

CREIGHTON TAKES THE GAME

Beats Team from Des Moines College, 32 to 0.

FRUCHA STARS IN LONG RUNS

Omaha Boys Prove Superior to Visitors in Individual Play and Team Work—Forward Passes Work.

Creighton university defeated Des Moines by the score of 32 to 0. The game was entirely Creighton's. Creighton's superiority over Des Moines in both team work and individual play was evident from the start.

Creighton had the advantage in weight, but also proved faster in every way and more accurate at the forward pass than the visitors. The Des Moines team played a gritty, up-hill game throughout, but the various ground-gaining plays of Coach Miller, fake kicks and passes, completely bewildered the Iowans. Creighton, on the contrary, seemed to anticipate Des Moines' every play and had no difficulty in breaking it up.

Visitors Can't Kick. Scarcely once did Des Moines make their downs and seldom did they successfully execute a forward pass.

Omaha's line was impregnable to Des Moines' plunges and Omaha's ends, Haller and Madden, were too fast for their open play. Creighton was in possession of the piekin most of the time and Des Moines' work was mostly on the offensive.

The punting of Davis of Des Moines was probably on a par with that of "Jap" Tamaseia, although neither side stood out brilliantly in this respect. The punting of Frucha was conspicuous. Not once did he fail to make his yards and usually squirmed and ducked through the entire opposing team for thirty and forty yard runs.

McCarthy Picks Holes. McCarthy, Creighton's other half, showed a splendid tact for picking holes and following interference. In the first half he and Frucha alternated at carrying the ball, and on every play refused to stop until set upon.

Mowry Miller, Creighton's crack quarterback, made his final appearance in the game yesterday, owing to graduation. He was a sure tackler and a consistent player.

Fake Kick Mystifies. In the beginning of the first quarter, Creighton executed a complex formation for a kick that seemed to unnerve Des Moines. Miller followed this up with a forward pass to Madden that went for thirty yards. From the forty-five-yard mark, "Jap" Tamaseia attempted a drop kick that fell short of its mark. Des Moines then got possession of the ball and began battering Creighton's line.

Two attempts without a gain seemed convincing proof of its solidity, so Des Moines punted. Creighton now started on its march to victory. From Creighton's thirty-yard mark, McCarthy went for ten yards and Frucha followed with five more. Mac and Frucha repeated this performance with ten each. Des Moines stopped the progress when within scoring distance.

However, Des Moines immediately punted and Creighton again focused its aim for the goal for its thirty-yard line. A forward pass from Miller to Madden netted twenty yards. Frucha added five yards, McCarthy following with five more. Frucha repeated for five yards. A forward pass by Miller to Madden advanced the ball twenty yards and by a nice run Frucha got fifteen more. With the ball now a few yards from the danger line, Frucha was called upon and went over the line for the first touchdown. Jap failed at goal and the score stood 5 to 0.

After a few more attempts at passing and an exchange of punts the quarter ended.

"Jap" Tries Drop Kick. In the second quarter Pease replaced Peppert at center for Des Moines and Johnson went in for Meade at right half. "Jap" Tamaseia started this quarter with a drop kick from the forty-yard mark, but it went wide. Black was sent in to replace Heller. "Jap" was severely folted on the head in this half, but after a short rest gamely renewed play.

Frucha circled Des Moines' right end for fifty yards, but an intercepted forward pass stopped the good work and gave Des Moines the ball. Des Moines was unable to gain ground and punted. McCarthy plowed through center for fifteen yards and Frucha for five. Miller made a pretty pass to Madden for twenty yards. Madden stretched it for twenty more and a touchdown. "Jap" kicked goal and boosted the score to 11.

Des Moines tried a forward pass by Davis to Johnson, but it failed.

Des Moines Close to Score. In the third quarter, Hefferman replaced Hopkins at left tackle. Frucha opened the third period with a run of thirty-five yards. Creighton punted and Des Moines recovered the ball. But Mr. Nutt of Des Moines recovered his own punt and came perilously close to scoring and probably would have done so were it not for a splendid tackle by Mowry Miller.

Des Moines pulled off another thriller when Davis attempted a drop kick from the fifty-yard line. But the kick seemed destined to be blanked, for the ball refused to even rise from the ground.

Miller Recovers Ball. Mowry Miller got it on the bound and advanced the ball to safe territory. A forward pass by Miller to Haller, who again replaced Black at end, netted thirty-five yards. A repetition of this

game play by "Jap" to Madden added twenty-five yards. Jap then covered twenty yards of the space and with one yard to go Miller fell the distance and placed the ball behind the line. No attempt at goal was made. The score stood 15 to 0.

Levy made a run of forty yards. Frucha made thirty-five yards, the one of forty yards for a touchdown. Miller tried for goal and failed and the score rose to 21 points.

Madden Makes Touchdown. McNally was sent in for a turn at end. A forward pass by "Jap" Tamaseia to Levy netted twenty yards. "Jap" punted and Madden, by a fast sprint down the field, recovered the ball and went thirty yards for the touchdown. Goal was kicked. The score stood 27 to 0, with a few minutes left to play. "Jap" Tamaseia brought the ball to Des Moines' ten-yard zone. Levy immediately covered the remaining ten yards for the final touchdown of the game. Creighton again failed at goal and the scoring ended 32 to 0 in Creighton's favor.

Paul Tobin went in for Miller and ran the team for this touchdown. The two men who showed up in particular in this quarter were McGrane at guard and Big Taylor at tackle. Taylor has been a tower of strength to the team since he joined it in the middle of the season.

The lineup: CREIGHTON. DES MOINES. Frucha, L.H., C. G. Reppert, Pease, McGrane, L.G., R.G., Lapham, Stapleton, R.G., G. Gillette, Heller, L.T., R.T., G. Kearney High School Springs Big Surprise On Military Academy

KEARNEY, Neb., Dec. 1.—(Special Telegram.)—Kearney High school sprung a big surprise on Kearney Military academy yesterday, walking through them for a score of 12 to 0. The academy was supposed to have a big advantage over the high school and as a result the betting was in favor of the academy.

The high school made the first touchdown after about ten minutes of play when they blocked a punt which Smith of the high recovered and with Captain Davies for interference raced fifty yards for a touchdown. Wallace kicked goal and the quarter ended with Kearney high, six to 0.

In the middle of the second quarter Proctor, of the high carried the ball through the tackle for a touchdown. Wallace again kicked goal and the second quarter ended, 12 to 0.

During the intermission the academy boys performed a lively snake dance and entertained the spectators with a few yells while the high school roosters stayed in their seats giving yells and songs of victory.

During the second half, the ball was forced back and forth across the field, neither side having very much of the advantage, though the high was within striking distance of the academy goal several times and Wallace succeeded in getting two out of four drop kicks.

"Ebbie" Burnett to Chicago to Accept Business Position

On the eve of his leaving Omaha to take up a regular position with a Chicago bonding company, Coach "Ebbie" Burnett of the high school foot ball squad suffered his first home game defeat since he has been coaching the Purple and White lads.

Burnett leaves today for Chicago, where he will take up an agency with a prominent bonding company of that metropolis. He will make his home in Chicago, but will be on the road most of the time, covering territory between the Windy City and Omaha.

Burnett was a former foot ball star at the high school and later on the Cornhusker eleven. He captained the Omaha high team in 1908 and played a sensational game from 1902 until 1904. He was captain of the Nebraska freshmen eleven in 1907 and played substitute left halfback on the varsity the following year. In 1909 he coached the Peru Normal squad.

Last year he was induced to coach the high school squad and he expressed satisfaction of turning out one of the fastest intercollegiate elevens in the middle west. This year, although greatly handicapped by injuries and lack of practice grounds early in the season, "Ebbie" has been able to turn out a most creditable team and on the whole has done the honor of the school as the steadiest and earnest aggregation that ever donned the mole-skins for the Purple and White.

Elbert Burnett, as he is known socially, is the son of Attorney Albert H. Burnett of the Woodmen of the World. He has already had considerable experience in bond work and is fully capable to carry on the work in his new field.

GRAND ISLAND, Neb., Dec. 1.—(Special Telegram.)—Grand Island business college foot ball team won the game from the Genoa Indians today at Delwood park before a large crowd. Score, 11 to 6. The Redskins showed lack of experience, especially in the power factor of the game. The Collegians excelled in open playing and used the forward pass to make their big gains. Milk or Cream? Some folks, when not careful, get all the flour in the wheat. That is ordinary flour. Other folks, at the same price, get just the heart of the wheat—Just the daintiest particles—just the cream of the flour. All because—Some folks say simply "flour." And others, in ordering, say "Gold Medal Flour." Gold Medal Flour is ten times sifted, through ten fine sheets of silk. Only the flour that comes through—fine, soft and digestible—ever goes into Gold Medal bags. The quality shows in the perfect mixing and rising—in the flaky pastry—in the golden bloom on the loaf.
