OPEN ATTACK STARTS GAME

Warner Will Start at Quarter, Elliott at Center—Much Hoped for from Gibson's Boot to Offend Delaney.

KANSAS CITY, Mo., Nov. 17.—(Special Telegram.)—The Nebraska football team is confident of winning from Kansas at Lawrence tomorrow, but nothing like the feeling of assurance that was evident at Ames before the battle with the Aggies, is noticeable here, tonight, where the Cornhuskers will be quartered until morning.

Coach Stiehm will not say whether he expects a victory or not. The men, themselves, declare they will win, but they also assert they will have to fight hard to do so.

Supporters of the Kansas eleven are sure that the Cornhuskers will find the Jayhawkers better prepared for this battle than for any previous contest of the fall.

Since the defeat at the hands of Oklahoma last week, the Kansas coaches have called upon several grads to aid in forming a machine for this struggle with Nebraska, and the result of this work has been to make the Jayhawkers fully 50 per cent more powerful than they were last Saturday.

Heavier Back Field. Coach Stiehm has decided that his backfield has been too light in the last games and he will endeavor to make it heavier and stronger through the playing of Purdy at right half. Purdy has been stationed at fullback before, Gibson will go in at full and Owen Frank will play left half.

Warner will start the game at quarter, Elliott will be played at center. Hornberger will not start the game.

With Gibson in the lineup the Nebraska coach figures that the Kansas team will have no advantage in the blocking department of the game. Delaney, the famous punter of the Lawrence eleven, has been doing wonderful work this week, but it is believed Gibson will be his equal. The Nebraska fullback has been shooting the ball for fifty and sixty yards on many of the plays.

In addition to Gibson the coach will use the boot of Owen Frank, who also is doing more accurate and greater distance kicking than at any other time this year.

Will Play Open Ball. With these two kickers Nebraska will be able to resort to the loose ball and open attack game.

It will be the aim of the Cornhusker coach to have his players get the jump on the Kansas eleven and score early. To this end every play of the open style variety will be used at the start and then, in case a comfortable lead is established, the cover will be put on the tricks, which will be reserved for Michigan. The Wolverines will have scouts at the game and the Cornhuskers will try to cover

GRAND ISLAND TIES KEARNEY

Two Fast High School Teams Play 0-0 Game.

KEARNEY IN DANGER ONCE

Grand Island Marching to Goal Line with Rapid Strides, but Fumbles Save the Day.

KEARNEY, Neb., Nov. 17.—(Special Telegram.)—In the fastest high school football game played on the local field in years, Grand Island High school succeeded in holding the Kearney High school to a tie score, 0 to 0.

Grand Island kicked off to Kearney, and Wallace of Kearney, carried the ball to the forty-yard line. Grand Island held and Kearney was forced to kick. Wallace punted the ball sixty-five yards, the longest punt seen on the local field. During the second and third quarters, the teams saw-sawed back and forth across the field, neither seeming to have any advantage. Kearney's goal was in danger of a touchdown only once, while the Kearney boys succeeded in getting the ball inside Grand Island's ten-yard line twice.

Cosh of Grand Island, who scored a drop on Kearney when they played at Grand Island, tried five drop-kicks, but four of them were blocked and one went wide. Wallace of Kearney tried four place-kicks, two of which were blocked, and the other two went wild.

In the last quarter of the game, Grand Island was entirely on the defensive, being forced to punt in order to save their goal several times. In this quarter, Kearney succeeded in making gains through Grand Island's line. Proctor of Kearney carrying the ball fifteen and twenty yards on line smashes, and fumbles alone saved Grand Island.

The Grand Island team was accompanied by about forty rooters and the rooting on both sides was extremely spirited. Individual plays were lacking, both teams playing a consistent game. Many punts were exchanged, with honors about even. Few forward passes were worked, each team, however, succeeded in making a few spectacular passes.

The lineups: KEARNEY: GRAND ISLAND. Lucas, H.E., R.E., Nagel, Littlefield, R.T., R.T., Rooney, Samp, R.G., R.G., Burk, Brown, J.W., C.C., Stevens, Carroll, L.E., L.E., Gerspacher, J. Davis, L.T., L.V., Menck, W. Adams, L.E., L.E., Buecher, Proctor, L.H., R.H., Miller, Cosh, Lambert, L.H., L.L., Dahlstrom, Wallace, F.P., Miller, Hyek, Lintz, Davis, L.H., Q., Slink

Iowa City Packed With Rooters for Ames and Varsity

IOWA CITY, Ia., Nov. 17.—(Special.)—With every hotel crowded, with fraternal houses packed from cellar to garret and every available accommodation taken, while many alumni, Ames supporters and visitors come on every train, Iowa City is tonight awaiting what promises to be the greatest battle of the year in the state. Tonight's mass meeting saw the spirit and enthusiasm of the Iowa student body aroused to the highest pitch ever reached. Over 2,000 rooters crowded the big auditorium to its capacity and many crowded into the halls, where they could hear only the sound of the yells and songs.

For the first time in the history of contests here the ticket scalping evil has made its appearance. Speculators have got hold of several blocks of the best seats and are holding them for double prices, with every indication of being able to get them when the rush comes in Saturday morning. Without doubt the greatest crowd ever on Iowa field will pass through the gates tomorrow.

The Iowa team put in its last practice (this afternoon, and this consisted merely of light signal work. No scrimmage has been attempted since Tuesday evening. Hawley fearing injuries to his men on the frozen ground. The work this evening was merely lumbering-up exercise, and the men were taken for a short trip up the river as a means of getting them away from the excitement in town. They were not allowed to attend the mass meeting tonight for the same reason.

The Iowa team will line up exactly as it did at Purdue. Curry, the dazzling little quarter, may be sent in late in the game, as he is very anxious to play and can be depended upon to cut a few circles around the Ames ends as long as he lasts. With him in the game Iowa students would offer odds on the chances of the team, but without him they are afraid that the Aggie defense will be too strong. O'Brien's toe is the chief reliance here for scores, and "Fat" has been doing nobly this week in practice. He, with Alexander and Murphy, will be playing the third year against Ames, and all three are anxious to make it an unbroken string of victories.

At Fischer, the best yell-master ever at Iowa, is expected to arrive from Syracuse, N. Y., tomorrow to lead the Iowa cheering section.

SUNSHINE SOCIETY IS COLLECTING OLD GARMENTS

The Omaha women who are interested in the work of the Nebraska Sunshine society are having garments, food and other donations for shut-ins of the state at the Townsend Gun company store, where they will be collected Tuesday and sent to Mrs. Anna Moore at Maxwell, Neb., president of the society. Mrs. Moore was recently in Omaha at the teachers' convention.

HIGH SCHOOL GRIDIRON CONTEST IS POSTPONED

Stormy weather has caused postponement of the Council Bluffs-Omaha high school game which was scheduled to be played tomorrow afternoon. The game will be played on Saturday, November 22.

"Beat Nebraska," is Slogan at Lawrence

LAWRENCE, Kan., Nov. 17.—"Beat Nebraska, even if it costs the game with Missouri!" That is the word that has gone out to the members of the Kansas university football squad if every man has to be carried off the field in tomorrow's game there will be no stop in the Kansas' camp in their effort to impress upon the northerners the fact that they are not playing with a "small college" team, an idea which seems to have been gathered by the Nebraskaans since Minnesota and Michigan have been placed on their schedule.

It is known that Nebraska is coming for the game keyed up to the limit and will put forth the best that is in the team in the battle which is to decide the Missouri valley championship.

Will Be a Lively Day at

Hayden's Big Clothing Department

There's ample time to "Fix up" for Thanksgiving day—but none too soon if you want the cream of the proposition we have to offer tomorrow.

If every man interested in ready-to-wear clothes actually knew of the surpassing values to be found here, we would be doing all the clothing business of this good city, and we're doing a lot of it as it is.

Here's the proposition: We've just secured from

Hart, Schaffner & Marx

four hundred suits and as many Overcoats. The twenty-five dollar kind we place on sale tomorrow at

\$20.00

The season's latest creations—English sacks, shapemakers' sacks, and standard sacks—the new Scotchies, in brown, kingfisher blue, the Heather Bell Trios and fancy worsteds.

Overcoats—models are raglan, full box, great coats, single or double breasted, belted or without, 46, 48 and 50 inches long. "Duplex" convertible collars, full lined and fancy back fabrics—rainproofed. You never saw a more complete assortment of the new shadings in plain and the new "ruff" cloths assembled for your choosing—many of them exclusive—and the conservative black, brown and oxford kerseys—some of them silk lined throughout. To offer no better than is to be had elsewhere would not entitle us to your preference—but our clothes have stood the test in every essential—in fit, fabric and style they excel. In other words, they have "made good" and in these days of hustling competition whether applied to man or merchandise, both must "make good" or make way.

The man or young man, with less than \$20.00 to spend better look into the merits of the Hayden "Wonder" clothes at \$14.50—suits and overcoats—everything that's new. If you take the time for our salesman to show you through this wonderful line you'll not be disappointed. Every Hayden "Wonder" suit or overcoat that leaves our store makes a life-long customer. They're hand tailored and the price \$14.50. Why pay \$18.00?

See that the boy is provided for—our boys' clothing proposition is equally good as our men's. Saturday on the second floor we offer all wool two-pant boys' suits at \$3.95, worth \$6.00. Boys' fine warm, comfortable overcoats at \$3.95, worth \$6.00, ages 6 to 17.

We offer 200 boys' Knicker suits in our domestic room Saturday at \$1.95, worth \$3.50—all sizes.
