves the skin smooth and un wrinkled. You can get parrotin at any drug store.

Nora: To have beautiful hair and a healthy complexion, unless you shampoo frequently and thoroughly. When washing your hair, never use soap in any form, causing it to irritate and dull the hair, causing it to split and become brittle. No shampoo preparation I have ever seen gives the hair such a clean, fluffy and healthy appearance as a teaspoonful of carbox dissolved in a cup of hot water. This makes the finest shampoo imaginable and is inexpensive. It removes all dirt and dandruff, rinses easily, dries quickly and adds a beautiful luster to the hair that you can't get with any other shampoo. I consider it the only perfect shampoo.

P. T. W.: You can get rid of those blackheads, freckles and large, dirt-collecting pores in your face, by using this cream-jelly: Stir together and let stand over night one ounce of alcohol, two teaspoonfuls glycerine and a half pint cold water. This makes a greasiness cream that will not promote a growth of hair on the face. Use it for massaging to clean and soften your skin, and you will soon have just as fine and smooth a complexion as most women many years your junior. For removing freckles, tan and other skin discolorations, it has no equal.

Read Mrs. Martyn's book, "Beauty,"—Adv.
