## VARSITY PRACTICE IS EASY

Many of Regulars Out of Line After Recent Game.

### ROOTERS MIFFED AT AMES

Declaration Made that Treatment Accorded Cornhuskers Was Not in Accordance with Sports Ethics.

LINCOLN, Nov. 6.—(Special Telegram.)—Practice Monday night for the Cornhuskers was extremely light in view of the easy game for next Saturday, and most of the regulars availed themselves of the opportunity to take a needed rest. The lineup was patched and while a short scrimmage was held the most of the work consisted of signal practice.

The varsity lineup Monday night little resembled the regular lineup. In the back field Owen Frank, Warner and Purdy were missing from the practice, while in the line Pierson, Elliott, Hornberger and Pierson were gone. Both of the ends, Chambers and Lafarge, were resting from the bruise received in the game with the Aggies. Stehm took his regulars to the farm, where he would have a better opportunity to outline formations which he has up his sleeve for the Kansas game and free from the chance of showing his hand to any Kansas spy. The regulars will be allowed to rest for two or three days and the practice will be exceedingly light until Wednesday or Thursday.

Very little work outside of outlining new formations will be indulged in before the Deans game, but beginning next Monday the squad will put in the stiffest week of the season.

The return of Stehm and some of the Nebraska players from Ames late Sunday evening and a day's rest with time to think over the game Saturday threw some interesting sidelights on the battle. The Nebraska mentor and the players are extremely sore over the treatment they received at the hands of the Iowa rooters. Stehm does not mean to knock because the Cornhuskers drew a tie score with the Aggies. The players were loud in their denunciation of the attitude of the rooters. When Nebraska had the ball the hissing and yelling from the rooters' stands was so loud that it was impossible to hear the signals, the players claim. When the Nebrascans made a gain they were hissed and when Shonka was put out of the game the Nebraska captain was greeted with a perfect storm of hisses from the stands.

### Dorchester Defeats Dorchester.

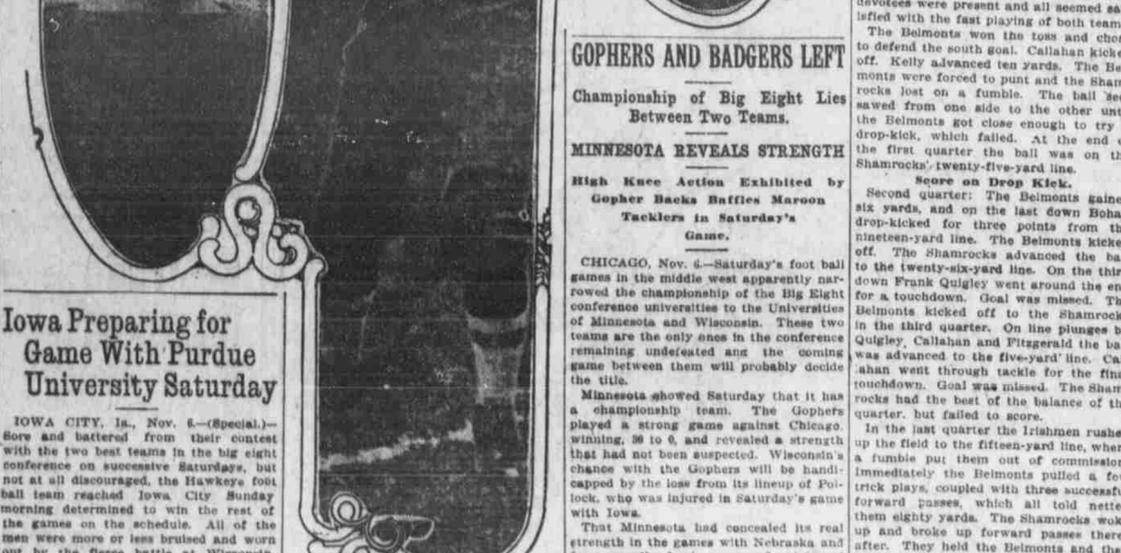

DORCHESTER, Neb., Nov. 6.—(Special.)—The Excelsior High school defeated the Dorchester High school here Saturday in a fast game of basketball by the score of 17 to 8. The first half was all even match and stood 8 to 8. In the second the victors came back hard and by their excellent team work were able to land 9 scores to their opponents' 3. Lineup:

DORCHESTER	EXCELSIOR
Hull	Kimberly
Cooper	Wise
H. Fiedell	W. Jensen
Wagon	W. Jensen
Ward	W. Jensen
Field Goals—H. Wilson (3), Kimberley (2), Jensen, Gravel (2), W. Wilson, H. Fiedell, H. Jensen.	Field Goals—H. Wilson, H. Fiedell (3).

### Beatrice Celebrates Victory.

BEATRICE, Neb., Nov. 6.—(Special.)—The foot ball team celebrated its victory over Omaha with a big bonfire on the high school campus Saturday night. More than 200 participated in the celebration. The crowd marched down Sixth street in front of the Beatrice club rooms, where D. W. Cook, D. R. Dally, Dr. G. H. Brash, H. H. Peter, James, H. H. Yale and others made brief addresses.

## Some Heroes of the Eastern Gridiron

### Iowa Preparing for Game With Purdue University Saturday

IOWA CITY, Ia., Nov. 6.—(Special.)—Sore and battered from their contest with the two best teams in the big eight conference on successive Saturdays, but not at all discouraged, the Hawkeyes foot ball team reached Iowa City Sunday morning determined to win the rest of the games on the schedule. All of the men were more or less bruised and worn out by the fierce battle at Wisconsin, and every man who played through that contest has some minor injury, but nothing which is likely to keep anyone out of the game unless complications develop.

It is the unanimous opinion of every member of the Iowa team that Wisconsin is due for a considerable trimming when the Badgers and Gophers clash at Camp Randall in two weeks. Not a man who played against both teams on succeeding Saturdays will admit that Wisconsin has a chance for the western title unless several of Coach Williams' stars suddenly drop dead or are otherwise incapacitated. Most of them put the score at from fifteen to twenty points for the Gophers to not over three for Wisconsin.

It will be Hawley's task this week to get his men into shape for the battle with Purdue at Lafayette next Saturday. In the last two weeks the Iowa team has had but eight days at home and the strain is beginning to tell, particularly as the games played away from Iowa field were with the two leading eleven of the west. The end of this week will see the longest trip of all, and without much doubt a hard game, for the Purdue aggregation is sure to fight hard at home and the Iowans will be pushed to the limit to achieve a victory. However, the Hawkeyes are expected to take not only the Purdue game, but the Ames and Northwestern contests, both of which will be played at home as well.

Ames' good showing against Nebraska occasioned some surprise here, and it is evident that the Aggies must be taken seriously. But they have never shown to advantage on Iowa field, and Iowa students are still confident of a Hawkeye victory. Northwestern is looked upon as

Two players who are expected to star in next Saturday's (November 11) games, and a photograph of the Harvard eleven in action, "prepping" for the fast Carlisle Indians. Below are Huntington, Harvard's lightweight "strong man," who is rated as one of the best fullbacks of the season (on the left), and Captain Sprackling of Brown, the leading quarterback of the year, making a forward pass—the play Yale will have to stop on Saturday, or else go down to defeat before the Providence eleven, even as they did last year by the score of 21 to 0.

### YANKTON SIOUX LAY CLAIM TO QUARRIES

ABERDEEN, S. D., Nov. 6.—(Special.)—C. E. Gunton, an immigrant bound for Watson, Minn., was instantly killed and two other immigrants and two trainmen sustained slight injuries in a head-on collision between a stock train, eastbound, and a westbound freight train at Bristol at 8:30 Sunday morning. The immigrant car was split in two and Gunton was instantly killed. The other two immigrants sustained but slight hurts. Engineer Phil Hughes of the stock train suffered a crushed hand and a brakeman was struck by flying boards and slightly hurt.

### GOPHERS AND BADGERS LEFT

Championship of Big Eight Lies Between Two Teams.

### MINNESOTA REVEALS STRENGTH

High Knee Action Exhibited by Gopher Backs Baffles Maroon Tacklers in Saturday's Game.

CHICAGO, Nov. 6.—Saturday's foot ball games in the middle west apparently narrowed the championship of the Big Eight conference universities to the Universities of Minnesota and Wisconsin. These two teams are the only ones in the conference remaining undefeated as the coming game between them will probably decide the title.

Minnesota showed Saturday that it has a championship team. The Gophers played a strong game against Chicago, winning, 20 to 6, and revealed a strength that had not been suspected. Wisconsin's chance with the Gophers will be handicapped by the loss from its lineup of Pollock, who was injured in Saturday's game with Iowa.

That Minnesota had concealed its real strength in the games with Nebraska and Iowa was the freely expressed opinion of experts who witnessed the defeat of the Maroons. A variety of foot ball was uncovered on Northrup field Saturday that was a revelation to the spectators. The Gopher backs had been perfected in the "high knee action," which baffled Maroon tacklers again and again. All had been coached to run low and lift their knees in a manner to "uppercot" tacklers effectively.

After such a defeat Coach Starg of Chicago will try to mend his weak spots, but some say that he lacks the material. For its weight, Chicago is still a good team and the Maroons have a fair chance of rolling up a series of victories in the rest of their games.

In the east not a single one of the big teams can claim a clean slate and there is likely to be much dispute in awarding the title.

### Crows Want Games.

The Curo foot ball team of South Omaha want games with any local teams of from 125 to 150 pounds. Address: F. Kasper, 1205 M street, South Omaha.

### Lamoure at Point of Death.

BRAINERD, Minn., Nov. 6.—(Special.)—The girls' basket ball team of the Brairerd High school won a game from the team from Poole Saturday by a score of 7 to 5. This is the second victory for the Brairerd girls this year, they having beaten Cairo, 8 to 2, a week ago.

### Ravenna Basket Ball Girls Win.

RAVENNA, Neb., Nov. 6.—(Special.)—The girls' basket ball team of the Ravenna High school won a game from the team from Poole Saturday by a score of 7 to 5. This is the second victory for the Ravenna girls this year, they having beaten Cairo, 8 to 2, a week ago.

### ARMOURS PENSION EMPLOYEES

New System is Made Effective First of November.

### TWENTY YEARS OF SERVICE

Fund of Million Started and Employees Will Pay in Three Per Cent of Their Salaries to Maintain It.

Armour & Co. yesterday instructed the pension system for their employees. Throughout the United States the Armour interests have 45 branch houses besides their big plants. These houses and plants employ approximately 50,000 men. Of this number about 15,000 are eligible for the pension lists. Yesterday was the opening day of the fiscal year in the Armour plants—houses the announcement at this time. The detailed lists of those eligible will be announced after the trustees have examined into the matter.

R. C. Howe, general manager of the plant at South Omaha, issued the following statement regarding the pension plan:

"Armour & Co. instituted pension plan for its employees throughout the United States effective November 1. The fund is created for the benefit of salaried employees, who, after long and faithful service, shall have reached the age of 67 to 68 years, and who have been twenty years or more in the service of the company. Employees having served twenty years or longer and reaching 57 years of age, may be pensioned on application at the discretion of the board of trustees. Employees having served twenty years or more and reaching the age of 60 years may demand retirement.

"Employees having served twenty years or more and reaching the age of 65 years are to be retired.

"Armour & Company contribute \$1,000,000 for the maintenance of the fund; employees pay into the fund 3 per cent of their salaries annually.

Employees on retirement receive 2 per cent of the salary paid them at the time of retirement for each year of service, i. e., having served, say twenty-five years, receive 50 per cent of their salary on retirement.

"No distinction between men and women employees is made except that women may be retired at 50 years of age having served the twenty years. Provision is made for employees who have been fifteen years or longer in the service, even though under 57 years, the minimum age for retirement, if incapacitated through sickness or injury, may be pensioned at the discretion of the board of trustees.

"Widows and children of a deceased employee are provided for in the following manner: Upon the death of an employee who has been in the service more than fifteen years there is to be paid to the widow, and if no widow, to the children under 18 years of age, 1 per cent of the salary of the husband for each year of service. If he had not completed fifteen years of service, then there is returned to the widow, or if no widow, to the children under 18 years of age, all moneys that the employee may have paid into the fund during his lifetime, with interest. If an employee dies after having served twenty years or longer, then the widow or his children receive one-half of the pension to which he would have been entitled on retirement age. To the women employees, upon their marrying any time within the twenty years of service, the moneys paid by them into the fund is returned at time of marriage, and there is also returned to the employees who resign before reaching the retirement age the moneys which they paid into the fund.

"The management of the pension plan and fund is in a board of trustees consisting of A. Watson Armour, Alfred R. Urion and Frederick W. Croll, officers and employees of long standing in the Armour business."

### Signal Corps Men Beat Light Guards in Speedy Contest

The Signal Corps foot ball team of Fort Omaha defeated the Dodge Light Guards, 14 to 6, in a fast game at Athletic field, Council Bluffs, Sunday afternoon.

The game was clean and free from wrangling. Both teams played good foot ball. A large crowd saw the game. Two cases of regulars from Fort Omaha rooted for their men. After the second half the game was played in a drizzling rain.

Cone and Fleishman put up a good exhibition for the Dodge in end runs and blocking, but the Regulars, who were heavier, were too much for them. They had star players in Wyman, Tompkins, Groat, O'Neil and Campbell.

The fireworks started in the second quarter after a few minutes play. A fumble by Kynett let Wiley of the flag wavers get the ball. He made a sixty-yard end run for a touchdown. Wyman kicked goal.

Fort Omaha made another touchdown by straight foot ball. A forward pass from Campbell to Wyman and a ten-yard

### DUBUQUE LUNATIC RETAKEN AFTER TWENTY-MILE CHASE

DUBUQUE, Ia., Nov. 6.—After a chase of twenty miles through a densely wooded section a posse of deputy sheriffs and police today captured John G. Hogan, who escaped from a local hospital for the insane Saturday night. He went a guard into insensibility and got away. Before his capture Hogan terrorized the countryside. Armed with a butcher knife, he entered a farm house near here yesterday, brandishing his weapon above his head and putting the occupants to rout. John O'Connor, the guard, is in a serious condition.

### TO GET RID OF RHEUMATISM

If we suffer with Rheumatism and desire to get rid of it we must make up our minds to subject our systems to the proper course of treatment for a while. The only way to cure oneself of Rheumatism is to remove the cause—expel the irritating uric acid from the blood; every other method of treatment has proved a failure. S. S. S. cures Rheumatism because it is the greatest of all blood purifiers. This medicine goes down into the circulation and expels every particle of the sour, inflammatory uric acid which is the one great cause of the disease. The cure can be readily hastened by a little care and self-denial by the patient. In the first place do not let anything interfere to prevent your taking S. S. S. regularly and according to directions; be guarded in your eating, because an attack of indigestion will always aggravate the symptoms of Rheumatism. Do not expose yourself to damp and inclement weather any more than is necessary. When S. S. S. has had time to rid the blood of the uric acid and strengthen the system, then these little restrictions can be left off. This simple course has cured many thousands of cases of Rheumatism. Book on Rheumatism and any medical advice free. S. S. S. is sold at drug stores.
