

Nebraska GOVERNOR PARDONS INDIAN

Louis Priest, Sentenced to Two Years for Treating Friend.

UNABLE TO SPEAK ENGLISH

Pardon Board Took View Man Could Not Comprehend Laws of State and Merely Copied White Men's Acts.

(From a Staff Correspondent.) LINCOLN, Nov. 25.—(Special.)—Louis Priest, an Indian of the Winnebago Indian reservation in Thurston county, who was sentenced to the charge of treating another Indian to liquor, was pardoned today by Governor Aldrich.

The pardon was issued on recommendation of Judge G. T. Graves, the trial judge, and E. G. Magel of the Board of Pardons.

Information was given the governor indicating that Priest was unable to speak or write English and that he was unable to comprehend the laws of the state. He was white men treating each other to intoxicants and he was wrong in his doing the same with his Indian friends.

Priest was convicted under the law forbidding the sale or gift of liquors to Indians. He was not prosecuted under the general anti-treating law, which applies also to his white brothers.

Priest was sentenced May 4, 1910, and would have been released next January.

Catholic Students Meet

After deciding to hold its next annual convention at Ames, Ia., the Association of Catholic Students of America adjourned this morning. The convention had been in session here since Wednesday.

The officers elected were: Frank P. Goodman, ex-Minnesota, Fargo, N. D., president (re-elected); Miss Beatrice Johnson, Nebraska, of this city, vice president; E. C. Taff, Ames, secretary-treasurer.

Two other members who will constitute the executive committee together with the three officers were elected. They are: Irvyn M. Love, Boulder, Colo., and S. L. Barber, Madison, Wis.

The following resolution endorsing the peace treaties now pending between this country and England and France was passed.

Inasmuch as the citizens national committee have asked the Catholic students of America for an opinion on arbitration treaties with France, England and America, which are now up before the senate for ratification; be it resolved, that the Catholic students in convention assembled, believe that the doing away of war is one of the greatest services that can be rendered to mankind and we do hereby express the hearty cooperation and unanimous support in behalf of the arbitration between the countries mentioned.

The committee on the resolutions was made up of J. E. Gibney, Lincoln; J. Desmond, Champaign, Ill.; Frank Galagher, Minneapolis.

Johnson Settles Fine

Harold D. Johnson of University Place was this morning fined \$25 by Judge Munger of the federal court. Johnson pleaded guilty to the charge of sending a dunning communication through the mails on a postal card. He had underscored the words instructing the debtor to settle as per agreement. The fine was paid immediately.

To Test Trading Stamp Act

The anti-trading stamp act passed by the last legislature will probably be tested soon by quo warranto proceedings to be instituted by County Attorney Brode. Mr. Brode has been in consultation with Deputy Attorney General Ayres and E. J. Clements, the lawyer employed by a number of Lincoln retailers who oppose giving trading stamps.

The matter was brought to the attention of the district court on the demurrer of the defendant of the information in the case of the state against J. R. Burleigh. The latter was charged with having sold a package of topicals in which was a library slip issued by the Magazine and Book company, good in part payments for books or magazines. The giving of this slip was alleged to be in violation of the trading stamp law.

FORMER NEBRASKA MAN JOSHES STATE OFFICERS

(From a Staff Correspondent.) LINCOLN, Neb., Nov. 25.—(Special.)—H. L. Cook, secretary of the state fair board of Kansas, but formerly a member of the Nebraska board, thinks that the group picture of the officers of the Nebraska board should be recalled from circulation, his ground being that it would be for the benefit of the state.

Mr. Cook has written Secretary Mellor informing him that he saw the group picture of the Nebraska men in an eastern publication. The officers in the picture are President O. P. Henderson, First Vice President I. W. Hawes of Minden, Second Vice President Joe Roberts of Fremont, Treasurer George R. Dickman of Steward, Chairman C. H. Rudge of Lincoln, L. W. Leonard of Pawnee City, E. Z. Russell of Blair and J. A. Olla, Jr., of Ord. This is what Mr. Cook says of the picture:

"Here is a picture that I cut out of a magazine a few days ago. I wonder if this couldn't be stopped. If that picture keeps going around the country it is going to ruin Nebraska. Do you know that Dick looks as though he would hold up a train, and that man Hawes ought to be placed so he would take a side view instead of a front view, and those three fellows on the top row above me judge, they are all right outside of the picture, but by Jove I would issue an order that no more cameras should come on the grounds during fair week. And good old Henderson seemed to have a ray of light strike him at the time he was snapped that gives him a heavenly appearance equal to the 'divine' Sinter. The only redeeming feature is that since that Charley wears that never comes off. I can account for your appearance on account of the hay fever. If you have any way of calling this plate in, do it. I love the whole bunch or I wouldn't write so freely."

Girl Killed, Boy Injured. NEWTON, Ia., Nov. 25.—Layona Jents, aged 15, was killed, and her brother, a young lad, was badly injured in a runaway accident near Coftax last night. The young woman, her brother and a hired man were driving to a party, when the boy, who was driving, dropped the lines, causing the horses to run away. The girl jumped from the buggy, was thrown upon her head and broke her neck. While reaching for the reins the boy was thrown from the buggy and his head was crushed. He will live. The hired man remained in the vehicle and escaped unhurt.

Cornerstone of New Catholic Church at Hastings is Laid

HASTINGS, Neb., Nov. 25.—With impressive ritualistic ceremony the cornerstone was laid Wednesday, November 22, for St. Cecilia's Roman Catholic church, which is expected to be the finest church of this denomination in the Lincoln diocese. The ritual was conducted by Right Rev. J. Henry Thien, bishop of Lincoln, assisted by Rev. Father Fitzpatrick of Omaha and twenty priests of the see of Lincoln.

The church will cost complete about \$50,000 and probably it will be ready for dedication next July. It is strictly fire-proof throughout. The exterior facing is brown Persian tapestry brick, with white stone for all cornices, doors and window traceries. It will have a seating capacity of 1,000. In the interior all columns and pedestals will be white marble and mosaic floors will be laid in the smaller rooms. The design is Gothic throughout. By using heavy ironwork the architect has avoided using columns between the nave and the side aisles. In their place marble pendants will hang from above and from these will be suspended cluster electric lamps. The effect of both interior and exterior will be one of massiveness and beauty.

The iron work and most of the other manufactured materials used in the structure were made up in Hastings and the plans were drawn by a Hastings architect, C. W. Wax. The Hastings foundry supplied the iron. Heipel & Kealy of Hastings and Grand Island are the contractors.

BODY FOUND AT CHADRON IS STILL UNIDENTIFIED

CHADRON, Nov. 25.—(Special.)—Lying in the morgue at Chadron is the body of an unknown man, who committed suicide south of the Normal school grounds, in a canyon. He is 5 feet 7 inches high, weighs about 140 pounds, about 35 years old, light hair and complexion. A scar just below the left ear, evidently caused from a burn. Wore a blue serge suit, black hat, shoes No. 8. In his pockets were a Canadian railroad watch, Elgin make; \$2.25 in money, a nearly full box of cartridges, a Chicago & Northwestern railroad ticket from Chicago to Casper, Wyo., stamped in Chicago, November 20, 1911, and a card bearing a name and address in Chicago. The party has been telegraphed to, but knows nothing to help identify the man.

On his hand was a gold ring, with initials E. M. A. on outside and inside was "Misspah."

A tan colored suit case at railroad depot is thought to have belonged to the deceased, but contains only good clothing and toilet articles, neatly arranged. Not a word of writing or printing.

He held a revolver in his hand when found, having shot himself in the right temple.

Two Men Injured When Automobile Upset—Three Weddings Celebrated.

NEBRASKA CITY, Nov. 25.—(Special.)—Albert Keoppel and John Weiford were coming to town from the home of Herb Stillwell, eight miles northwest of the city, last evening, and when turning a sharp corner while going at a high rate of speed the car skidded and upset. Both men were thrown out. DeFord was pinned under the car and sustained a broken rib, while Keoppel was thrown into a nearby field and suffered a broken ankle. They were brought to their homes in this city last evening and given medical treatment.

May Burns Spontaneously. AUBURN, Neb., Nov. 25.—(Special.)—The barn of Robert Leeper, a farmer, residing four miles north of town, was completely destroyed by fire. He lost in the fire one horse, one cow and thirty tons of alfalfa hay. The fire was evidently of spontaneous origin, as it started in the hay loft, where Mr. Leeper had recently put in about twelve tons of alfalfa hay which was green.

Smallpox Epidemic at Gandy. GANDY, Neb., Nov. 25.—(Special.)—An epidemic of smallpox is visiting this community and has succeeded in capturing a large number of citizens as its victims. The spreading of the disease has progressed to such an extent that it was thought advisable to close the public schools for two weeks. Services are not being held in any of the churches and dances are not allowed to be held in Gandy.

Nebraska Central College Installs New President

CENTRAL CITY, Neb., Nov. 25.—(Special.)—The Rev. Stephen Stanton Myrick, formerly head master of Oldham Hall, an Anglo-Chinese boarding school for boys, Singapore, Straits Settlements, Asia, was Tuesday night inaugurated seventh president of Nebraska Central College, the flourishing Quaker institution located in the suburbs of Central City. The principal address of the occasion was delivered by the Rev. V. E. Sibley of the Chattanooga platform. Albert E. Hildesley, chairman of the Board of Trustees, extended his right hand in greeting to Mr. Myrick and conducted him to the vacant presidential chair, where he received his charge to the president.

At the close of the chairman's charge President Myrick arose and responded with his inaugural address. His theme was "The College and the Nation." The leading thought developed by the new president was a plea for cosmopolitanism. He especially arraigned the policy of excluding Chinese, and pointed out that the substitution of welcome instead of exclusion would contribute to the cause of world federation and international prosperity—financial, intellectual and social. One of the students in hymology provided an original hymn for the occasion. After the program the faculty tendered a public reception to President and Mrs. Myrick. The student body gave songs and college yells, adding zest to the good times.

Good, Josephine Wustrac recovered damages to the value of \$1,735.00 from Bert M. Hall. The case was an action for damages resulting in a false representation in an exchange of a farm in Merrick county for a block of land in David City, a stallion and some land in Missouri. The plaintiff asked for \$3,300, but the jury after being out about three hours, brought in a verdict for \$1,735.00.
