A Helpful Xmas Store

It's a great, glorious, happy holiday when it comes—when the morning breaks and reveal bulging stockings, gifts neatly wrapped and placed; just bursting open with Christmas gladness and good cheer. It's got to be a happy day to make up for the puzzling problem that confront you during the weeks that precede it—how to make the dollars and pennies accomplish all that must be accomplished, how to make the sums that seem all too small to buy as many presents as you feel must be given go as far as they ought to.

Right here this store will bring joy to your heart—drive away your frowns and worries with the finest, most comprehensive, really superb assortments of holiday merchandise that have ever been crowded into a single store in the state of Nebraska.

No ordinary stock of holiday gifts is this—not an assortment of miscellaneous things chosen at haphazard. No indeed! Instead of that it is a store whose every department, case and counter holds beautiful and useful articles that precede it—how to make the dollars and pennies accomplish all that must be accomplished, how to make the sums that seem all too small to buy as many presents as you feel must be given go as far as they ought to.
