Michigan Coach Fears Wolverines Cannot Take Contest.

BOTH TEAMS HAVE PRACTICE

Racey and Swanson Both Likely to Be Out of the Game—Three Officials Are Definitely Selected.

LINCOLN, Neb., Nov. 24.—Michigan's foot ball team, twenty-three strong, arrived in Lincoln early this morning. Coach Tost expressed himself as far from optimistic concerning tomorrow's game. "There is no chance to get a line on teams through play," he said, "but we are told that Nebraska has a strong eleven and in good shape, while we are crippled. Wells is on crutches and cannot stand on his foot at all. Smith will play his half. Pontius may be used at end for part of the game. I will feel much better tomorrow night if we have a victory."

Lincoln has been decorated with Michigan and Nebraska colors impartially. They drap the buildings, fill the store windows, swing from the wires of the street car system. Special trains filled with Michigan and Nebraska alumni began to arrive this evening and it is expected that 4,000 out-of-town people will be in attendance.

Light Workouts the Order.
Only light workouts were indulged in by the rival teams Friday afternoon before the big Nebraska-Michigan game on the athletic field. The Cornhuskers held a spirited signal practice and after thirty minutes of bush work Steinhorn called a halt and sent his men out for a short rest before going to the gymnasium.

"Hurry Up" Tost took his squad to the turf at the Country club, where there was no danger of spies, and ran through formations for forty-five minutes. He seemed entirely pleased with the work upon his return.

Tost continued to cling to bear stories regarding the condition of the Wolverines. He would venture no prediction as to the outcome of the game, stating that there was no possible way of getting a line on the relative strength of the two eleven. He said that he believed the Wolverines would have an exceedingly stiff battle and that his squad was in poor condition for a grueling game.

Two Men Missing.
In the best physical condition of the season, with the exception of Racey and Swanson, there is no reason why the Cornhuskers should not do the best work of the season against the Wolverines. Racey is still troubled with a badly twisted leg, while it is extremely unlikely if Swanson can get into the game with an injured knee bothering him considerably. Swanson's showing in the Kansas game was most pleasing, and in all probability he would have been used during the first half at least had he been in shape to enter the game. Hornberger probably will replace Swanson.

The back field line is still a puzzle to Cornhusker rooters, although it now seems probable that Ernie and Owen Frank will play at halfback and Gibson at full.

Coach Steinhorn declared that he would not be content with holding Michigan to a low score at the rally held, Friday morning, in Memorial hall. The biggest crowd in years jammed into the auditorium and standing room was at a premium. He said that the Cornhuskers were in to win and he liked the outlook.

Other foot ball stars in the faculty and members of the team spoke at the rally.

Great Crowd to Assemble.
With a prospect of clear and warmer weather for Saturday, the advance advance of seats for the game has been entirely

HOW TO TREM OLD SORES

The proper way—the only successful way—to treat an old sore is to destroy its source. Not by dangerous surgical operations or irritating "drawing" plasters, but by Nature's true method of purifying the blood and filling the circulation with rich nourishing properties; then the cure will be natural and lasting. satisfactory and there will be few vacant places in any of the stands. It is believed that by far the biggest foot ball crowd in the history of the school will assemble to see the game.

There is still some dispute over officials, although three have been definitely selected, as follows:

Umpire—Hinkey of Yale.

Field Judge—Eckersall of Chicago.

Head Linesman—Ver Wiebe of Harvard. The downtown streets are dressed in crimson attire for the reception of the visitors Saturday. Pennants were strung overhead on wire on all of the principal streets and the Michigan headquarters at the Lindell hotel were draped in maize and blue colors.

What little betting is reported is on the comparative score and even money is being taken that Michigan will not defeat Nebraska by as large a score as Minnesota pilled up.

The probable lineup follows:

NEBRASKA. MICHIGAN.

Shonka.....L.T.Quina

ANN ARBOR, Mich., Nov. 24. (Special Telegram.)—Their spirits were a bit downcast by the fact that, after a day of alternating hope and fear, "Bottles" Thompson was not to make the trip with them, and yet very hopeful of lowering the colors of the Missouri valley champions, twenty members of the varsity foot ball squad boarded the Wolverine on the Michigan Central at 9:30 yesterday morning for Lincoln, Neb.

Wednesday night Fulback, Thompson, probably Michigan's most aggressive player of the year, who was kept out of the Pennsylvania game by the death of his brother, returned to the university town. No sooner had the news spread over the little town than the spirits of the faithful began to rise by leaps and bounds. But this morning when the team assembled at the station "Bottles" was not among those present and it became certain then that the big fullback had placed the wishes of his mother, that he remain out of the game for the rest of the year, above the desires of the athletic authorities.

Annual Headquarters.

LINCOLN, Neb., Nov. 24. (Special)—The University of Nebraska Alumni association will establish headquarters at the Lincoln hotel to extend the glad hand to former graduates of the institution who are expected to attend the Michigan-Nebraska foot ball game tomorrow afternoon. Officials of the association are expecting large numbers of former school men and women from over the state. The purpose of establishing a headquarters is not only to welcome those who arrive, but to dispense information that will make their stay in Lincoln more pleasant.

Members of Team Are Presented with Blankets at Mass Meeting.

CRETE, Neb., Nov. 24. (Special)—Only the darkness stopped the fierce scrimmage that the Varsity and Scrubs went through Thursday evening at Doane, and since this was the last practice before the big game, much ginger was shown by the fellows. The Scrubs lined up on the defensive consisted of thirteen men, including a couple of Varsity subs, but this made no difference in the speed with which Coach Johnson's touchdown machine reeled off the scores. The team is an entirely different kind of aggregation than it was last Monday, and they have been working as they had never before worked this season to prepare themselves for administering a defeat to Bellevue. Every one at Doane feels confident that the Tigers will be victorious.

Friday evening a large mass meeting was held, and the surprise for the team proved off. It consisted of new Doane blankets for the Varsity squad, and they will make their appearance with these at the game. The special train is assured now, and at 8:30 Saturday morning about 100 Doaneites will start out, all tagged "Bellevue or Bust." In the last ten years Doane has won six times from Bellevue, tied one and lost three.
