

CHRISTOFFERSEN RE-LATES MANY FACTS

Wonderful Results Were Accomplished in Very Short Time.

THE SYMPTOMS HAVE VANISHED

Haste and Worry of Unnatural Life of City Dwellers is Too Much for Most People.

That "Tona Vita," the new tonic that is now being introduced in Omaha by specialists, is a remarkable preparation...

Mr. Christoffersen said: "I have for some time past been suffering from indigestion and stomach trouble. There were times when I could eat nothing but liquid foods, and even this would form gas on my stomach and cause misery almost beyond endurance. I suffered from extreme spells of nervousness and dizziness and my sleep gave me no benefit for I would awaken continually during the night. I had headaches and was frequently constipated. In fact I was very badly run down."

"I tried many kinds of preparations but nothing seemed to relieve me of that nervous run-down condition. I had almost lost hope when I heard of this 'Tona Vita' and determined to test this new medicine. 'Tona Vita' has accomplished wonderful results and I now feel and act a number of years younger. I have been thoroughly benefited. I can certainly endorse this new medicine to my friends and sincerely hope it will do as much for them as it has for me."

Specialists have been sent here to explain the nature of "Tona Vita" to the public and are meeting callers from 9 a. m. to 6 p. m. at the Brandeis drug department, Sixteenth and Douglas streets, south side main floor. According to these specialists, many people living in the larger cities are afflicted with nervous debility.

One of the specialists said in this connection: "The haste and worry and unnatural life of city dwellers is too much of a strain on the constitution of most people and nervous debility is the result. This malady is not thoroughly understood by American people as yet, but it is a very common complaint and is usually referred to as 'run down.' When a man or woman doesn't know exactly what is the matter, but says 'I am all run down,' that means they have nervous debility. 'Tona Vita' is a certain relief from this trouble and will act on the mind as well as on the body. Any person afflicted with nervous debility is sure to be nervous, moody and depressed. It is remarkable to see how quickly the spirits and disposition improve after a few days' treatment. We have many callers here in Omaha who were so depressed in spirits when they came to see us that they had no hope of ever being well. A few days later, after taking 'Tona Vita,' they call and are like different people. It actually is hard to recognize some of them as cheerfulness changes the whole expression of the face. Relief from nervous debility is like being lifted out of a black gulf of despair into sunshine and happiness."—Adv.
