HAAS CASE BEFORE COURT

Important Insurance Litigation in High Tribunal.

INVOLVES FINAL PAYMENTS

Railway Commission Asked to Step in and Force Canal Assn. Association to Change Its Tactics.

(From a Staff Correspondent.)
LINCOLN, Neb., Nov. 8.—(Special.)—The case of Mrs. Ida L. Haas of Omaha against the Mutual Life Insurance company of New York was argued and submitted to the state supreme court today. The case is of unusual importance, as it involves the rights of forfeiture of an insurance policy for non-payment of premiums.

Mrs. Haas is suing the New York company on two policies on the life of her husband, Andrew Haas, who died nine years ago. The case was before the supreme court several years ago on demurrer, and the Omaha woman won a sweeping victory. It was set back for trial and Mrs. Haas is again the appellant.

In 1906 Haas took out two policies and on one he paid four annual payments and on the other three. He failed to make the payments due between the dates of the last payments and his death. After his death his widow sued the company, first tendering the amount of the back premiums.

The company insists that the failure of Haas to make the payments when due forfeited the policies. The widow claims that there was no express provision that forfeiture should follow non-payment. Furthermore, she claims her husband had enough money on deposit with the company as reserve to carry the policies, even though he neglected to meet the premiums.

Irrigation Complaint.
In the first complaint brought to the State Railway commission under a new law which puts the regulation of irrigation and water power companies in the hands of that body, C. E. Hale asserts that the Canal Company is not giving proper service to its patrons.

The new law was passed at the last session of the state legislature and virtually sets out all irrigation companies as common carriers similar to the stock yards bill passed at the same session.

NEBRASKA CITY NEWS NOTES

Coroner Holds Inquest on Body of William Savage—Murder Theory Advanced.

NEBRASKA CITY, Nov. 8.—(Special.)—Coroner Herman Karstens last evening prior to the holding of the funeral of William Savage, who lost his life by falling from a barge into the Missouri River, impounded a jury and had them view the body. This was done at the urgent request of the family, who are inclined to the belief that Mr. Savage met his death other than by accidental death. Blood was found on the barge from which he fell, but no one was there as far as can be learned when he made the misstep. Only a slight bruise can be found on the head of the body.

CARELESS ABOUT APPENDICITIS IN OMAHA

Many Omaha people have stomach or bowel trouble which is likely to turn into appendicitis. If you have constipation, sour stomach, or gas on the stomach, try simple buckhorn bark, glycerine, etc., as compounded in Adler's, the new German appendicitis remedy. The Sherman & McConnell Drug Co., Cor. 14th and Dodge, Cor. 16th and Harney, Cor. 24th and Farnam, 257-9 North 16th St., states that A SINGLE DOSE of this simple remedy relieves bowel or stomach trouble almost INSTANTLY.

and the furniture and furnishings for \$3,000. He is inclined to the belief that the hotel was set on fire and he is trying to ascertain who did it and for what purpose.

Somewhat of a stir was made at the council meeting last evening when Mayor O. C. Morton informed that body that he and the city attorney had been having an Omaha detective here for several weeks looking after law violators and more especially the violators of the Sunday law regarding saloons and other things. The evidence he had collected had been placed in the hands of the county attorney and it is expected arrests will follow in a few days.

A 9-year-old son of Robert Burns left school as usual Monday afternoon and when he failed to appear at home at the usual hour his mother became alarmed and all of the neighbors turned out to search for him and the police joined them. His father, who was in Omaha, was telephoned to and he secured the aid of the police and they soon located the young man at the police headquarters, where he had been taken by an officer who found him crying at the depot. He refused to explain why he left home or how he got to Omaha.

Judge H. D. Travis opened the November term of the district court here today and called the docket, after which he set all cases for hearing. The petit jury in the criminal cases will come up for trial.

Dr. Don C. Ayres, a chief inspector for the government at the packing house here, has resigned and left today for his new home near Walla Walla, Wash., where he has purchased a fruit ranch. He is succeeded by Dr. C. H. Herrold. Dr. Ayres was in charge of the bureau of animal industry at South Omaha for a number of years and was assigned to duty here about two years ago.

BURY PRIEST AT LINCOLN

Father William Murphy's Funeral to Be Held There.

BISHOP TIHEN TO OFFICIATE

Head of Diocese Sends Letter of Condolence from Dubuque—Further Details of Accident Causing Priest's Death.

(From a Staff Correspondent.)
LINCOLN, Neb., Nov. 8.—(Special.)—Father Bradley, pastor of St. Theresa's pro-cathedral, announced this afternoon that the funeral of Father William Murphy, who was killed in an auto accident at Beaver crossing last night, will be held in Lincoln. No definite date has been set for the funeral, but it will probably be held Friday morning at 10 o'clock in St. Theresa's pro-cathedral.

Bishop Tihen will officiate at the funeral. Burial will be in Calvary cemetery, east of the city.

Bishop Tihen has sent the following message from Dubuque, Ia.:
"The bishop and priests of the diocese of Lincoln feel inexpressible sad over the sudden and tragic death of Father Murphy. Only lately had they been rejoiced by his reconciliation to the church which reconciliation now brings double affliction to his many friends. The diocese deplora his loss. From priests and people everywhere there will ascend to the throne of divine Mercy affectionate and heartfelt prayers for the repose of his soul. May he rest in peace."

"J. HENRY TIHEN,
"Bishop of Lincoln."
Father Murphy was returning home from Seward by way of Utica. In the auto with him were his housekeeper, Miss Mary Barrett, and Father Tourgeon of York, Neb. When near Beaver Crossing, at 7 o'clock, they met a buggy with two men occupying and the auto was turned suddenly to one side to escape a collision and on account of the steep embankment was completely turned over, and then righted itself, down the embankment.

Father Murphy was thrown on his head, crushing the chest and causing internal injuries to the head. His friends telephoned to Beaver Crossing from a nearby farmhouse and Dr. J. W. Doty went to the scene immediately in his auto, carrying the injured man to his home, where he died at 11 o'clock, without regaining consciousness. It was thought by those present, Father Murphy was thrown over the steering wheel and that the auto fell on top of him as it rolled down the embankment. Father Tourgeon received a slight bruise on the head. Miss Barrett escaped unharmed. The two men in the buggy did not stop. The cause unknown.

To Shrink a Fleshy, Flabby, Bloated Face

(From Happy Homes.)
The woman whose face has a bloated appearance at times, particularly upon arising, as well as she whose face is permanently over-fleshy or flabby, should use the saxonite solution. This is made by dissolving 1 oz. powdered saxonite in 1/2 pint witch-hazel, inexpensive ingredients which any druggist can supply. Use as a wash lotion. There is nothing better to reduce the face to a normal condition. The loose skin shrinks, bagginess and wrinkles are ironed out. Not only does the effect quickly show in one's improved appearance, but there is also a comfortable feeling of firmness and snugness.

This treatment is far superior to massage. The latter, as a matter of fact, can afford but temporary relief, and its continuance tends to break down the muscular tissue and aggravate the trouble.—Adv.

OMAHA LADIES SAY IT'S GREAT

Omaha ladies are delighted with "Minnesota" macaroni and spaghetti. Even people who never liked these foods before, are charmed with the delicious, nut-like flavor of the "Minnesota" brand. Good macaroni and spaghetti are the most nourishing foods known, and they can be prepared in so many delightful ways that no one ever tires of them. They agree with any stomach, and a family will feel much better if they eat less meat and more macaroni and spaghetti.

But if you want that rich, nut-like flavor be sure and get the delicious "Minnesota" brand macaroni or spaghetti—made from the finest Northern Durum wheat, with all the nourishing gluten left in. It is easily digested and never gets soggy. All good Omaha grocers sell it.

By an automobile driven by L. O. Kurts of West Point, is still in a very serious condition. Dr. J. P. Lord of Omaha was called in Saturday evening and performed an operation on the skull of Mr. Beaver, removing thence a piece of bone as large as a silver dollar. No blame attaches to anyone, the unfortunate affair being, apparently, purely accidental.

HOME OF QUALITY CLOTHES.

Gentlemen—your underclothing

In the buying of underclothing quality doesn't receive, as a rule, the consideration due it. For that matter, the fit of the garment doesn't either. It's a rare thing to find a store that pays more attention to underwear quality than to underwear profit. It is also a rare thing to find a force of clerks who are as anxious to fit you as to sell you. Both these rare things are found here. Let us underclothe you and you'll be satisfactorily underclothed.

WHAT the public wants is good goods and good service—for this they expect to pay an honest price.

It has been on such a foundation as this, that our reputation has been made.

The buying of good furniture that is really worth while requires a knowledge of its manufacture. A cheaply constructed sideboard or bureau may be made to look good to the uninitiated by means of its finish. Everybody has had experience with buying shams of this kind.

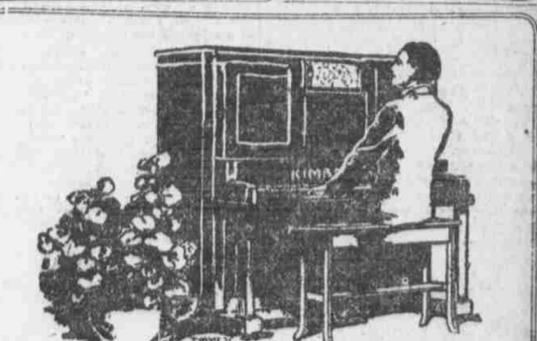

That's where with our knowledge of manufacture we offer a service that means more than simply buying and selling.

For that reason we recognize in Berkeley & Gay Furniture, which we sell exclusively, full value for whatever price is paid whether it is the Flanders stool at \$2.50 or the Sheraton Dining Room Suite at \$250.00 and back of this furniture is the reputation and the financial strength of the largest furniture manufacturer in America.

Music of the masters in your home—on the Kimball 88-note player piano.

Close study of the best in music has often resulted in the growth of fine musical temperaments. Comparatively few may attend the great symphony concerts and hear the best orchestras. Bach, Beethoven, Mozart, Handel, Mendelssohn, Wagner, Liszt, Chopin, are more than we unless you know the beauties of a Mendelssohn Spring song, Wagner's glorious "Tannhauser," the Chopin Etudes. The Kimball 88-note Player-piano brings this influence into the home with an educational value scarcely to be over-estimated.
