

# Furs at Brandeis Stores Are Absolutely Reliable

Women of Omaha and vicinity who buy furs, expecting the service of several seasons, invariably come to Brandeis Stores because of our established reputation as sellers of furs of dependable character. Hundreds of women are capable judges of fabrics, but not one in each hundred has sufficient knowledge of furs to safely trust her individual judgment. A woman must place her confidence in the integrity of the house where she buys her furs.

Every fur coat or set that enters or leaves this house must be up to Brandeis standard of dependability.

Brandeis reputation stands Sponsor for Brandeis furs.

The style character of every fur coat or set in Brandeis Stores is strictly authentic in every detail.
