

Nebraska School Teachers Who Can Play Some Foot Ball

PERU NORMAL TEAM. Foot ball squad from the Peru Normal school who won from the University of Omaha Friday afternoon.

NORMAL MEN ARE VICTORS

University of Omaha Eleven Loses Game on the Gridiron.

SCORE AT END THIRTEEN TO SIX

Schoolmasters Run Away with Their Opponents in the Second Half on Creighton Field.

By a score of 13 to 6 the Peru Normal school triumphed over the Creighton and Black of the University of Omaha, Friday afternoon at Creighton field in the presence of 400 enthusiastic fans. This was Omaha's second game since the organization of the school and its first since it was admitted to membership in the Intercollegiate Athletic Association of Nebraska...

The game was featured by many long runs and sensational catches. In tackling, Quarterback Parish of the university was easily the star of the game. Time and again he would break through the interference and throw the runner; or when he was playing a defensive end, the opponents would try to circle his end he would throw them for a loss, or when they went around the other end he would come from behind and tackle the man carrying the ball...

Reinforce Saves the Game. The one sensational play for the Blue and White was Quarterback Renfro, who did not get into the game until the second half. Whenever called on to carry the ball, he was good for from five to twenty yards. It was after one of his runs which went for thirty yards that Peru scored the touchdown that won the game. After his appearance the Normalites went in with a renewed energy and won. Sims at fullback and Captain Shafer at left tackle also played stellar foot ball.

Omaha was the first to score. Peru won the toss and kicked off to Omaha, defending the north goal. Dow returned the ball ten yards. Reel advanced it ten more on a forward pass, then after a few line plunges, Dow punted to Ludka, who dropped the ball. Paul Selby had to run down under the punt and when Ludka dropped the oval he tucked it under his arm and raced forty yards for the first score of the game. Dow kicked goal.

Amateurs Resentful Toward Release Rule

NEW YORK, Nov. 11.—In the minds of those who control the Amateur Athletic union it seems, there lingers a belief that amateur athletes ought to wear collars and tags and be impounded whenever they are found. The latest invention intended to increase the subjugation of the amateur is a "two-day release" rule. This will soon be voted upon, as amateur athletes have nothing whatever to say in affairs of this sort, will probably find a place in the book of rules published annually by the Amateur Athletic union.

Belmont Presents Two Thoroughbreds

NEW YORK, Nov. 11.—August Belmont, owner of the Jockey club, has presented two more thoroughbred stallions to the United States government for breeding purposes. Last year Mr. Belmont gave Henry of Navarre and Octave, famous as stake winners and sire, to the government. They were brought home from France by Mr. Belmont and were sent to the government breeding establishment in Virginia.

It was announced that Mr. Belmont also had donated the year-old Footprint, by Rock Sand; Pettib and the 2-year-old on the New York tracks. He proved victorious in seven races, including the Tremont stakes and the double event. In the latter event he took the measure of Meridian, Naushon and Novelty, the subsequent futurity winner. Tipson displayed sterling quality in races on the Canadian tracks this year.

Rock Sand, the sire of these horses, was purchased for \$15,000 by Mr. Belmont several years ago and when racing in this country enjoyed unmeasured prosperity. In England Rock Sand won \$25,000 in stakes and purses, including the derby, 5,000 guineas and the St. Leger. He is a son of Malmoin-Rougeure, by St. Simon, and is at the head of Mr. Belmont's nursery in Kentucky.

MAROON TEAM VICTORIOUS

Northwestern Beaten by Chicago, Nine to Three.

SCRUBY'S TOE IS BIG ASSET

Winners Get Touchdown in First Four Minutes of Play, After Which Northwestern Plays Stiff Game.

EVANSTON, Ill., Nov. 11.—Chicago defeated Northwestern today, 9 to 3. Chicago scored the first touchdown in four minutes of play against Northwestern on Northwestern field today. Northwestern took the ball over after a punting duel that ended on Northwestern's five-yard line. Scruby kicked goal. Northwestern after the first reverse held Chicago safely. Aided by the wind, Linn and Grubn were able to keep the ball in Chicago territory, four times in succession sending it over the Maroons' goal line. The teams met on equal terms in the second period. Northwestern was replaced by Fonger. Chicago began to gain toward the end of the period, but Northwestern held for two downs on her own five-yard line and Linn punted out of danger. Purple gets Touchdowns. As the third period opened an exchange of punts ended with the Maroons having the ball on their own five-yard line. Pierce badly mishandled Linn's punts which bounded sixty yards. The purple in three first line plunges by Grubn and Reese made fifteen yards. Linn then kicked a field goal. Chicago, 6; Northwestern, 3. Northwestern had all the best of the straight foot ball that followed. A series of line bucks by the Purple ended in a thirty-yard run by Linn around the left end. After a struggle, in which neither side could make a gain and hold Chicago in the last five minutes of play drove the ball yard by yard to the purple goal. Northwestern held on the one-yard line, but the Maroons scored again on a field goal by Scruby. Score: Chicago, 9; Northwestern, 3. Lineup: NORTHWESTERN. CHICAGO. McPherson, L.G. Kauselker, R. T. and for muffs. A goodly representation of the fair sex were on hand to wave pennants and howl defiance against the biting north wind. Omaha won the toss and chose the north goal, thus having the wind to their advantage. St. Joe kicked off to Omaha, and before the first four minutes of the first quarter were over Reacor had plunged across the Missourians' goal for a touchdown. Munnske missed goal. Score, Omaha 8, St. Joe 6. In the second quarter Reacor made two more touchdowns, Munnske kicking goal on one of them. After some plucky line plunging Johnson of St. Joe ripped across for a touchdown, but Jamison missed goal. Score at end of second quarter, Omaha 16, St. Joe 12. Re-acome Walkaway. In the remaining two quarters the game proved a walkaway for the purple and white, and line plunges coupled with some of Coach Burnett's trick plays completely baffled the Missourians. Johnson, at fullback for St. Joe, was able to score a touchdown in the fourth quarter, but when the smoke of the battle had cleared away the score stood Omaha 25, St. Joe 16, with the ball in the Missourians' possession on their own forty-yard line. OMAHA TEAM LACKS SUPPORT

Finances Suffer as Result of Students' Lukewarm Attitude.

ROOTERS' CLUB NOW ORGANIZED

Season Has Been Hard, but Remaining Games Are at Home and Good Contests Are Assured.

The students of the Omaha High school are lagging in their support of the foot ball eleven this year and as a result, Prof. C. E. Reed, athletic director, is having a hard time to bolster up the finances of the athletic department to a sound basis. At no game this season have even half of the 2000 students at the school turned out and the Rooters' club got busy last week as a last resort and organized a Rooters' club for the rest of the season. However, this scheme did not meet with sufficient approval to warrant a grand success of the undertaking. Printed circulars were passed around in classes last week for students to sign up as members of the Rooters club, and in several instances, out of classes having an enrollment of twenty-five or thirty students, not more than five names were subscribed. In addition to this lack of spirit, there is a tendency among some students, including seniors, to "knock" certain members of the team. This tendency comes as a rule from students who know very little about the gridiron sport and who know nothing whatever of the hard afternoons of practice the squad goes through in preparation for each game, but who attend the game on Saturday and are dissatisfied if every play the home team makes is not a ground gain or a tryler. The team has worked under a stress of difficulties ever since the season started. In September, there was no adequate grounds for holding practice and the lads had to go to the dirt grounds at Twenty-first and Paul streets every afternoon, to work out. Through the courtesy of Father Devlin at Creighton University, the squad was given the use of Creighton field for practice grounds. In addition to the lack of practice grounds Coach Burnett had to solve the problem of constructing a new line and developing a man for the quarter position. Nevertheless he has whipped out an eleven of first class caliber. The team has carried the hardest schedule in the history of the gridiron sport at the school. Teams like Oak, Des Moines West High, Sioux City, Beatrice and St. Joseph Central are all able to put up stiff, hard fought battles and with a constant hospital list of three or four regulars in vogue half of the season. Omaha has made a remarkable showing. The eleven is working hard, it has a good coach, and the remaining games this season will be at home; Council Bluffs High on November 18, and Wendell Phillips of Chicago on Thanksgiving day.

FORTUNE FAVORS PRINCETON

Ball Bounds Over Cross Bar on Dewitt's Drop Kick.

PRINCETON'S DEFENSE AGAIN SAVES DAY FOR LOCAL TEAM, FOR TIGERS ARE UNABLE TO DO ANYTHING ON OFFENSE.

PRINCETON, N. J., Nov. 11.—Fortune enabled Princeton to defeat Dartmouth in the final period here today, 3 to 0. With the ball on Dartmouth's thirty-yard line, Dewitt of Princeton made an attempt to drop kick.
