PICKERING WILL NOT PLAY

Minnesota Charges Wisconsin with Violating Spirit of Conference.

GAME TO TAKE PLACE SATURDAY

Statement Issued Questions Eligibility of Four Wisconsin Players and Asks Thorough Investigation of Standing.

MINNEAPOLIS, Nov. 10.—The University of Minnesota's football team will meet that of Wisconsin at Madison next Saturday and Captain Earl Pickering, Minnesota's fullback, will not be in the game.

These two questions were decided here today after conferences of the Minnesota eligibility committee and the athletic board of control. That Pickering would not be played was decided shortly after noon after a conference with G. W. Elmer, athletic director of the University of Wisconsin, who yesterday protested Pickering on the charge that he has played professional base ball.

Whether the game should be cancelled was not decided until late this afternoon after a session at which it is said two of the nine members of the athletic board of control favored the cancellation of the game.

The committee's statement that Pickering would not be played Saturday also contained an intimation that Minnesota questioned the eligibility of four Wisconsin players, Moll, Mackmiller, Tandberg and Hoefel, on the same charges as brought against Pickering.

Statement Issued.

The statement (issued by the Minnesota authorities) is as follows:

"The charges against Earl Pickering were not preferred until four days before the game, whereas the spirit of the conference requires sufficient notice so that adequate investigation can be made.

"In view of the shortness of the time it is impossible for us to investigate the charges before the game.

"We, therefore, have decided to withdraw Mr. Pickering from the game, even at the risk of doing him and the team an injustice and, therefore, to undertake a thorough investigation of the case at the earliest possible date.

"We also wish to add that we have recently received evidence tending to show that four members of the Wisconsin team, Moll, Mackmiller, Tandberg and Hoefel, are guilty of professionalism under the conference rules and we must require that the athletic authorities at Wisconsin immediately undertake a thorough investigation of these cases so that adequate notice can be made in the case of Mr. Pickering."

Wisconsin Silent.

MADISON, Wis., Nov. 10.—The athletic department of the University of Wisconsin refused to make any statement today when informed that the eligibility of several of the Wisconsin players would be questioned by Minnesota.

The Wisconsin authorities are said to have held a conference early in the evening with every member of the squad regarding the professional standing of each, and it is said the coaches thenceforth have not questioned their amateur rating.

Creighton Scrubs to Meet All Stars

In the absence of the Creighton eleven at Creighton field next Saturday the Varsity scrubs will clash with a crowd of warriors who formerly starred at the college during 1905-6 and 7.

During 1906-7, while representing the High school team at Creighton, they were heralded as the champions of Nebraska and Iowa in their classes. Lampher, who and Iowa in their classes. Lampher, who succeeded in making the Army eleven, and Jamieson of the Notre Dame squad, were former members of the team. The present roster contains several athletes who have shown in foot ball during the last two seasons. Chad's brilliant work earned him a position on the St. Louis university and Notre Dame eleven, and John Dougherty's punting ability secured him a place on the Dartmouth freshmen team. The tower of strength on the All-Star's line is expected of Driscoll, who bears an excellent reputation with one of the large eastern colleges.

The All-Star lineup is as follows: McCaffrey, right end; Maloney, right tackle; O'Brien, right guard; Smythe, center; Sullivan, left guard; O'Connor, left tackle; Kerue, quarterback; Kocher, right halfback; Coak, left halfback; Dougherty, fullback; substitutes; McShane, Carroll, Rugan, Corrigan, McMahon.

Hastings Deadlocks Over Game Officials

HASTINGS, Neb., Nov. 10.—(Special Telegram.)—Owing to a deadlock over the selection of officials the Hastings college team may not go to Lincoln Friday for the deciding championship foot ball game with Wesleyan. Hastings insists on having officials who have served in some college or university game this year, leaving the choice to Wesleyan, but Wesleyan refuses to agree to these terms.

Johnson, Craven and Marvel of the Hastings team are recovering from disabilities and may not be able to play before next week.

Only Touchdown of Yale-Brown Game Made by Walter Camp, Jr.

INTERNATIONAL NEWS SERVICE

The only touchdown of the Yale-Brown game is depicted in this photograph, which shows young Walter Camp tumbling over Brown's line between the goal posts. Camp is one of the revelations of the 1911 season. In the Brown game he ripped the opposing line time and again and put up an exhibition of punting and defensive work that has seldom been duplicated in recent years. On this play he

bored through the Brown forwards for a five-yard gain to attain his goal. The Brown line was torn and rent asunder by the plunge of the husky Eli, and a half-dozen players are seen sprawled out on the gridiron. Besides Camp's touchdown, Yale scored ten more points, all made by the toe of Captain Arthur Howé, who booted three perfect field goals and also hoisted the goal after Camp's touchdown, making the tally 15 to 0 in favor of the New Havenites and giving them their hard-earned revenge for the defeat handed out by Sprackling and his Brunonians a year before.

HAVELOCK MEN MOB HELLER

GUY BUCKLES GETS A BLOW

Acting as Second for Bob Heller in Mill with Henry Peters When Quick Window Closes Trouble.

LINCOLN, Nov. 10.—(Special Telegram.)—Bob Heller of Avoca, Ia., knocked out Henry Peters of Havelock last night in the second round of a sparring match held in Union hall at Havelock. Heller had the better of the fight from start to finish, although Peters put up a game fight.

In the second round Heller landed with a right hook to the jaw and put Peters out. Peters was not counted, but was up longer than time, and the match was awarded to Heller. The fighting was clean, but the actions of some of the supporters of Peters did not meet with the approval of the Lincoln sports who were present. When Peters was knocked out a number of Havelock men jumped into the ring and for a time it looked as if Heller and his seconds would be mobbed.

"Don't do this, gentlemen, you're spoiling our show," said the manager of the fight. Nevertheless Buckles, second for Heller, was struck a blow by one enthusiastic Peters supporter and it was with difficulty that Heller was gotten out of the ring to his dressing room. For a few seconds serious trouble seemed on, but the escape of Heller ended the trouble.

Previous to the match of the evening two preliminary events were staged. Eddie Rogers of Havelock knocked out the "Nebraska Terror" of Omaha in the third round of a so subtitled at four rounds. Jackson and Clark, both of Havelock, fought a six-round preliminary to a draw.

Haller to Represent Cornhusker Club at Michigan Game

ANN ARBOR, Mich., Nov. 10.—(Special.)—As the result of a drawing held last night by the members of the Cornhusker club, composed of the Nebraska students at the University of Michigan, Louis P. Haller of Omaha will be the representative of the club at the Nebraska-Michigan game at Lincoln on November 20.

The Nebraska students, each of whom is mightily interested in having the university of his choice make a good showing against the Nebraska team, realized that a trip of such length was not possible for any one of them and so conceived the idea of slugging together to send one representative. The plans for the drawing were in the hands of a committee headed by Bruce J. Miles of Fremont and Haller was the lucky man.

The club's representative has taken a prominent part in the life of the university and will make a most acceptable representative at the big game and at the Michigan banquet which is to follow it. At the banquet Haller will respond to a toast.

My Father Was a Substitute

By WILLIAM F. KIRK. (The Latest Foot Ball Ballad; Every Line a Moan.)

The foot ball game was over and the crowd was going home. Picking their way most gingerly across the frozen loam.

Here an ear and there a cheek, Here a scalp and there a beak, Yonder several tresses from a gallant half-back's dome. Them scenes so brutal cut me like a knife! I never seen such carnage in my life!

(MINOR.) A dying tackle raised his head as we were passing by; Said he, "I am a tackle and am not afraid to die." And just before he breathed his last on that eventful day, These queer words, these clear words, these here words he did say:

My father was a substitute, he always had good luck; And when it came to battle, father always passed the buck. He subbed four years at Princeton, and never made a kick; Each time a coach approached him father murmured "I am sick." I know I'm dying, people, but I'd not be lying here If I had been a substitute, the same as father, dear!

Bread Cast Upon Waters Returns to Convict in Utah

SALT LAKE CITY, Utah, Nov. 10.—Bread, in the shape of a \$100 loan and a gift of two theater tickets cast upon the waters in San Francisco two years ago, has returned to Albert D. Walk, now serving two years in a Utah prison for obtaining money under false pretenses, in the shape of a pardon.

Walk met B. H. Brainerd, formerly an Illinois sheriff, on a train enroute to San Francisco two years ago. Brainerd's first business venture failed and he found himself without money and greatly discouraged. Walk accidentally learned of Brainerd's misfortunes, loaned him \$100 and sent Brainerd and his wife to the theater to cheer them up.

When Brainerd, who had prospered in the insurance business, heard last September that Walk was serving a sentence in Utah, he appeared before the Utah Board of Pardons and made an earnest plea for his former benefactor. He promised to give him employment as a good salary.

The board notified Walk today that he will be released in custody of Brainerd, provided he agrees to repay the money wrongfully obtained and reimburse the state for the money expended in extraditing him from Pennsylvania.

FRESHMEN HOLD REGULARS

Cornhuskers Have Difficult Time Advancing Ball.

STIEHM PROMISES BIG SHAKEUP

Unless Conditions Change, Likelihood that Lineup May Look Unfamiliar—Eleven Will Leave Tonight.

(From a Staff Correspondent.)

LINCOLN, Nov. 10.—(Special Telegram.)—On the eve of their departure for Jayhawkerdom the practice of the Cornhuskers at the state farm Wednesday night was disappointing. Three times straight the freshmen line held firm and the regulars were unable to make the necessary ten yards to score.

Stiehm gave the varsity the ball nine times on the freshmen ten-yard line, but in all nine attempts the regulars were unable to lug the ball the remaining nine yards. The scrimmage was the longest and hardest of the season, Stiehm kept in the regulars going until late in the evening.

The lineup of the varsity today promised several shakeups in the Kansas game. Swanson and Anderson playing the guards in place of Parson and Hornberger, while Elliott was stationed at center. The halfback situation also looks like a Chinese puzzle, with Purdy and O. Frank playing the hat and with the stellar little E. Frank apparently held in reserve to sub as quarter.

The team will leave tomorrow night at 10 o'clock over the Missouri Pacific for Kansas City, to remain there until Saturday morning, when they will go to Lawrence, but a short distance away. The Innocents have arranged for a big torchlight procession Thursday night, and will give the team a rousing sendoff. The same squad which went to Anna will make the trip to Lawrence, and includes the following players: Captain Shonka, Harmon, Hornberger, Parson, Elliott, Chauner, Lofgren, O. E. Frank, Purdy, Gibson, Warner, Potter, Russell, Haeceley, Anderson, Swanson, Stelk, McKee and Mulligan.

NATURE'S CURE FOR CHRONIC ULCERS

Only by removing the cause can any chronic Ulcer or Old Sore be cured. No one will question the truthfulness of this statement. The cause is always from an inward source, never an outward influence, and therefore the only possible way to get rid of these places is to take internal treatment. Pure blood is the one unfailing cure for chronic ulcers; just as long as the circulation is allowed to remain in an impure condition the place will be kept open from the constant discharge of impurities into it from the blood. But pure blood will change this condition and the flesh tissues will be nourished and made healthy, and then nature will promptly and permanently heal the ulcer. S. S. S. is recognized as the greatest of all blood purifiers and therein lies its power to cure old ulcers and sores. It goes into the circulation, and removes every trace of impurity or infectious matter, and so enriches this vital fluid that it nourishes all flesh tissues instead of irritating them with impurities. When S. S. S. has cleansed the blood and the place has healed over it is not a surface cure, but the ulcer is filled in with healthy flesh from the bottom. Free book and any medical advice will be sent to all sufferers who will write us. S. S. S. is for sale at drug stores.
