OMAHA AND ST. JOE TO CLASH

Hard Gridiron Battle Looked For at Vinton Park Today.

HIGH SCHOOLS TO CONTEST

As a Captain Haiser the Second High School Team Will Meet the Team from the Blair High School.

The Omaha High school foot ball squad held its final practice yesterday in preparation for the big game with St. Joseph Central High school eleven at Bourke Park this afternoon. The team has been practicing hard this week and Coach "Ebbie" Burnett is leaving no stone unturned to whip the team into shape. Rector is back in his old position at fullback much to the delight of his teammates. Crocker has been shifted from his position at left end to right half, as Bowman, captain and right half, will not be in condition to go in at his regular position in the St. Joseph game. Millard and Giddens will hold down the end positions and Selby will be at his usual place at quarter.

Considerable interest has been aroused in the game by Prof. C. E. Reed, athletic director, and through the efforts of the Boosters' club at the school. A section of the grand stand has been reserved for the newly organized Rooters' club of the school and it is expected to have fully 1,000 students attend the game in a body.

As a preliminary to the St. Joseph game the second high team will clash with the Blair High school eleven. This game will begin promptly at 2 o'clock so that the big game may begin on time at 3 o'clock.

Following is the line-up of the Omaha-St. Joseph teams:

Blair defeated the local lads at Blair early in the season by the score of 5 to 0 and the purple and white warriors have been working hard in practice this week to be in shape to pull off a victory Saturday. Coach Andrus has been putting the lads through a stiff line of signal practice this week and several new trick plays have been worked out.

Grand Island Gets Victory Over Hastings

GRAND ISLAND, Neb., Nov. 10.—(Special Telegram.)—With the 12 to 9 defeat of Hastings today, the Grand Island High school made its foot ball record read four victories and one tie. Hastings, however, gave the locals the hardest fight of the series. The visitors out-weighted the locals and the first quarter had the ball largely in Grand Island's territory, though the quarter ended scoreless. In the second, the visitors were held in better shape and made good line smashes. On a third down the local's attempted a place kick. The kick failed, but Grand Island got the ball and pushed it over the line. Goal was kicked. The third quarter was again one of divided honors and no score. In the fourth still snappier playing took the ball close to the Hastings goal line and the latter kicked for safety. The ball was blocked and taken over the line for a touchdown. Goal was kicked. Iowa Team Off to Meet Hoosier Boilermakers

IOWA CITY, Ia., Nov. 10.—(Special.)—The Iowa team, coaches and trainers left Thursday night at 8:25 over the Rock Island for Lafayette, Ind., starting the third long trip in as many weeks. The following men were taken: Murphy, O'Brien, McGinnis, Baird, Banton, Penningroth, Ney, Hanson, Trickey, Alexander, Von Laekum, Korf, Loudin, Clemens, Repass, Brandis, Von Maur and...

of the team will be hard to tell. Murphy will be at full, with Meloy at quarter, McGinnis at left half, and...

The line presents the problem. Buckley's illness has left a hole at left end which Penningroth will be called upon to fill, at the start of the game at least. Von Laekum is certain to be at the other end, and Ney will go in at left tackle. Alexander is very lame, and will not be used unless Purdue is stronger than anticipated. Trickey will probably start at right tackle in his place. Repass going to Trickey's place at guard. Hanson, though in poor shape, will play left guard, his punting being necessary. Whether O'Brien, the particular star of the team, will be able to go in or not is doubtful. Hawley desires to have him in good condition for the Ames game, and fears further injury if he plays against Purdue. But his mighty toe is likely to be badly needed. Probably he will be kept out until a chance for a field goal appears. In that case, Clemens will start at center, where he played several games last year. All of the subs who will be sent in are valuable men, but hardly equal to the veterans whom they will replace.

Marquette Expects Hard Game Saturday

MILWAUKEE, Nov. 10.—The Marquette university cot ball eleven after a week of hard work is in fit condition for the battle tomorrow afternoon with South Dakota at Milwaukee. The Dakota col-legians have established a creditable reputation for themselves this fall and Coach Juneau of the Milwaukee eleven expects a hard fight for his team.

The Milwaukee team tomorrow will have the services of Captain Munsell, who was declared eligible during the week, after being out of the game the entire season due to "cons."

William Hanley, the big tackle, will not be able to play, his place being taken by Woodworth. This is the only switch in the university lineup.

BEAVER CITY SWAMPS THE CAMBRIDGE TEAM

BEAVER CITY, Neb., Nov. 10.—(Special Telegram.)—Beaver City played rings around the Cambridge team here today and won, 21 to 6. Cambridge was completely outclassed and was never near Beaver City's goal while Beaver City went through Cambridge's line and around their ends at will for large gains.

Scores Twice for Princeton

Sam White, the hero of the Princeton-Harvard game, who was the cause for both of Princeton's scores. White picked up a fumble and ran nearly the length of the field for a touchdown in the first quarter. In the third quarter he tackled Huntington, Harvard's full-back, so hard after the latter caught a kick that the Crimsonite was forced backward over his own goal line for a safety. White's sensational work entitles him to a place in foot ball history alongside of the great players of the past. It is almost certain to earn him the position on Walter Camp's All-American team.

Nebraska and as yet have not been beaten by a high school team. The key to success in business is the judicious and persistent use of newspaper advertising.

BELLEVUE DEFEATS COTNER

Weak Line Brings Defeat to the Christians of Bethany. SCORE AT FINISH TWELVE TO SIX Paulson, on Right End, Does Some Good Work, While Henderson is Not Far Behind.

LINCOLN, Neb., Nov. 10.—(Special Telegram.)—In a foot ball game that was hotly contested from start to finish, Bellevue college defeated Cotner university, 12 to 6 at Bethany today. The winning touchdown that broke a tie of 6 to 6 was made by Curtis, Bellevue's right tackle, who made a spectacular run from Cotner's forty-yard line in the last few minutes of play. Moore, quarter back, made two field goals for Bellevue. He booted the first one from the Christian's twenty-five-yard line during the first quarter, and sent the next one over the cross bar in the second quarter from the twenty-yard line. Cotner scored a touchdown in the second half on a forward pass from Myler, right tackle, to Jester, left end, on Bellevue's forty-yard line. The pass was well executed. Myler shot it from the center of the field directly into Jester's arms. He was but a few feet from the side line, and evading the tacklers, rushed over the coveted chalk line for a touchdown.

Close Until Finish. The game belonged to either team until the last few minutes of play, though Curtis, Henderson, Paulson and Moose kept Cotner uneasy by their effective line plunges and end runs.

Paulson, the Bellevue right end, played a speedy game, breaking up Cotner's plays repeatedly in the second half and making his gains around the Cotner ends. Henderson, with fearful line plunges, time and again broke up Cotner's defense and nipped Oden, Cotner's swift half back, before he could get away. A weak line, both on the offensive and defensive, was responsible for the Bethany collegians' defeat. The lineup:

Lincoln Boys Play Rings Around York

YORK, Neb., Nov. 10.—(Special Telegram.)—York was no match for Lincoln today at foot ball, for the score, 3 to 14, does not tell the cunning tricks the Lincoln boys played on the local team. York had the satisfaction of being the first team to cross Lincoln's goal line this season, due to a drop kick from the thirty-yard line by Gabor. Lincoln kicked off to York when they fumbled and gave Lincoln the ball on York's twenty-yard line. Lincoln made three points on a drop kick. After an exchange of punts, Lincoln carried the ball over for a touchdown and kicked goal. Score, first half, 15 to 0. In the last half the ball was in Lincoln's territory most of the time. Ask Supreme Court to Decide "Corners" Violate Trust Law

WASHINGTON, Nov. 10.—For the first time the government today asked the supreme court of the United States to proclaim as the law of the land that "running a corner" on a stock exchange is a violation of the Sherman anti-trust act.

The point came up in the oral argument of Solicitor General Lehmann in support of the indictment of James A. Patten, Eugene E. G. Scates, Frank B. Hayne and William F. Brown on charges of conspiracy on January 1, 1910, to "run a corner of cotton" on the New York stock exchange. Essential counts in the indictment had been declared erroneous by the United States circuit court for southern New York and the government was arguing for a reversal. Ex-Senator John G. Spooner argued for an affirmation.

Once or twice in the argument Chief Justice White asked if the government considered that a combination to force down the price of a commodity would be in violation of the law, as well as a combination to put the price up, as charged in the present indictment. Mr. Lehmann said he was not familiar enough with the market to reply. The chief justice also failed to get a concise answer to his query about the legality of planters combining for higher prices.

Mr. Lehmann, in attacking the holding of the circuit court, referred to it by saying that no restraint on competition in interstate commerce was charged in the indictment. He urged that the Sherman anti-trust law was not directed against competition, but against restraint of trade. He added that even if it had been aimed at restraint of competition that the competition would be temporary and abnormal, a thing which the law aimed to prevent.
