### HAYDEN BROS. BID LOWEST

#### Commissioners Open Bids for Furnishing New Court House.

##### DISPLAYS TO BE INSPECTED

Bids are referred to the County Clerk for Tabulation and Will Be Taken Up for Consideration Next Week.

Hayden Bros. general bid for furnishing the new county building was found to be the lowest when the Board of County Commissioners opened the bids. However, the bids were so numerous and varied that it was impossible for the committee to understand them. They were referred to the county clerk for tabulation and will be considered by the committee of the whole. This week the commissioners will inspect displays offered by the several bidders to give ideas of what furnishing they offer.

The county board called for bids as follows: 1. Counters, cashiers' cages and other permanent fixtures. 2. Same as 1, with steel substituted for wood. 3. Library stacks, book cases, filing cabinets, etc. 4. Chairs, desks and other furnishings not included in 1, 2 and 3. 5. Lump bid, including 1, 2, 3 and 4. 6. ##### Two Trains Discontinued

Notice has been received at the Omaha railroad offices that the Denver & Rio Grande Western Pacific, Denver to the coast business has been curtailed to the extent of the discontinuance of the two best trains, Nos. 7 and 8. As neither of the roads have offices here, no one is able to explain why the move has been made. The tie-up of the Denver & Rio Grande and Western Pacific occurred about sixty days ago, when the latter road dropped the Burlington through car service and formed an alliance with the Southern Pacific. After that and until now Denver passengers desiring through car service went west over the Western Pacific.

##### Old Philippine Stamps

Postmaster Thomas has received a number of postage stamps printed in the Philippine islands in 1898, when George Emilio Aguinaldo declared himself president of the Philippine Island Republic. Later, when the United States troops took possession of the Philippines, the stamps, plates, and other paraphernalia were destroyed. In some manner a few of the stamps escaped and Mr. Thomas' friend has sent him three or four for souvenirs. During the world's fair at St. Louis an attempt was made to secure some of the Aguinaldo stamps, but the attempt proved fruitless.

### MISS MAJORIE SMITH WEDS EDWARD L. HOYT

The culmination of a courtship extending over a period of several years was reached when the wedding of Miss Majorie Smith and Edward L. Hoyt, son of United States District Clerk Hoyt, was solemnized Thursday night at the home of the bride's parents at 204 Marcy avenue. Only a few intimate friends of the family were invited to attend the wedding, the beauty of which lay in its simplicity. The bride is a charming young woman who has lived in Omaha nearly all of her life and she has a wide circle of friends among the younger set. The groom is employed by the Omaha Electric Light and Power company in a responsible position. A pretty home has been furnished by the groom and the couple will settle down to housekeeping immediately.

### CHARITIES SOCIETY ELECTS

#### C. T. Kountze is Made Vice President and Treasurer.

#### E. W. DIXON IS THE PRESIDENT

Miss Ida Jontz, General Secretary, Tells of the Work for Last Year, Which Has Been Considerably Increased.

With the exception of Thomas F. Sturgess the Associates Charities of Omaha re-elected their old officers, Mr. Sturgess declining to serve another term as director and treasurer. The position of treasurer and vice president was combined, lessening the directory by one. The following officers and directors were elected.

President, E. W. Dixon.  
Vice president and treasurer, C. T. Kountze.  
Secretary, Mrs. Draper Smith.  
Directors, K. C. Barton, C. C. Belden, A. D. Brandeis, E. W. Dixon, E. L. Howe, Rev. P. A. McGovern, C. T. Kountze, J. A. Munroe, Mrs. Draper Smith and John C. Wharton.

Miss Ida V. Jontz, the general secretary, read her report which was approved after a discussion. The increased work of the last year over the previous year was largely due to the fact that the Charities now make investigation of cases for the county.

Miss Jontz reported on her recent trip to the International Purify Congress at Columbus, O., and the National Women's Christian Temperance union at Milwaukee, Wis.

Friday afternoon at 3 o'clock in the city council chamber the monthly conference will be held to which the public is invited. Health Commissioner E. W. Connell will discuss the purpose of the new emergency hospital which was presented to the city by Miss Anna Wilson and the Crechs and the Old People's Home will be represented and information about them given.

### Prisoners Pay Jackie's Fine to Save His Rating

BOSTON, Mass., Nov. 10.—In the detention pen of the criminal court today, Jack Dawson, man-of-warman, sat dejected with a jail sentence in prospect because he lacked \$5 to pay a fine for having been too boisterous. To a convicted thief in the pen with him, he confided his troubles, adding "the worst of it is that my enlistment is about up and I'll lose my rating."

The thief took up a collection among some companions in the pen and handed the sailor \$5.20, explaining "me and my pals want have much use for coin for some months to come, so take the stuff and welcome."

The sailor paid his fine and was discharged. His benefactors went to jail.

### Athletes in Grades Get Encouragement

Grade youngsters will work harder this week to add a couple of inches to their jumps and to chin the bar an extra time or two, since the teachers of the state and of Omaha have put so much stress upon the physical side of school life.

The tests in the running high jump will be finished within the next two weeks and R. L. Carns, superintendent of athletics, who has charge of the fall athletic work, is well pleased with the showing the youngsters are making. Lothrop had the best jumpers in the standing broad jump, a total of 118 boys at that school passing the required tests. However, Elyon and Central schools are showing up strong in the tests now going on and they bid fair to give the Lothrop athletes a close contest in the running high jump.

The public schools' athletic meet will be held out of doors next spring instead of at the Young Men's Christian association gymnasium and the Auditorium, as in former years. The preliminaries and finals will be held on one day. As yet, no grounds for holding this meet have been secured, but on account of the immense attendance of these contests the only adequate place in the city for holding the meet-out of doors would be Rourke park.

### WILLIAM FRANCIS STEWART AN ORDERLY YOUNG MAN

William Francis Stewart, who enlisted in the United States navy Friday, is not the recruit who was redeemed from a life of sin, as was stated in The Bee Friday afternoon. Stewart is an orderly young man and has never been a frequenter of pool halls.

### Free Wood May Be Had for the Asking

People in actual need of fuel may get free wood if they can find someone to haul it for them. All they have to do is call at the office of the Charles E. Williamson company, Sixteenth and Dodge streets, where are clearing a few acres in the outskirts of Omaha and wants to give away the wood to worthy poor.

### All May Enter the Trade Mark Contest

The trademark contest of the Omaha Manufacturers' association is open to the world, and the man, woman or child of Kennebunk or Tucson who submits a good design will have the same chance of capturing the \$100 worth of prizes that an Omaha will have.

Already designs have been received from as far away as Millville, S. D. The designs received to date, however, are to be returned because they do not conform to the rules of the contest, which were announced Friday.

### SUFFERED FOR YEARS OWE HEALTH TO PE-RU-NA.

### Gale-Fanned Flames Damage Residence

An eleven-room frame dwelling at 209 Davenport street was partially destroyed by fire at 1:30 Saturday afternoon. The fire originated in the basement from an overheated furnace. Three women and a 1-year-old baby were driven out into the mid. They were Mrs. A. Lennihan and her daughter, Frances; Mrs. Helen Carter and her baby.

The building is owned by R. L. Carter, but he could not be located this afternoon by the fire department. An estimate of about \$2,000 was placed on the loss. The fire, although small, was hard to fight. The gale which blew from the north fanned the fire to such an extent that for awhile it seemed as though the place would be totally destroyed. The occupants were not injured.

### CONTRACTORS TO PAY FOR NEW RADIATORS

Just as the Board of County Commissioners was about to adopt a resolution that practically would have been a present of \$300 to Caldwell & Drake, general contractors on the new county building, the flaw was discovered.

It was on the proposition of heating the new county building. Commissioner Bedford had requested Caldwell & Drake to find a way out of the heating muddle and thought he had found it. Under his direction a resolution was prepared under which the county should heat the new building and Caldwell & Drake should reimburse it, except for 100 radiators, which would be installed at the county's expense, at \$2 each. Commissioner Pickard objected to the county's paying for the radiators. Commissioner Lymon added his protest. Commissioner Emswiler, who moved the adoption of the resolution, withdrew his motion. Architect Latenser, County Attorney English and Lester Drake, of Caldwell & Drake, were summoned. Under pressure of the county board and Latenser and English, Mr. Drake agreed to pay for such radiators as are needed for the heating, while the building is still in process of construction.

### TRIES TO SELL LAND TO FOOT BALL CAPTAIN

A man knocked at the door of Harry Jordan, 115 South Thirty-third street, Friday, and told Mrs. Jordan he came to sell some California land to "Mr. Jack Jordan."

He was about six feet two inches tall. He was told that "Mr. Jack Jordan" was about four feet and a half tall, was 19 years old and was at that time playing foot ball. Jack, on visiting the recent Omaha Land show, had written his name on a visitors' register at the California booth.

"I didn't have time to talk with that fellow, any way," said Jack, on returning home. "The Park School Juniors just beat the Windsor Seconds, 5 to 0, and I'm captain of the Juniors."

### Italians Celebrate Birthday of King

Yesterday was the birthday of Victor Emanuel III, king of Italy. In honor of that event the Italian flag was thrown to the breeze at the office of Consular Agent A. Venuto, 519 Brown block. The Italian colony, through its consular agent, Mr. Venuto, also sent greeting to their Italian brothers in Tripoli, congratulating them upon their valorous efforts in behalf of the fatherland.
