COMMON GARDEN SAGE RESTORES GRAY HAIR TO NATURAL COLOR

A Simple Remedy for Dandruff, Falling Hair, Itching Scalp, Faded and Gray Hair.

The old idea of using sage for darkening the hair is again coming in vogue. Our grandmothers used to have dark, glossy hair at the age of seventy-five, while our mothers have white hair before they are fifty. Our grandmothers used to make a "sage tea" and apply it to their hair. The tea made their hair soft and glossy, and gradually restored the natural color.

quickly. This objection has been overcome, and by asking almost any first-class druggist for Wyeth's Sage and Sulphur Hair Remedy the public can get a superior preparation of sage, with the addition of sulphur, another valuable remedy for hair and scalp troubles. Daily use of this preparation will not only quickly restore the color of the hair, but will also stop the hair from falling out and make it grow.

Get a bottle from your druggist today. Use it and see for yourself how quickly dandruff goes and gray hairs vanish.

This preparation is offered to the public at fifty cents a bottle, and is recommended and sold by all druggists, Sherman & McConnelly Drug Co., Cor. 16th and Dodge, Cor. 16th and Harney, Cor. 24th and Farnam, 297-9 N. 16th St. Loyal Hotel.

Drexel's Shoes

For Weak Arches and Flat Feet

A good offering. Women's shoes scientifically constructed to strengthen weak arches and relieve flat foot. Weak arch and flat foot is a foot the arch of which is either in the incipient stage of breaking down, or already flat from neglect, accident, excessive weight, or having been badly shod during the growth period. You will have pains in the heel, arch, toe, limbs and labored walking. Sufferers are often treated for rheumatism, but relief can only be found in proper footwear, designed to restore and support the weakened arch until it again becomes normal. See a pair of these shoes.

BLANKETS

Ask for S. & H. Stamps. We Redeem Them With Beautiful Premiums.

Here are Overcoats Galore for Big and Little Boys

At this store you are not limited to a few styles. We try to show everything that is worth showing and worthy of a place in a boy's wardrobe. The overcoats come in convertible collar styles and styles that button up close to the neck. They're made of finest quality chinilla cloth, chevrons and velvours in greys, browns, tans and the staple colorings. We have marked them to sell at \$1.98, \$2.50, \$3.00, \$2.50, \$4.00 and \$5.00—and we would like for you to compare them with any others you may find elsewhere at anywhere near the same price.

Thursday We Will Have a Special Selling of Boys' Suits at \$2.98

They are broken lines and odd lots that have been selling up to \$4.50 the suit. All wool materials in medium and dark patterns that will look well after the severest use. If you appreciate what an extra pair of pants with a boy's suit means you will be one of the first here Thursday morning for many of these suits have an extra pair of pants to match. Also some suits that are worth \$3.50 will go at \$1.98.

Thursday You Will Buy a Real \$25 Tailored Suit for \$15

Fact of the matter is these are broken lines but you will find practically all sizes if you come early in the day. We would rather reduce the price on broken lines that reduce the rank of some of our other suits in order to fill up the gap from our heavy selling. That's the why of the sale.

They are made of the better class of mixtures, serges, hard-finished worsteds and chevrons and there is nearly every fashionable color you would expect to find in suits of this character for your choosing.

Our regular \$25.00 values for only \$15.00—if you come Thursday.

\$19.50 Coats for \$14.75

Extra heavy reversible materials that are stylish and are sure to keep you comfortably warm in the severest winter weather. The shawl collars are quite handsome and will appeal to all who are fashionably inclined.
