MOTHERS, DO YOU REALIZE THE IMPORTANCE OF PROPERLY TRAINING YOUR CHILDREN? JUSTICE TO YOUR FUTURE GENERATION DEMANDS THAT YOU TEACH YOUR CHILDREN TO BATTLE WITH THE DANGERS OF THIS WORLD.

NOT WITHSTANDING THE FACT THAT EACH YEAR THE AUTOMOBILE PLATTENS LARGE BUNDLES OF CHILDREN, STATISTICS SHOW THAT NINETY NINE PER CENT OF THE DEATHS IN AMERICA OCCUR IN BED. FOND PARENT, DOES THIS NOT SUGGEST SOMETHING TO YOU? DOES THIS NOT SHOW THE GREAT DANGER OF SLEEPING IN BEDS?

MOTHERS, IT IS YOUR DUTY TO START NOW TO TEACH YOUR OFF-SPRING TO SLEEP STANDING UP.

LINED UP FOR THE CONTEST

Omaha High to Meet Wendell Phillips Thanksgiving Day.

HARD BATTLE IS EXPECTED

Local Men in Good Condition and Coach Burnett Feels Certain that They Will Win the Game.

The Thanksgiving game between the Omaha High school and the Wendell Phillips High of Chicago, to be played in Omaha, promises to be the premier battle of the day.

The undertaking of bringing a team from Chicago is a stupendous one for a high school, the expense of the game being approximately \$750. Realizing this, and wishing to make the game a financial success, Omaha business men, through the Ad club, the Commercial club and the University club, have all adopted resolutions, endorsing this game and urging their members to attend.

Although Omaha is not laying claim to state championship honors, they are rated just as high by virtue of the overwhelming defeat they administered to the St. Joe Central High school eleven, that claimed Missouri valley interscholastic honors last year.

Wendell Phillips has cleaned up everything in the high schools of Illinois, with the exception of the championship Oak Park team. Phillips held Oak Park to a low score early in the season and was the first team to cross the Park's goal line since 1908. Wendell Phillips and Oak Park have been picked by recognized Illinois football authorities as the two best high school eleven in the state.

Chicago Hopes to Win.

The squad will leave for Omaha Wednesday and is in the very best of condition to put up a stellar game. It has a 24 to 11 defeat at the hands of the purple and white to wipe out from last year and is coming to Omaha fully prepared to accomplish this feat.

Although Omaha is outweighed six pounds to the man, this fact is not worrying Coach "Ebbie" Burnett, who is relying on the speed of his back field and the strength of his line to overcome this disadvantage. Several new trick plays and shift formations which Burnett has kept up his sleeve all season will be let out in this game and if they work out as they have in practice during the last month, the visitors will be assured of some sensational features.

Vergil Hector, the purple and white's star fullback, and "Mac" Baldrige, the big center, who were on the hospital list all last week, will both get into the game. "Dave" Bowman, the speedy little captain and right half, will also be seen in uniform.

MORNINGSIDE TO PLAY SOUTH DAKOTA ELEVEN

SIOUX CITY, Ia., Nov. 27.—If the weather is favorable the largest crowd that ever witnessed a foot ball game in Sioux City will see the contest on Thanksgiving between the South Dakota eleven and the Morningside eleven of this city. Both teams will take their final practice tomorrow and will meet on Wednesday.

At Vermillion the chief concern is to strengthen the power of resistance that the Methodists may be prevented from scoring a single touchdown. Coach Harry Dwing of Morningside is striving mightily to add consistency to a scoring machine that has proved to be erratic during the last season.

Lodge Pole Defeats Chappell.

LODGE POLE, Neb., Nov. 27.—(Special.)—The Lodge Pole High school basketball team defeated the Chappell team by the score of 23 to 13 Saturday evening. Much interest is being shown in the return game to be played at Chappell soon.

Bellevue club will give its foot ball team a banquet this evening at 6:30 o'clock at the University club. President William Nichol of the club has been busy the last few days getting everything in shape for this entertainment.

After the banquet speeches will be made by members of the college faculty and the foot ball team. Prof. William Nichol will make a short talk on "The Team, the Place and the Team." "His Done His Darndest" will be the subject of a speech by Captain Fred Paulson of this year's team. Judge A. L. Sutton has been assigned the subject of "Any Little Team That is a Nice Little Team is the Right Little Team for Me" to talk on. President S. W. Stockey of the college will talk on "Field Goals."

The club gives the foot ball team a banquet each year at the close of the season, whether the team be victorious or not. The club is composed of about 20 alumni and ex-members of the college. About fifty members of the club are expected to attend.

Gross missed two clean and ruffled the edges of a third, his final being 23. As the final count the score stood: First event—J. H. Hadeback, B. Carter, B. Gross, W. A. Kerr and E. Kerr, each 21; J. Jensen and G. Haefflein, 21; J. Malchow and G. Boldt.

ANNUAL POULTRY SHOOT BY OMAHA GUN CLUB

Park school has challenged the Mohawks for the championship of the season. This game is to be played Thanksgiving on the Creighton gridiron.

Shamrocks Fight Excelsiors to a Tie

Yesterday at the Benson Eagles' park a tough battle was fought between the Shamrocks and Excelsiors, which resulted in a 6 to 6 score.

For the Shamrocks, Quigley, Tuttle, Callahan and Fagen were the particular stars. These four men were in nearly every play and fought hard for every inch of ground, and if luck had not favored the Excelsiors the score would have been different. Moore, Guimane and Sandau were the stars that shone brightly for the Excelsiors. Forward passes proved the chief ground gainers for both teams. Quigley and Fagen made the passes for the Shamrocks, while Moore, Guimane and Kimmel did the throwing for the Excelsiors. Both teams played a classy, clean game. Next Thursday the Shamrocks will journey down to Papillon and try to whip the Cornfeds stationed there. Next Sunday these two teams will battle again out at Fort Omaha. The Shamrocks will be considerably stronger and the Excelsiors will undoubtedly put up a tougher fight than yesterday. Consequently a duel of the bloody order is anticipated.

DEFENDERS LOSE HARD GAME TO SOLDIERS BY 17-0 SCORE

In a hotly contested and intensely interesting battle, the Defender foot ball aggregation fell before the soldiers at Fort Omaha yesterday afternoon by the score of 17 to 0. The Defenders were considerably outweighed, but they put up a plucky fight, giving the soldiers a hard tussle before they left the field with a victory. The Defenders were weakened by the loss of two of their star players, Rubey and Miller. Thanksgiving they will play the Auburn town team of Auburn, Neb.

Wool Growers Have Been Granted Hearings by the Tariff Commission on the Form of Duty They Would Like Levied.

S. W. McClure, secretary of the National Wool Growers' association, arrived in Omaha yesterday from Washington. He comes especially to complete the arrangements for the national convention of the wool growers of the country, who will meet here December 14, 15 and 16.

"The tariff commission will have its report ready for congress on December 3," said Mr. McClure. "That is a certainty, as I was told when in Washington. The wool growers, in common with other interests concerned, have been granted hearings by the tariff commission. We have told the members the form in which we would like the duty to be levied, but it is up to them to figure out the correct amount of duty. We went into details with the commission, showing them that as the tariff is levied now we do not get the benefit of the duty; in fact, get the benefit of only about 4 cents out of the 12 we are supposed to get."

Mr. McClure said he had no idea of the amount of duty the tariff commission will recommend. He said schedule K will have a thorough thrashing out at the Omaha convention, one whole day being set aside for that purpose.

TO GET RID OF RHEUMATISM

If we suffer with Rheumatism and desire to get rid of it we must make up our minds to subject our systems to the proper course of treatment for a while. The only way to cure oneself of Rheumatism is to remove the cause—expel the irritating uric acid from the blood; every other method of treatment has proved a failure. S. S. S. cures Rheumatism because it is the greatest of all blood purifiers. This medicine goes down into the circulation and expels every particle of the sour, inflammatory uric acid which is the one great cause of the disease. The cure can be greatly hastened by a little care and self denial by the patient. In the first place do not let anything interfere to prevent your taking S. S. S. regularly and according to directions; be guarded in your eating, because an attack of indigestion will always aggravate the symptoms of Rheumatism. Do not expose yourself to damp and inclement weather any more than is necessary. When S. S. S. has had time to rid the blood of the uric acid and strengthen the system, then these little restrictions can be left off. This simple course has cured many thousands of cases of Rheumatism. Book on Rheumatism and any medical advice free. S. S. S. is sold at drug stores.
