WESTERN LEAGUE MEN MEET

Fa Rourke Goes to Chicago to Attend the Meeting.

THEN GOES TO SAN ANTONIO

Meeting of the National Association of Base Ball Leagues to Be Held at the Texas City.

Fa Rourke, president of the Omaha base ball club, left Wednesday night for Chicago, where he will attend the meeting of the Western league team owners and managers, which was called by President Norris O'Neil for Saturday, November 11.

The regular league business will be done here in Chicago and matters relative to the 1912 Western league season taken up. The special train bound for San Antonio will leave St. Louis on the evening of November 12. The special will stop at Little Rock, Ark., the next morning at 9:30. A visit with Judge W. M. Kavanaugh, president of the Southern league, and an auto trip about the city will occupy the time until 1:30, when the train will again go on the way.

The next stop will be at Austin, Tex., November 14, where a visit will be made to President W. P. Allen of the Texas league. A brass band will meet the base ball men and accompany them to the capitol, where the delegates will meet Governor Colquitt. A barbecue and an auto trip will close the stay in Austin. At 8 o'clock the train will arrive at its destination. The convention will open the next morning at 9 o'clock and will last for three days.

Lefty Davis Will Manage York Team

YORK, Neb., Nov. 8.—(Special.)—Lefty Davis, who managed the ball team of this city the latter part of this season, has signed to take the management of the team for the year 1912. Lefty made good from the day he took the management last summer and the officers believe they have one of the best all-around base ball men in this part of the state.

WILL PROBE TICKET SCALPING

Base Ball Commission Obtains Evidence Regarding Charge.

METHOD OF SALE IS CHANGED

Meeting Will Be Held by Commission in December, at Which Result of Investigation Will Be Announced.

CINCINNATI, Nov. 9.—That the National base ball commission has obtained evidence regarding the charge that ticket scalping was prevalent during the recent world's base ball series in New York and Philadelphia was indicated today when the committee definitely decided to pursue an investigation.

A meeting will be held by the commission in New York on December 11, at which the result of the investigation will be announced.

Not a semblance of a clue as to the lines along which the investigation is to be conducted, or what evidence was displayed before the meeting today was made public.

The commission decided by a unanimous vote that in the future the sale of tickets for world's series games shall be conducted by business representatives of the commission, under the direct supervision of its members.

If the investigation now under progress develops proof that warrants such action the commission will, in a finding, fix the responsibility regardless of whether a club or any of its employees be affected. If, on the other hand, no substantial testimony is produced that either a club or any of its officials or employees are at fault, the commission will go on record as exonerating them.

The commission was in session for five hours and the major part of this time was devoted to the ticket scalping question.

Messrs. Edward Barrows of Toronto and President Stein of the Buffalo club, representing the Eastern league, appeared before the commission and presented requests that the Eastern league be elevated to a higher classification; that the limit of drafted and purchased players by the major leagues be lowered and that the draft price be increased. The national commission looked with favor upon the request and instructed the Eastern league representatives to take the matter up with the National association and report back to the commission at its meeting in New York on December 11.

Player Williams, over whom the Sacramento club and the Boston American league club are in a controversy, was declared a free agent.

Player Everett, drafted by Pittsburgh from the Charleston, W. Va., club, was awarded back salary from Charleston out of the drafting price, and the commission announced that in future cases where a club cannot meet its obligations in regard to salary to its players that it shall not be reinstated into organized base ball until the obligations are made good.

The claim for salary of Player Criss against the Louisville, Ky., club was dismissed.

The key to success in business is the judicious and persistent use of newspaper advertising.

DATES SET FOR AUTO SHOW

Will Be Held at the Auditorium February 19 to 24.

BIG ANNEX IS TO BE BUILT

Stage to Be Used for Accessories—Motorcycles Are Not to Be Shown Because of Lack of Room in the Building.

The annual Omaha automobile show will be held in the Auditorium and the dates will be February 19 to 24, inclusive. This was decided by the board of directors of the Omaha Automobile association at a meeting Wednesday night.

It is believed that by building a temporary annex for commercial cars on the vacant lot south of the Auditorium, that building will be big enough to give all the exhibitors all the space they want. The annex is not a sure thing yet, but the directors will at once get estimates on the cost of construction and endeavor soon to decide positively.

A latter arrangement of space than that of last year has been figured out, so that the main building alone will accommodate a greater number of cars than a year ago. The stage will be devoted to supplies and accessories. It had been decided to hold the show at the Ak-Sar-Ben den, there would have been space enough for a motorcycle show in connection. The motorcycle dealers will be shut out at the Auditorium.

Cornell Evolves New Style of Play for Game With Ames

MT. VERNON, Ia., Nov. 9.—(Special.)—Coach Finger, in preparation for the Ames game, Saturday, has made several changes in the line of defense. The tactics which he will employ will be somewhat different in that they will more nearly suit the Ames style of play. Finger has given the team a bunch of new plays which he expects to use in Saturday's game. It is expected that there will not be a great deal of open work used.

Two sets of backs are being worked out for the Cyclones: Kraum, Sage, L. West, and E. West to compose one set, and Baird, Leit, Gravel and Craft, the other set. L. West, who has been working at fullback during the first of the season, will probably be shifted to a half-backing Sage on the fullback job. Sage and Gravel worked at fullback during the Normal game while West was on the sidelines with a bad shoulder. Quarterback Craft, who started last Saturday against the Normal in the drop kicking stunt, putting three between the goal posts, sustained injuries in the first of the second half, through a collision with the goal post, which will not permit him to be in the best of condition. Left end, Gerhart also has a bad shoulder. Other than these three men, the purple and white eleven is in the best of condition.

The strength of the Cornell line was demonstrated last Saturday in the first half of the game when the variety line was in the game. During this time the Normal was able to get through and make their downs but one time. Busenbark and Archer will undoubtedly start the game at tackles. Captain Whitall at his guard and either Demie or Gravel at the other, with Keeler and Pingas at center will constitute the rest of the line. Quarterback West is slated to do the punting against Ames. Ames, Ia., Nov. 9.—(Special.)—All of Ames' players who fought against Nebraska Saturday were out for practice with the exception of Burge. The big fullback is still sore and braced from the game and it will be several days before he is out for practice. Practices were light and will probably continue so for the remainder of the week. In case Chappell absents himself this week on the Aggie's stock judging team, Lattimer will take his place at end and McDonald will go into Lattimer's position. Ames fears Cornell and dopeters are dubious over the outcome.

Omaha Uni Ready for the Game With Peru Here Friday

Realizing that they will meet a foe worthy of the best that they can give the foot ball team at the University of Omaha is working diligently to be ready for the game with Peru Friday. The Omaha lads are in much better condition now than at any time this season and are going into the game with the determination to win or hold the teachers to a tie score. All of the regulars will be in the game as John Selby and Stricklow, who were out the first part of the week appeared on the field Wednesday. Peru has a much stronger team this year than last and up to date has won most of its games. Tate Matters ex Cornell hockey star has been assisting Coach Maxwell, and has greatly improved the play of the linemen.

Bellevue College Notes

Annual Who Are Teaching in State Will Have Reunion in Omaha Wednesday.

The Bellevue College Bulletin and the Advocate are being mailed out from the college office. The Bulletin contains the report of the president and trustees to the synod of Nebraska. The report shows an encouraging year's work, both educationally and financially. On hearing the report the synod passed the following resolution of approval: "Resolved, That the synod express its pleasure at having heard President Stookey of Bellevue college, its gratitude at the splendid showing made in the collegiate year and commend the institution to those seeking a Christian education under efficient leadership."

Miss Kayser, acting professor of German, gave a reception to the women of the faculty Saturday afternoon. Miss Adzet, dean of women, entertained in honor of her sister, Mrs. Rush of St. Joseph, Mo. Saturday evening, in the parlors of Fontenelle hall. A young woman of the hall assisted in the entertainment very delightfully.

Mrs. Dr. W. H. Coombs of Omaha has been visiting friends at the college and in the village. Alumni of the college who are teaching in the state will hold their annual reunion and banquet in the university club rooms, in the Barker block, Thursday, November 9, at 6:30 p. m. On that date the local alumni will join the teachers and will take the occasion for forming a local chapter of the Bellevue Alumni association. President Stookey has been asked to discuss the subject of pre-medical and pre-engineering college courses at the president's section of the State Teachers' association.

Prof. Oscar Schmiedel is on the program of the mathematics section of the State Teachers' association. Miss Halsey, a returned missionary, who has been recuperating in Bellevue for some weeks, will soon leave for Florida, where she will spend the winter.

The East End Improvement club, an organization of voters of the eastern part of Sarpy county for the promotion of the interests of the section which they represent, was held in Bellevue Saturday evening.
