Christmas Pleasure in the Welte-Mignon Piano

PADEREWSKI PLAYING FOR WELTE-MIGNON RECORDING INSTRUMENT

WALTER DAMROSCH writes:

“the Welte-Mignon Piano is the most remarkable musical invention of the age.”

THE playing of the world's greatest piano virtuosos has been recorded; these records used on the WELTE-MIGNON piano render the compositions played by the various artists with exactly the same interpretation, touch and tone quality peculiar to each.

There is no other musical instrument on the market today that reproduces the hand-played records of the greatest piano virtuosos of the world, such as Paderewski, Hofmann, Carreno, Busoni, and others—only the WELTE-MIGNON piano. Hear the Welte Player at Hospe's.

“Listen”

STYLE 14, BUSH & LANE PIANO, (Patented).

THE tone of a piano is the main point upon which you should base your judgment of its worth. Tone is found pre-eminently in the Bush & Lane Piano

To be sure, Bush & Lane case designs have been so successful that other manufacturers have had to be prevented, by patents, from using them. But the Bush & Lane Tone Quality cannot be copied. It is the result of a lifetime of study by one of the master minds of the piano industry.

Tone is the foundation of the great success of the Bush & Lane Piano Whether you are a purchaser or not you should come into our store and hear that much talked of “Bush & Lane Tone.”

The Universal 88 Note Player Piano

Represents the highest type of player pianos and gives the greatest satisfaction to all persons.

It unfolds the beauty of music with such precision that the performer derives the greatest benefit from the pieces which are being played. Every musical taste is at once satisfied.

This player is very sensitive and light. By pumping with small effort you can get a perfect Pianissimo, while a sudden hard motion down on one pedal will produce an instant change and a quick accentuation. In short, it is capable of as soft a Pianissimo as any player on the market and yet can produce as loud a tone as any, while the variations between Pianissimo and Fortissimo are very clearly defined when the operator pumps evenly, gradually increasing the force.

The Universal 88-Note Player Piano is the best value on the Market today.

Ask to hear any music on the Universal at the A HOSPE STORE. You will be delighted with the excellent playing of this instrument.
