## Suffragettes Plan War on Parliament Surpassing Others

LONDON, Nov. 20.—The suffragettes are preparing to renew their attacks on Parliament with a battle tomorrow night, which will surpass all previous campaigns. A few days ago a delegation of suffragettes interviewed Premier Asquith to obtain a pledge that the government would undertake to pass a bill giving equal suffrage to both sexes. Premier Asquith declined to make such a pledge, but told the women instead that he had always been opposed to woman suffrage.

### You Busy Business Men...

Time is money with you. You cannot afford to waste it. Every hour spent with some fussy tailor, trying to make some garment fit you, is lost. This store offers you, ready for instant service, the kind of garments your favorite tailor makes. Its buyer selects fabrics with rare good judgment and the garments are not bought by the "hundreds of a kind." We do not "uniform the town." Our styles and patterns are very exclusive and the saving in time by our method is only exceeded by the saving in money by our prices.

## WHY NOT BEGIN LIFE ANEW?

Wouldn't you like to begin over again with a new and perfect and energetic stomach? Every body would, because we know that we only last as long as our stomachs last. A few years ago we could not begin over a stomach. Those who have learned the new method of Spruce-Pepsin Tablets to the old method of drugs and paralyzing this most important part of us—the stomach, seems a barbarous and almost unbearable. Science is always doing wonderful things for us and when news of this last and most wonderful and helpful discovery ever made has been spread throughout the land, this will be a nation of rejoicing instead of a nation of dyspeptics.
