Councilmen Jack Walters and August List of Those Granted in Two States Miller commenced the introduction the new bookkeeping system, which the mayor had brought up for discussion. From indications it appeared that the the accounts of the city, but out of def-

Late estimates on the percentage of recoveries under the new emollient treatment for Bright's Disease are as follows:
Where patient is much weakened and crises may be expected in from five to ten days, probably not more than lox to 205, recover. Where physicians aid with efforts to restrain fatal symptoms this percentage is increased. In cases where patients have from thirty to sixly days of life the efficiency is very much ligher. Where patients do no wait until bidridden probably three-fourths yield.

And in cases that take the new emolident treatment on the appearance of the disease nearly nine out of ten respond.

Albumen Casts and dropsy do not prevent recovery. The point is that the Resal inflammation should be attacked before the heart and physical system are broken down.

The new emollient treatment is known as Fulton's Ronal Compound. It can be mad in Omaha at Sherman & McConnell Drug Co., Cor. 16th and Dodge, Cor. 18th and Dodge,

the matter was laid over for a few days | when, at the request of Councilman Walters, a brief on the auditor's report GIVES FACTS OF GASE John Franck Displaced as Leader in will be submitted to the council at a special meeting of that body.

Bankers Summoned. Four bankers' of South Omaha were summoned to the meeting of the committee of the whole yesterday afternoon, to say whether or not they would be willing to counter the offer of 4 per cent interest made by Spitter-Rorick company of Toledo on the deposits of local improvement funds. The financiers, Messrs. Folda and Clark of the Stock Yards Naand Coad of the Packers' National banks, Mr. John Beema, a carpenter of No. pregnable, political alliance was severed all expressed themselves as being sur-1815 Case St., city, made the following jast night when a majority of the city prized at the novelty of the situation recently in connection with councilmen repudiated the heretofore un- presented and asked time to consider the

James M. Crowner of Ottumwa, Ia., for gas-lighting device.
Theresa E. Davis of Rushville. Neb., for bracing-leg for beds, couches and the like.

Solid Sense in Christmas Gifts

Gifts of furniture are not gifts of a day, they are for all-the-yearround. They are sure to be appreciated, and the memory of the gift grows with years. There is solid sense in giving furniture, because such gifts can be put to practical use, and because they find a permanent and helpful place in any home. No gift can be made that will be so much appreciated and so long cherished as furniture.

The assortments of elegant Christmas furniture here will permit your selecting a gift that will be sure to please.
