He was employed as clerk in a dry goods store at Berensford, and it is thought he may be located in one of the stores here. His wife was taken suddenly sick after he left Saturday night and it is thought she will not live.

Nixies Pile Up at Omaha Postoffice

Unaddressed letters, packages without wrappers, newspapers with unreadable addresses and all kinds of misdirected mail matter is pouring into the Omaha postoffice this week. With the inauguration of the railway mail service fourteenth division all the "nixies" matter from Nebraska, Iowa, Colorado and Kansas, which was formerly sent to Chicago, is now being sent to Omaha.

It is astonishing," said H. S. Grogan, "superintendent of delivery. "We get letters addressed, "Topeka, Omaha," "General Delivery, Nebraska," and every other conceivable kind of address. Where we can see them to the proper destination, but I believe that inside of three months there will be over 10,000 letters which have been sent to the headquarters of the division which will have to be sent to the dead letter office. The majority of the bad addresses are on foreign countries. In many instances the town is omitted and the only means of identification besides the name is "United States." Many of these letters contain valuables and money, and in cases like this we make extra effort to locate the sender."

The "nixies" department has only been established since Monday morning, but already there is a great heap of undelivered mail matter in the delivery room of the postoffice and this heap is constantly growing larger and larger.

DAUGHTERS GIVE VOTE OF THANKS TO DELZELL

At Monday's meeting of the Daughters of the American Revolution a vote of appreciation was accorded State Superintendent of Schools Delzell for recommending in the school laws for this year the flag days sanctioned by the Daughters of the American Revolution.

A list of days of historic interest in Nebraska, in addition to the national holidays, was prepared a year ago by Mrs. A. C. Troup, sanctioned by the local Daughters of the American Revolution and submitted at the last Legislature, where the bill passed the senate, but was lost in the sifting committee of the house. The days which, in addition to the national holidays, were recommended to be observed by the raising of the American flag throughout the state are: Lincoln's birthday, February 12; Nebraska's admission to the union, March 1; death of Lincoln, April 15 (flag at half mast); inaugural of the first president, April 30; surrender of Cornwallis, October 19; landing of the Pilgrims, December 22.

SUCCESS OF SHOW CERTAIN

Nearly All Sheep Now on Exhibition in Chicago Coming to Omaha.

SWEEP OPENS NEXT THURSDAY

J. E. Shoemaker, Manager of the Show, Reports Great Success from His Trip to Chicago for Exhibits.

Nearly all the sheep now on exhibit at the International Live Stock show at Chicago, will be brought to the mid-winter sheep show at Omaha next week, according to a telegram received by the South Omaha Live Stock exchange from Joseph E. Shoemaker, manager of the mid-winter show, who is in Chicago attending the international show.

"With the entries which have been pouring in from all parts of the United States and Canada, and the additional sheep which will be sent on here from Chicago, Omaha is assured of the biggest sheep show ever held in conjunction with the annual convention of the National Wool Growers' association," said A. F. Stryker, secretary of the Live Stock exchange of South Omaha.

"I feel safe in estimating the number of sheep which will be on exhibition at 800 to 1,000," said Mr. Stryker. "This means that it will be the biggest sheep show in the history of the west. The premium list which runs near the \$5,000 mark, is partly responsible for the huge entry list. Then Omaha is the logical point for holding such a show, so the two factors combined are responsible for the success of the show."

At a meeting of the committee of arrangements yesterday the telegram from Mr. Shoemaker was read. This committee was largely responsible for securing the convention of the National Wool Growers' association making the sheep show possible. Its members are all South Omaha business men. Will H. Wood, chairman; C. B. Bogue, Jr.; E. W. Cahow, W. M. Farrar, James L. Paxton, P. E. Scott, J. A. Shoemaker, A. F. Stryker and J. D. Whitmore.

Not only has each man given his time to the arrangements for the two big meetings, but each has given substantial support in a financial way. Walter E. Wood, who is chairman of the publicity and entertainment committee, has associated with him E. Buckingham, E. W. Cahow, E. P. Melady and J. B. Root.

Canape Lasagne Ricce for the Omaha Ad Men

At the regular dinner yesterday, at the Paxton cafe, the members of the Omaha Ad club were the guests of the Skinner Manufacturing company, every article on the menu, with the exception of the ice cream and coffee, being a product of the company's factory. Nearly 300 persons sat at the tables and feasted on the canape lasagne rice, the consommé rosa marina, the mezzani salmon Italian, the spaghetti Madame Gail, Rome and a dozen other dishes equally as toothsome.

After disposing of the scores of dishes that can be concocted out of macaroni there was a season of talking, started by Mayor Dahlman, who had to cut his speech short to catch a train for Texas.

Manager Browning, in charge of the Street Railway company car advertising, was greeted with cheers when he announced that the company was prepared to donate any quantity of space in its cars in order to foster and push the "shop early" idea.

Matt Gering, attorney of Plattsmouth, in a humorous speech, praised the macaroni dinner, while Ed T. Swobe praised the company that gave the feed.

There were short talks on live subjects by Manager Coleman of the Midland Paint and Glass company and Penn Podora, followed by addresses on "What is Advertising," by Bob Manley, J. C. Johnson and W. J. Cleveland.

TWO HUNDRED NEBRASKANS LEAVE FOR TRIP TO TEXAS

A party of well known Nebraskans left Lincoln last evening for a sojourn in southern Texas and a glimpse of old Mexico. They went in a special train chartered by Colonel John G. Maher and William F. Scherer.

From Omaha Mayor and Mrs. Dahlman, Colonel and Mrs. H. C. Richmond and little daughter and a number of others will go. On the special also will be ex-Governor Shallenberger and Mrs. Shallenberger, State Treasurer George and Mrs. George and other well known Nebraskans, who will sojourn in Texas for a few weeks.

Colonel Richard declared yesterday that a "nicer bunch" never went anywhere than will make up the party. "About 200 will go," he said, "and they are charming people from all over the state. We expect to sail on the gulf, cruise along the coast and finally see a bull fight in Mexico, as many as care to. We shall wind up at Francis, where our Nebraskan colony is making a fine city and where Horace H. Philpott, formerly of The Bee staff, is editing a lively newspaper named after The Bee. If there's any reason we can't have a good time I don't think what it is at this time."

REVOLUTION DAUGHTERS HOLD ROUSING MEETING

Daughters of the American Revolution had one of the largest meetings in several years Monday afternoon at the home of Mrs. H. B. Sarson, 618 North Fortieth street. The assisting hostesses were Mrs. Charles E. Johannes, Mrs. J. W. Griffith, Mrs. A. C. Troup and Miss Clara Hawley.

Mrs. R. C. Hoyt presided at the musical program on which vocal solos were given by Mrs. Frank Welty, Miss Blanche Bolin and Miss Hawley and piano numbers by Miss Stella Shaw, Mrs. Richard Sienky, Mrs. Harry Maxwell and Miss Alma Bolin were accompanied by Mrs. Thomas Lewis, Mrs. W. S. Heller and C. D. Armstrong arranged the program.

Swift and Company Will Build a New Storage Plant Here

It was announced Monday that Swift and Company would in the near future begin the erection of a new steel and concrete storage plant to cost over \$100,000.

The new building will extend over an area of 120x210 feet and will be located just south of the main offices. At present the site of the new building is covered by a number of old buildings which are to be torn down immediately.

The proposed storage plant will be used as a pork house by the company.

Daughters of 1812 Elect Their Officers

Mrs. George R. Darr was re-elected president of the United States Daughters of 1812, State of Nebraska, at the annual meeting Saturday at the home of Mrs. Elizabeth Stearns. The other officers chosen for the coming year are: Mrs. William Archibald Smith, first vice president; Mrs. J. C. Weeth, second vice president; Mrs. W. S. Rothery, corresponding secretary; Mrs. Clinton Miller, recording secretary; Mrs. F. H. Garvin, treasurer; Mrs. F. P. Doolittle, historian; Mrs. C. H. Mallin, registrar; Mrs. P. J. Barr, chaplain.

The executive board is composed entirely of "real daughters"—Mrs. Elizabeth Stearns, Mrs. Jacob Giffin and Mrs. M. A. Morton. The next meeting will be in March at the home of Mrs. J. J. Stubbs.

Change in the Plans For Visit of Dickens

Alfred Tenyson Dickens, son of Charles Dickens, will speak at the Jacobs Memorial parish house next Monday at 3 o'clock, instead of Tuesday, as was first announced. Mr. Dickens will be here Monday only, and for that day his schedule is as follows: Luncheon at the University club, 12:15; address at parish house, 2; address to teachers at city hall, 4:30; reception at Rome by Palmsest club, 6:30; dinner with Palmsest club, 7.

NEBRASKA EXHIBITED AT CHICAGO LAND SHOW

Up to Saturday night at the Chicago Land show, in its two theaters in the Auditorium, Union Pacific lecturers had talked to 127,471 persons. Three hundred and twenty-nine lectures had been delivered, and in one of the theaters nearly all of the talks had had to do with Nebraska and the North Platte country.

In both of its theaters the Union Pacific is showing motion pictures and is devoting much attention to alfalfa culture. The plant is shown in all of the various stages of growth. There are several harvesting scenes, besides a number of the big feed yards along the Platte, all of which are filled with cattle, hogs and horses.

According to advices received at Union Pacific headquarters there is nothing at the Chicago Land show that is attracting more attention than the Platte river exhibits as portrayed by the motion pictures.

The key to success in business is the judicious and persistent use of newspaper advertising.

WOODS HELD FOR RUNNING INTO SMALL BOYS SUNDAY

Charged with reckless driving, J. A. Woods, 2222 North Eighteenth street, was arraigned in police court and took a continuance until this morning. Mr. Woods, it is alleged, ran down Arthur and Henry Payton at Tenth and Harney streets Sunday afternoon while the little boys were going home from Sunday school. Mr. Woods admitted that he ran into them, but that it was an accident and he was trying to get out of the way, but another machine drove him up on the curbing, where the boys were walking.

Bright's Disease and Diabetes

Under the Auspices of the Cincinnati Evening Post, Five Test Cases Were Selected and Treated Publicly by Dr. Irvine K. Mott, Free of Charge.

Irvine K. Mott, M. D., Cincinnati, Ohio, well and favorably known in Nebraska as a learned physician—a graduate of the Cincinnati July Medical College, class of 1882, and who afterwards received Clinical instructions abroad, and has since 1898 been a Specialist for the treatment of kidney diseases—has discovered a remedy to successfully treat Bright's Disease, Diabetes and other kidney troubles, either in their first, intermediate or last stages. Dr. Mott says: "My method arrests the disease even when the kidneys are destroyed most of the kidneys, and preserves intact that portion not yet destroyed. The medicines I use neutralize the poisons that form a toxin that destroys the cells in the tubes of the kidney."

The evening Post, one of the leading daily papers of Cincinnati, Ohio, hearing of Dr. Mott's success, asked if he would be willing to give a public test to demonstrate his faith in his treatment, and prove its merits by treating five persons suffering from Bright's disease and Diabetes, free of charge, the Post to select the cases.

Dr. Mott accepted the conditions, and twelve persons were selected. After a most critical chemical analysis and microscopic examination had been made, five of the cases out of the twelve, those showing the most serious conditions of these diseases, were decided upon. These cases were placed under Dr. Mott's care and reports published each week in the Post. In three months all were discharged by Dr. Mott. The persons treated gained their normal weight, strength and appetite, and were able to resume their usual work. Anyone desiring to read the details of this public test can obtain copies by sending to Dr. Mott for them.

The public demonstration gave Dr. Mott an international reputation that has brought him into correspondence with people all over the world, and several noted Europeans are numbered among those who have been successfully treated, as treatment can be administered effectively by mail.

The doctor will correspond with those who are suffering with Bright's Disease, Diabetes or any kidney trouble what ever, and will be pleased to give his expert opinion free to those who will send him a description of their symptoms. An essay which the doctor has prepared about kidney disease and describing his new method of treatment will also be mailed by him. Correspondence for this purpose should be addressed to Irvine K. Mott, M. D., 948 Mitchell Building, Cincinnati, Ohio.

Arnold Bennett's Christmas — and Will Irwin's. IN the "Feast of St. Friend," in The American Magazine, Arnold Bennett has laid down some principles about celebrating the festival of Christmas, which sum up Christmas as a question of heart, of the instinctive brotherliness of man on this day. IF Will Irwin had read Arnold Bennett's recipe and then written a story to illustrate it, he could not have come nearer it than he does in "Where the Heart Is," the Christmas story of the Christmas American. This story proves conclusively that wherever two or three are gathered together with real good will toward one another, there is Christmas. No amount of running to and fro on earth will produce Christmas without this same good will feeling. REAC the Arnold Bennett prescription as soon as possible. It will have a great deal of bearing on what your Christmas might be. DECEMBER American MAGAZINE
