Fullback of Omaha Easily Exceeds Jamison, the Kicker for Missourians—Tackles for Ground Gainers.

The Omaha High eleven avenged their defeat of last year by trouncing the much-touted championship St. Joseph Central High team to the overwhelming tune of 38 to 10 at Rourke park Saturday afternoon.

The game was played with the temperature hovering around ten degrees above zero mark and snow flurries combined with a strong north wind, added to the disadvantage of either team playing anything like ideal foot ball. As a consequence there was fumbling continuously, although St. Joseph seemed to feature in this particular part of the game.

The two elevens resembled hockey players as they dashed about clad in heavy sweaters and wearing nose guard caps. Some of the players wore gloves and one energetic youth had a pair of earmuffs instead of a headgear.

Rector at fullback for the purple and white was the feature of the game with his wonderful line plunges and end runs, scoring five of Omaha's touchdowns.

Rector was in the game all the time and was never thrown for a loss of yards. He easily recalled Jamison, the little Missourian hickie, in the punting game and the boots of his left toe often went as far as sixty yards with the wind.

Omaha Team Work Good. As to individual play, the whole Omaha team negotiated a steady and brilliant class of foot ball, splendid team work and excellent interference on the part of the backs showing up at all times.

Omaha's two tackles, Rademan at left and "Old" Carlson at right, both figured as sure ground gainers, and time and again big Rademan dragged two or three of the St. Joseph players for five yards or more until he was downed. Ed Lamare and Munnake, halves, and Sebby, quarter, pulled off some excellent interference and good individual gains.

Billard, left end, tore off a thrilling thirty-five-yard run in the third quarter which brought the crowd to their feet.

Johnson at right half, starred for the visitors, scoring both of their touchdowns. Jamison, captain and quarterback, was a consistent player and, despite the fact that he was handicapped by having a weak line, was able to get away for several good gains.

Back Fields Well Matched. St. Joseph was slightly outclassed on the line, but the backfields of the two teams were about evenly matched. No one was injured during the game and the lineup of the both teams remained the same throughout all four quarters, except when Charles Borden was sent in at right tackle for the Missourians in place of Bell in the final quarter.

A large crowd attended the game despite the wintry weather and yelled themselves hoarse from beneath blankets.

THE OMAHA HIGH ELEVEN

The Omaha High second eleven triumphed over the fast Blair High school lads by the score of 9 to 6 as a preliminary to the big Omaha-St. Joe game at Rourke park.

Both teams scored a touchdown, kicked ball before the first two quarters of the game were over and it was until Cole, the purple and white left end, was able to score a drop kick in the fourth quarter that Omaha took the lead 9 to 6.

Inkster, right end, Sole, left end, James Durkee, fullback, were the stars for the Omaha eleven, Inkster bringing the crowd to their feet in the second quarter when he closed down the line and fell on one of Omaha's punts for a touchdown behind Blair's goal line.

Haller, fullback and captain of visitors, was injured in a head-on collision with one of Omaha's backs and had to be carried off the field. His injury, not serious, however.

Haller at fullback and Miesner at right half, pulled off some fast plays for several end runs of from fifteen to thirty yards. Clair at the quarter position also played a plucky game.

The feature of the game were the big white gloves worn by the Omaha lads and they drew the undivided attention of the crowd for several minutes in the second quarter. Despite the chilly weather some thrilling plays were pulled off and the white gloves of the Omaha lads shined like big snowflakes to the red jerseys of the Blair warriors. The lineup:

NORTH PLATTE, Neb., Nov. 11.—(Special Telegram.)—With the temperature at zero and biting north winds sweeping the field North Platte defeated the Kearney Military academy today, 12 to 0. Taking revenge for the defeat last week at Kearney, North Platte scored on touchdowns by Cunningham and Lincoln on short and runs, Norris kicking goal in both instances. LAWRENCE, Kan., Nov. 11.—(Special Telegram.)—Playing in a blinding snow storm with the wind blowing over the field in a fierce gale, the Kansas Jayhawkers lost their first game this season to Oklahoma, by a 3 to 0 score.

The day was freezing cold and it was impossible to play good football. The Sooners outkicked Kansas and had the better of the game in offensive plays. In this department of the game, the Jayhawkers were clearly outclassed by their opponents.

Captain Capshaw and Courtright, the Sooners halves, played brilliant foot ball and time after time they carried the ball for twenty-five yards around the Kansas ends before being downed. The playing of these two men alone was responsible for the victory.

After three minutes of play, the Oklahoma team worked the ball to the Kansas twenty-five-yard line, where Capshaw kicked a field goal for the only score of the game. Kansas fought hard in the latter part of the game, but could not score.

Reeds, the Oklahoma punter, completely outclassed Delaney, Kansas university's star punter. The Oklahoma's kicks averaged forty yards. In spite of the high wind that was blowing,
