

Boys' Overcoats

Overcoats made carefully and well of the finest fabrics money can buy—coats the boy can wear this season, and next, and always look well dressed.

Experience has proved to us that coats made to sell for less than our prices lack the style, material and workmanship of our coats—a dollar difference at first, makes a coat from here an investment instead of an expense.

Bring the boy in tomorrow and let us help you to select one of these handsome brown or gray coats for him—he will be as pleased over a good looking coat as you are.

Theodore Stanisics Hangs Himself in City Jail in Lincoln

(From a Staff Correspondent.)
LINCOLN, Nov. 23.—(Special Telegram.)—Theodore Stanisics, who was brought to this city early this morning to face the commencement of a penitentiary sentence for conviction on the charge of arson, hanged himself in the city jail shortly after noon today.

Stanisics was convicted for setting Hoy Wilcram to burn his house here more than a year ago. Both had agreed as to division of the insurance money. He was located at Ulia, N. Y., a few weeks ago, and following the cancellation of a \$3,000 bond in the district court here was returned here to meet the appeal of his case in the supreme court.

He was worth \$10,000. The house for destruction of which he was convicted was blown up with gasoline in an attempt to fire it over a year ago, and Roy Williams actually committed the deed, was found half dead with burns on a farm near here a week later.

Stanisics was placed in a cell with another prisoner, who went to sleep and was only awakened by the attempts of the officers to break in the cell door. Stanisics attempted to commit suicide with cyanide of potassium in Ulia, N. Y., before being brought back and a loaded revolver was taken from him here.

His conviction resulted in a nervous breakdown. He fled from Lincoln in the latter part of August and was apprehended two weeks ago. On being brought back this morning he stated that he had paid \$60,000 to police officials, lawyers and others to escape conviction and imprisonment.

LAWSUIT OVER RIGHT TO OWN AUTOMOBILE
BEATRICE, Neb., Nov. 23.—(Special.)—The replevin case of Anna E. Hoerr against Sheriff J. L. Schiek, in which she is attempting to recover possession of an automobile attached to the state by an auctioneer last winter, soon after the Beattie, Kan., bank robbery, and which is supposed to have been used by the robbers in making their escape, was tried in the district court yesterday and went to the jury early this morning.

The National Surety company, it appears, had insured the Beattie bank against robbery, and the automobile in question was found in the hands of Alex. Menard, a farmer, near Wymore. The company began proceedings to have the car attached as the property of the year.

Menard, who is said to be the possessor of the car, was brought to Beatrice, and on February 2, 1911, the court ordered the car sold under the attachment. On that date Mrs. Hoerr of Wymore filed suit for replevin, claiming that the car belonged to her and that she had purchased it of Clyde Crawford, who it is said, is serving time in the Illinois penitentiary for bank robbery. He was arrested in the western part of the state last spring.

On March 3 of this year the National Surety company filed a petition in intervention in this case and is really the defendant instead of the sheriff.

The jury found for the defendant, the National Surety company. Mrs. Hoerr's husband is in the penitentiary in Kansas serving time for bank robbery.

GOLDSBERRY ON WITNESS STAND IN HIS OWN BEHALF
(From a Staff Correspondent.)
LINCOLN, Neb., Nov. 23.—(Special Telegram.)—Mel Goldsberry, who is being tried in the district court here on the charge of embossing nearly \$1,000 from an unoppressed Kansas City girl whom he is alleged to have promised to marry, appeared on the stand today in his own behalf, and after admitting that he had had the money in question in his possession, declared that he had paid it all back to a woman whom he later married.

He strenuously denied that he had ever advised Lillian Casey, the woman in the case, to sell her South Dakota land and make investments in Kansas City realty. He maintained also that he had never been engaged to Miss Casey, although he admitted that the two had frequently talked of marriage.

The conclusion of the case, it is expected, will be reached within a short time. After disposition is made of the charge, Goldsberry will be taken before the federal court here to answer in the charge of using the mails to defraud.

SMOY ON STAND FOR KELLY

Friend of Council Bluffs Doctor Tells of His Condition.

SUIT AGAINST COUNTY BOARD

Greater Des Moines Committee Seeks to Prevent Expansion of School District by Enjoining Tax Collection.

(From a Staff Correspondent.)
DES MOINES, Ia., Nov. 23.—(Special Telegram.)—The mother and brother of Dr. Harry Kelly of Council Bluffs appeared in court today to attend the trial of SMOY for murder. The state concluded its testimony late in the day. Two policemen, a bartender and two porters related what they knew of the case, also a hotel clerk and newspaper reporter. None of them added anything new to the case.

The first witness for the defense was Sergeant Short of the police department of Council Bluffs, who was Kelly's close friend, and he related an incident a few days before Kelly was committed to the asylum, when Kelly was brought to the police station a raving maniac and was evidently under the influence of "dope" and threatened to kill his own father. Short's testimony was not concluded.

County Board Sued.
The county officials were today served with notice of a suit commenced in district court by members of the Greater Des Moines committee to put a stop to the expansion of the school district by enjoining the collection of taxes for this year amounting to \$106,000. This is levied for the building fund and the committee claims it is illegal. The committee has been making a fight on the school board for some time and has especially opposed the expenditure for a new East High school building. It is the contention of the Greater Des Moines committee that the levy is illegal because it was not approved by a vote of the people as required by the Iowa law. A temporary injunction is asked pending a hearing and that the enjoining order then be made permanent.

Gray Fatally Hurt.
G. S. Gray of Sioux City was struck by an automobile this evening on a business street and injured so he will die. He formerly lived in Des Moines and is now head of a manufacturing company in Sioux City. The motor belonged to Krauth Witmer, an insurance man, and was driven by Reuben Larson, but Witmer claims the auto did not strike the man.

Stolen Pig Grows to Be Hog, but Owner Recognizes Animal
WEBSTER CITY, Ia., Nov. 23.—(Special.)—Because H. L. Thompson, ex-sheriff of Hamilton county, never forgets a face—whether it belongs to a man or a pig—he is today the possessor of a big fat porker worth a good many dollars which was stolen last August from his farm north of this city. The occurrence is a most remarkable one.

Last August Mr. Thompson was out at the farm looking over his fine herd of pigs. He noticed that one was missing and made a thorough search of the place for it, but to no purpose. The other day he went to the country to buy a calf. While talking with the farmer, Mr. Thompson's eye lit on his long lost pig—now grown to be a large, fat and very respectable hog. He inquired where the man bought the hog and was told he got it from a neighbor. Thompson called on this neighbor forthwith and the man confessed to having stolen the hog three months ago.

Thompson recovered his lost piggish and the thief reimbursed the man to whom he had sold the animal.

Woman Accused in Black Hand Case
CEDAR RAPIDS, Ia., Nov. 23.—(Special Telegram.)—Henry Phillips, a Blackhawk county farmer, living near Reinbeck, was fatally shot in a quarrel with McCashill, a sewing machine agent of Waterloo, last night. The murderer says the crime was committed in self-defense, but evidence indicates it was a deliberate murder. The deceased was 61 years old and leaves six sons and five daughters. He has lived in this county thirty years. The crime was witnessed by two children.

PORTUGUESE MONARCHISTS DRIVEN ACROSS BORDER
LIRBON, Portugal (Via Frontier), Nov. 23.—(Special Telegram.)—A small group of monarchists, believed to be the vanguard of the main body, had crossed the frontier and tried to capture the town, but was repulsed by republican troops sent from Chaves.

It is declared that the duke of Oporto, uncle of former King Manuel, is to take supreme command of the monarchist forces and that he will be accompanied by the two princes, Miguel of Braganza, the pretender to the throne, and his son.

DEATH RECORD.

HRADSHAW, Neb., Nov. 23.—(Special.)—The funeral of George French, who died at the Soldiers' and Sailors' home at Grand Island, early yesterday morning, was held from the Methodist church at this place Wednesday afternoon at 2 o'clock. The pastor, Rev. A. G. Foreman, officiating. The pallbearers were civil war veterans. The deceased was a member of the Thirty-seventh regiment of Illinois Infantry, and was the color bearer at the battle of Pea Ridge, Ark., and was slightly wounded.

Beattie's Spiritual Adviser Believes He Will Confess

RICHMOND, Va., Nov. 23.—(Special.)—Henry Clay Beattie, Jr., awoke at the usual time this morning on what, by law, was the last day of his life. Tomorrow, shortly after day-break he will, in the electric chair, expiate the murder of his young wife. There were no signs of a break down this morning. The prisoner dressing with the same care that he has taken ever since he entered the state penitentiary and the death cell.

Rev. John J. Fix put in an appearance early and probably will remain with Beattie during the day. The elder Beattie, Douglas Beattie, brother of the convicted man, and the attorneys who defended him in the trial joined the minister soon afterward.

Neither Beattie's relatives nor his spiritual advisers are of another opinion. They entertain the hope, amounting almost to conviction, that he will do so.

"If he is guilty, I feel reasonably certain he will acknowledge all," said Rev. Dr. Fix. "To go to his death with a lie on his lips would be sacrilege, and Beattie is at peace with his maker."

The fact remains, however, that through all the ordeal attending his trial and conviction, young Beattie has sought in every way to spare his aged father. The elder Beattie is said still to believe in the innocence of his son. It is a question whether the condemned man does not consider that he owes it to his father, to whom he has brought so much pain and so much disgrace, to go to his death with sealed lips.

BAR ASSOCIATION WILL MEET LAST OF DECEMBER
(From a Staff Correspondent.)
LINCOLN, Neb., Nov. 23.—(Special.)—The State Bar association will meet in this city December 28 and 29. This year's annual meeting will close with a banquet on the evening of the latter date. Chief speakers at the gathering will be John H. Atwood of Kansas City on "The State as a Rate Maker," Jesse L. Root on "The Other Side of the Shield" and Paul L. Martin of Omaha on "The Trained Lawyer."

A committee selected some time ago by the bar association will report at the meeting in regard to recommendations as to possible revision of the state criminal and civil codes. Such matters as receive the sanction and endorsement of the Bar association will afterward be submitted to the recodifying commission for incorporation in the report to the next session of the legislature.

EIGHT INCHES OF GROUND IS BASIS OF LAWSUIT
(From a Staff Correspondent.)
LINCOLN, Neb., Nov. 23.—(Special.)—From Douglas county J. G. Jacobs and W. M. Maul on one side and Fred L. Goodrich on the other, have brought a case to the state supreme court in which title to the possession of a strip of ground eight inches wide and thirty-two feet long is at stake. The plaintiffs in the matter set out that Goodrich in constructing a twelve-inch wall for a dwelling addition to his building on Farming street, Omaha, had placed a part of the wall on their property. Old party wall agreements and line fences figure in the legal controversy to a considerable extent.

COURSE IN MATRIMONY IN LOS ANGELES SCHOOL
(From a Staff Correspondent.)
LOS ANGELES, Cal., Nov. 23.—(Special.)—A course in matrimony is included in the curriculum at the Gardens Agricultural High school. While partly hidden under the name of "household economics," five classes of girls daily receive a course of examination in the care of babies, mothercraft and domestic economy. Boys will be given a somewhat similar course beginning next year. The girls are taught such plebeian matters as how plumbers are supposed to do their work and are shown in cash just how much plumbers should be paid.
