

"US BOYS"--Now for a Little Campaigning

By Tom McNamara

SIGNAL WORK FOR HUSKERS

Coach Stehm Holds Down Scrimmage Work for Team.

TWENTY-ONE WILL GO TO AMES

Men Will Leave Friday Afternoon on Trip, Cold Weather Having Put New Life Into Eleven—Elliott at Center.

LINCOLN, Neb., Nov. 2.—(Special Telegram)—Twenty-one Cornhusker football warriors will invade the Ames camp Saturday afternoon. Coach Stehm has decided to take the same number of players to Iowa that he did to Minnesota.

With but two exceptions the same players will be taken to Ames as to Minnesota. The Nebraska party, including Manager Earl O. Eager, Coach Stehm and Assistant Coach Rathbone, will leave Friday afternoon over the Rock Island, returning by the same road.

The list of players includes Captain Shonka, Lofgren, Mulligan, Chauner, McKee, Harmon, Swanson, Anderson, Pearson, Elliott, Ross, Hornberger, Warner, Potter, E. Frank, Purdy, O. Frank, Russell, Gibson, Racey and Stelk.

The players leave at 2 o'clock Friday afternoon and will be accompanied to the depot by a big crowd of Cornhusker rooters, where the team will be accorded a farewell sendoff.

Although the cold weather has put new life in the overworked Cornhuskers, it also did away with scrimmage work Thursday night, Coach Stehm desiring to take no chances with his squad. The evening was spent entirely in signal practice and in outlining some of the plays which it is believed the Cornhuskers will encounter at Ames.

Elliott at Center.

The signal practice was spirited, Coach Stehm running both the scrubs and varsity at the same time. The team displayed plenty of pep and ran through all of the formations smoothly. Hornberger has been switched from center to guard and Elliott from guard to center. In all probability the game will be started with this lineup. Elliott likes the center position and does great work on the defense in the pivot position.

Hornberger, on the other hand, played guard all of last season and is thoroughly versed in the position.

All hope that Racey would be in shape to go against the Aggies was given up when the little halfback failed to return to practice this evening. Racey will be taken to Ames, but is not expected to go into the game, the injured leg being still very painful. He will not be out for practice until week after next, when the final preparation for the Jayhawkers starts.

Two complete teams of first year men were out today. After thirty minutes of play in which the regular freshman eleven was coached by the Ames players, the freshmen and varsity lined up and went through the plays without scrimmaging. Whether the band will go to Ames is still undecided. The Omaha alumni have responded liberally, but the Lincoln graduates have failed to come in, and unless the athletic board decides to bear part of the expense it is quite probable that the plan will have to be given up.

Bellevue, Doane and Cotner Will Debate Recall of Judges

CRETE, Neb., Nov. 2.—(Special).—The question for the triangle debate this year among Doane, Cotner and Bellevue is: "Resolved, That the Recall Should be Extended to the State Judiciary." Work has commenced at Doane in earnest, and the new debating class under Prof. Taylor is now meeting regularly. This provides for class work on the question and thus gives all debaters the benefits of cooperation, both with each other and with the teacher. Only one out of both of last year's teams is not in school this year, so that prospects for a championship aggregation from Doane this year are good.

Much interest is being shown in debate and there will probably be at least twenty in the preliminaries. Besides this there will be the inter-society debates on the same question for the Stephens cup, a trophy offered each year to the debating club that wins its debates with the other two. All this preliminary work will put the fellows in good shape for the triangle.

BENEFIT BOXING BOUTS FIXED FOR FRIDAY NIGHT

A boxing carnival will be held Friday at Holmes hall, Twenty-fourth and Burdette, by the Pastime Athletic club, the proceeds to be given to Fred Mills, an old time member of the club, who has been compelled to undergo a second surgical operation, due to the breaking of his knee cap.

The bouts scheduled are: Kid Jensen and Johnny Soderberg, six rounds; Guy Buckles and Kid Bipes, six rounds; Paul Murray and Al Gray.

A Life Puggles Solved by that great health tonic, Electric Bitters, is the enrichment of poor, thin blood and strengthening the weak.

One of Harvard's Big Backs

"Strong Man" Huntington, star fullback of the Harvard team, who is expected to prove a tower of strength behind the crimson line in the battle with Princeton, Saturday, November 4, the first clash between the two universities in fifteen years. Huntington is not only a crack on the gridiron, but is the "strong man" of the Cambridge institution.

Ames Expects to Win from Nebraska Team Saturday

AMES, Ia., Nov. 2.—(Special).—If nothing unforeseen happens the Ames eleven will be in the best of condition to meet Nebraska Saturday. The team and backers are expecting a hard battle. The decisive defeat of Missouri by the Cornhuskers last Saturday has sown the seeds of anything less than an easy game, but the varsity is prepared to fight their best.

For the first time since the Minnesota game five weeks ago every man on the varsity squad is able to be in the game. Lattimer, the fast end who received a broken hand at that time, got into the Grinnell game again Saturday. Taylor at quarter received a sprained ankle in the Coe game, which has left him out until this week. McDonald, wayrunner and others are still suffering from minor bruises and sprains, but will be in condition by Saturday.

The lineup will probably be the same as against Missouri two weeks ago. Vincent, last year's fullback, seems to have lost his place permanently to Burge, a new kicker whom Williams has developed. In the Missouri and Grinnell games Burge proved himself a good punter and a speedy player. He does not punt extremely long, but places them remarkably, which really was the cause of the touchdown against Missouri. With the remainder of the back field, consisting of Captain Harle and Weyrauch at halves and Hurst at quarter, some fast work is assured.

York Decides to Stay in State League

YORK, Neb., Nov. 2.—(Special).—The base ball fans held a meeting last night and decided that York would have a hand in trying to win the pennant in the Nebraska State league in 1912. The following officers were elected: J. N. Kildow, president; William Overstreet, vice president; Frank Borden, treasurer; W. R. Meek, secretary; E. C. Felton, director. The financial statement for the last year showed total gate and grandstand receipts of \$6,778.96, and a cash balance on hand.

HARVARD SHOWS UP WELL

Quarterback Potter Only Man Missing from Lineup.

BEAR STORY FROM PRINCETON

Scrimmage with Scrubs Indicates There is Still Number of Defects in Work of the First Team.

CAMBRIDGE, Mass., Nov. 2.—The Harvard varsity eleven showed up well against the second team today in the last practice before the Princeton game next Saturday. All the regular men were in the lineup, with the exception of Quarterback Potter. Gardner filled that position today, but Potter will be in the game Saturday. Tomorrow the team will leave for New York and proceed to Princeton early. The varsity squad will consist of thirty-seven players, eleven coaches and four managers.

PRINCETON, N. J., Nov. 2.—A light scrimmage today ended Princeton's hard work for the Harvard game Saturday. The scrubs at no time could gain consistently against their bigger opponents, but despite this there was still a number of defects in the work of the varsity line, especially on offense.

Creighton Prepares for South Dakota

Creighton's football squad is taking strenuous workouts these days in preparation for the game with South Dakota university, here Saturday afternoon on the Creighton field. Several new plays are being tried out and the followers of the pastimes at Creighton are of the belief that the boys from South Dakota will run up against a Tartar Saturday afternoon.

Although the loss of Young at left tackle will be felt severely by the Creighton team it is thought that with Hefnerman in this position the hole will be patched up in good shape. In order that they may get all the scrimmage practice necessary Creighton will play against the University of Omaha team every afternoon until the day of the game.

HARVARD AND PRINCETON ARE TO MEET SATURDAY

The big game on the gridiron next Saturday will be between Harvard and Princeton, and alumni of the two schools all over the country are eagerly awaiting the result.

This game will be the first between these two schools for the last fifteen years, as they have not met on the gridiron since 1894, when Princeton triumphed by the score of 12 to 6. Since 1887 Harvard has won but one game from Princeton, that being in 1887 by the score of 12 to 0. During these twenty-eight years Princeton has scored a total of 165 points against 50 made by Harvard.

The two teams are about evenly matched this year and a hard-fought battle is expected. Harvard has two of last year's members of Walter Camp's All-American eleven playing with them this year—Fisher, captain and right guard, and Dendell, right half. Princeton has Pendleton, last year's star half, who was picked for a place on the first All-American eleven last year by Walter Camp and others.

Doane Tigers Say They Have Come Back

CRETE, Neb., Nov. 2.—(Special).—After the defeat at the hands of the Wesleyan eleven, the Doane Tigers have been going better than ever this week. They had won three games in a row and the slump in all probability was a natural one, but everything points to the supposition that the boys have "come back" and will be at their best for Friday's contest. Coach Johnson has introduced several new ideas into their play, and has put them through a stiff scrimmage every evening this week. In Wednesday evening's practice the team walked up and down the field, making ten to fifteen yards at every down, against the experienced scrub team showing that every one was back in form, and playing a strong game. With the exception of Rice, who received a kick in the shoulder in last week's game and who has only been doing light practice this week, every one is in good condition and when the Doane Tigers meet Hastings Branches at Hastings Friday afternoon they will be in better fighting array than at any time this season. Next week Doane line up against the State university team.

With the Bowlers

Table with bowling scores for German Homes, W. O. W., and La. Valdoras. Columns include names, scores, and totals.

Yale's Quarter Coming Back

Captain Arthur Howe, star quarterback of the Yale eleven, who is expected to get into the game with New York university on Saturday, November 4, for the first time in three weeks. Howe has been kept out of the fray by an injury and his stellar work has been sadly missed by the blue cohorts.

Omaha High Fears the Beatrice Team

Coach "Ebbie" Burnett is putting the Omaha High squad through a stiff line of practice this week on Creighton field in preparation for the big game with Beatrice Saturday afternoon at Beatrice. The Beatrice high school lads are set upon winning the state championship this year and have already defeated several of the leading aspirants in the state for the title. Omaha anticipates the hardest game of the season Saturday, and although three regulars are still out of the game, the team rapidly is rounding into form and the substitutes who are filling regular positions are showing up well. Ballman, who is holding down left tackle at present, was exceedingly active in the Sioux City game in blocking punts and is showing up fine in practice this week. Bowman's place at right half has been filled by Crocker, who was shifted from left end.

The Beatrice game is creating considerable interest, as it is the first time that the purple and white has scheduled a game with the down state lads since 1907. In that year Frank Latenser, Omaha's famous right tackle, was captain of the team, and Omaha triumphed to the tune of 28 to 0. So Beatrice has an old score to revenge, and they can be counted upon to do their best to accomplish the feat.

Jack Dillon Defeats McGorty with Ease

INDIANAPOLIS, Nov. 2.—The fourth meeting between Eddie McGorty, the Oshkosh (Wis.) middleweight boxer, and Jack Dillon of this city, took place tonight and after ten rounds Dillon carried a clean-cut victory. McGorty out-pointed Dillon in only one round, the third, when he landed a vicious uppercut to the jaw and had Dillon almost out. The latter covered up well, however, and came back strong in the fourth.

Girls Play Tennis in Spite of Weather

With the temperature hovering about twenty degrees above zero, Catherine Woodworth won the consolation finals in the high school girls' fall singles' tournament by defeating Nettie Muir, runner-up, in a hard fought match on the courts at Twenty-second and Capitol avenue, Wednesday afternoon.

The match was the longest and hardest played one of the whole tournament and went the full five sets before Miss Woodworth was able to win by the score, 5-3, 2-6, 3-4, 3-5. The winter costumes worn by the girls were the feature of the match and the two players resembled hockey players more than tennis enthusiasts. Both girls played a sensational game at time and because of the chilly weather some exceedingly fast tennis was pulled off. Miss Woodworth played the steadiest but her opponent put up a plucky fight and for a time in the final set it looked as if she was going to win out.

When you have a bad cold you want the best medicine obtainable so as to cure it with as little delay as possible. Here is a drugist's opinion: "I have sold Chamberlain's Cough Remedy for fifteen years," says Enoch Lollar of Saratoga, Ind., "and consider it the best on the market." For sale by all dealers.

MICHIGAN LINEUP UNCERTAIN

Shakeup Generally Expected for Game in East Saturday.

QUARTERBACK'S POSITION OPEN

Dopesters Find it Difficult to Determine in Advance What Arrangements Will Be Made to Fill Hole.

ANN ARBOR, Mich., Nov. 2.—Minus the supreme confidence over the outcome of next Saturday's game with Syracuse, confidence which departed early yesterday when "Bobby" McMillan, the star quarterback sprained a leg, the Michigan football squad today indulged in the third straight afternoon of heavy practice.

"Jimmy" Craig was still on the hospital list and Torbett was at left half. Picard got his chance at quarter and as he has shown fine judgment and equally fine mechanical ability during the few opportunities that have come to him this year, it is possible that he may hold down McMillan's job next Saturday. There is, however, a feeling that Yost will probably shift Wells to left half and start the Syracuse game with Craig at quarter. This will mean a severe shake-up for the eleven, as it will switch Pontius from tackle to end and probably give Kainer, a sub-tackle, a place in the varsity line.

SHAMROCKS DEFY SUPERIORS AND MONMOUTH PARKS

Last Sunday the mighty Shamrocks of South Omaha defeated the Soldiers at Fort Omaha in an easy manner. Up to date the Shamrocks have not been scored on, but their opponents for next Sunday, viz., the husky Belmont aggregation, say they are going to whip the Irish lads if such a thing is possible. Yesterday Frank Quigley and Chris Lovc completed arrangements whereby the Shamrocks will utilize the Benson Eagle park for their contests the balance of the season. The Benson gridiron, which is directly opposite Krug park, will be fitted out with all the necessary equipments for a first class football field, and as good games will be on the menu card and the street car company guarantees good service, large crowds will undoubtedly attend all the games. There are two good Omaha teams, viz., the Superiors and Monmouth Parks, that the foot ball devotees of Omaha would like to see clash with the shamrocks, and the Irish lads are just pining for a chance to play both of these squads, but from appearances it seems as though these teams are afraid of the Shamrocks, for they have been asked several times and even begged to play the Shamrocks, but they kept putting the South Omaha management off, saying they will arrange a game later on, according to the Shamrocks.

The Shamrocks would especially like to hear from out-of-town teams. For games address Frank Quigley, 311 Maple, or telephone Douglas 404, or Webster 2585, or Captain Callahan, 339 North Twenty-fourth street, South Omaha; phone South 1282.

Free Concerts.

Omaha is being treated to a very unique musical feature just now in a free performance in the assembly room of the Brandeis Stores.

Each afternoon the Victor Victrola furnishes a concert on a miniature stage. A notable feature of these musicals is the fact that each afternoon at 4:15 a special concert is given for school teachers at an hour when they can conveniently be present. Teachers are cordially invited to listen to these instruments and hear their favorite music. It is the policy to play numbers on request. The regular program for Friday follows:
