

**JACOBSON SAYS HE IS
RELIEVED OF SUFFERING**

Health Much Improved by Remarkable New Tonic in Few Days.

DEBILITY IS COMMON IN CITIES

Expert Says Nature's Laws Are More Apt to Be Disregarded on Account of Rush and Hustle.

Mr. B. Jacobson of No. 2035 Harney St. made the following statement recently in connection with "Tona Vita," the remarkable new tonic that is being introduced in Omaha:

"I have suffered from stomach trouble and nervousness for some time past. There were times when I could eat nothing but liquid food, and even these would cause gas on the stomach. I suffered from extreme spells of dizziness and sleep gave me no benefit. I would awaken in the morning as tired and worn out as when I retired. I was very nervous at times, had violent headaches and was frequently constipated. My back bothered me a great deal and I had palpitation of the heart."

"I had about lost all hope when I heard of this new tonic 'Tona Vita,' and decided to give it a trial. I began to improve from the very first dose. This medicine seems to soothe my stomach and acts as a tonic for my system. It has built me up in every way, after a ten days' treatment. I can now eat and sleep well. I certainly advise anyone suffering as I was to try this wonderful remedy."

Such a statement as the foregoing should prove of unusual interest to those suffering with similar troubles. The specialists who are introducing "Tona Vita" state that members of any family in Omaha are likely to be found suffering with the same nervous debilitated condition of the body, as it is an all too common complaint in the large towns, where nature's laws are more apt to be disregarded.

"All of this nervous debilitated trouble," said one of the specialists, "is due principally to imperfect digestion, which is introduced by the strain of modern city life. There is too much hastily eaten food."

"Most people, however, are not seriously affected by imperfect digestion," continued he. "They are just jumpy and nervous and easily tired. They feel 'worn out' after a little exertion and are moody and depressed. These are sure symptoms of an overworked stomach that needs toning up and regulating. 'Tona Vita' will positively accomplish this, toning up and restoring the organs to their healthy condition. Our preparation must prove satisfactory, or we will not take the money for it."

The "Tona Vita" specialists will be at Brandels' Drug Dept., 18th and Douglas Sts., between the hours of 9 a. m. and 6 p. m. daily to meet the public and explain the nature of this modern plague, nervous debility, and demonstrate the value of their remarkable remedy.—Adv.

TO REMODEL WILSON HOME

W. C. A. Will Use Residence Property to Care for Old People.

MRS. TILDEN IS RE-ELECTED

Annual Meeting of Association Is Held and Number of Important Matters Are Disposed Of Satisfactorily.

Additions will be made and other improvements provided from time to time as they are needed on the Anna Wilson residence, 2018 Wirt street, which was bequeathed to the Women's Christian association to be used as a home for old people. At its twenty-eighth annual meeting yesterday the association decided that some improvements shall be made and the place occupied during 1912.

Mrs. Tilden, the president, said that she hoped the association may in time aid old people outside of the home, especially old married couples who would want to keep their own home, but are unable to do so without assistance.

The association has in addition to about \$100 worth of property \$21,945.41 reserve and endowment fund. The donations at Thanksgiving time from the Neelwork Guild and the public schools as well as from individual persons made a substantial store for the winter. If the twenty-three inmates of the home, there are three over 90 years of age and six over 80 years of age.

Mrs. Tilden Re-Elected.

Mrs. George Tilden, who is a charter member of the association and who has served as president so long that she cannot remember the number of years, was re-elected, and was presented with a big bouquet of pink carnations and ferns. Mrs. Edward Johnson was chosen first vice president, Mrs. Isaac Carpenter second vice president, Mrs. John W. Gill recording secretary, Mrs. J. C. Hammond corresponding secretary and Mrs. K. S. Spaulding treasurer.

Mrs. Cadet Taylor who has served on the board of trustees for twenty-five years, was presented with a bouquet of red carnations and ferns. She was re-elected to the board and the following women were chosen: Madames John Steele, Charles Sherman, Charles Tracy, A. B. Janssen, R. W. Taylor, J. W. Bedford, E. O. Loomis and Miss Eula Crawford. The honorary trustees are Madames M. E. Elliot, C. O. Coman, L. L. Boltz, J. J. McLain and P. L. Perrine.

A trio of lango players and piano accompanist from Francis Potter's orchestra, played and Miss Ruth McBride, accompanied by Miss Grace Doolittle, sang.

The Women's Christian association was organized in 1883 and is successor to the Ladies' Relief society. At first it took charge of women and children, each member caring for those charges in her own ward. As the Associated Charities began to take the bulk of the charity work of the city the association specialized more and more as a home for old women and had a cottage on Farnam street between Sixteenth and Seventeenth. The first old woman at the home was "Grandma Carey," whom the association promised to care for the rest of her life.

Later the association bought the place at 2718 Burt street and kept children as well as old women there, until the work of the Child-Saving Institute and The Creche made this unnecessary. In 1902 the association changed its institution from the old Women's home to the Old People's home and admitted men.

**Secret Service Men
Working in Omaha**

Half a dozen government secret service operatives have been quietly at work in Omaha during the last week in connection with the attempted delivery of a week ago at the federal penitentiary at Leavenworth, Kan. They have finished their investigations and have gone elsewhere in search of more data on clues picked up here and in Kansas City.

That the government was making an investigation here was not known until yesterday when it was learned that John Callahan, in whose possession twelve revolvers, four sticks of dynamite and 200 cartridges were found, was formerly known in Omaha, and has friends here who would be likely to assist him in such a plot as was hatched within the walls of the prison. Callahan is serving a fifteen-year sentence for receiving stolen postage stamps, and is known as a desperate character, although his conduct has been most exemplary while in prison.

The government men while here would have nothing to do with the police department, and the result of their investigations is not known. The police department has received descriptions of the guns found in the prison and efforts are being made to find out where they were purchased.

Three weapons are said to have furnished the strongest clues in the possession of the government agents, and it is possible that they might have been secured here.

**Blair Parents Find
Their Missing Girl**

Though the police were inclined to discourage Mr. and Mrs. J. H. Bowman of Blair, who insisted that their daughter was in hiding in Omaha, the girl has been found in a North Twenty-fourth street rooming house. She is now in the hands of the police, as is also Fred Burdell, a trapeze performer, who is accused of enticing her away from her home in Blair. The girl is sixteen years old. Mr. and Mrs. Bowman declare that they will prosecute Burdell.

**BUTLER IS OPPOSED
TO ALL LONG SESSIONS**

Dan E. Butler, city clerk, is now opposed to long sessions of the city council. While the city dads were discussing the paving deal in Omaha Monday Dan was an interested audience. Adjournment was taken at a few minutes before six. The city clerk's office force had left, the office was locked up and Dan had left his keys in other pockets. Hatless, with neither dress coat nor overcoat, he ranged around the rotunda looking for a janitor, but no janitor was due till after six o'clock. It was cold weather outside, but Dan was threatening to risk it when a hard-working official appeared with a huge bunch of keys and one was found finally to open the city clerk's door.

There is no better medicine made for colds than Chamberlain's Cough Remedy. It acts on nature's plan, relieves the lungs, opens the secretions, aids expectoration, and restores the system to a healthy condition. For sale by all druggists.

**Surprised Burglar
Attacks Erling in
Louis Piatti Home**

E. C. Erling was assaulted by a burglar Monday afternoon, when he came upon a thief in the home of Louis Piatti, assistant prosecuting attorney, 2211 Sherman avenue. Erling had seen a strange man enter the Piatti residence shortly after 2 o'clock in the afternoon, and, being suspicious, he set about to investigate. He found the door of the Piatti home open, and entering came upon the burglar rifling a desk. The intruder turned upon Erling with a chair, which he swung viciously. Erling threw up one of his hands for protection and his hand was severely injured. The burglar escaped. Nothing of value has been missed by Mr. Piatti.

HOTEL CHEF SHOT IN LUNG

Young Frenchman from Council Bluffs in Serious Condition.

ASSAILANTS ARE NOT KNOWN

Moreo Is Unable to Tell Who Shot Him, but Indicates a Vacant Lot as Place of the Assault.

Mysterious circumstances surrounded the shooting Monday night of John Moreo, a French cook, who fell exhausted about 6 o'clock Tuesday morning in a restaurant at 123 Douglas street. In his irrational condition Moreo is unable to tell a connected story concerning the shooting. He is now in St. Joseph's hospital, and probably will die.

Moreo, who is a stranger, had been employed as second cook, during the last two days, at the Grand hotel in Council Bluffs. Shortly after 6 o'clock yesterday morning he staggered into the Douglas street restaurant and asked for a place to lay down. He was refused the privilege, but waiters in the restaurant started to assist him to the police station, near which he fell unconscious. From there he was taken to the Roman, an Italian hotel at Eleventh and Dodge street, and Police Surgeon Peppers was called.

Examination disclosed that Moreo had been shot, a bullet having penetrated his body. The bullet entered the body below the right shoulder blade, plowed through the lungs and came out through the right breast. Immediately upon determining his condition Moreo was pushed to the hospital.

The police are investigating the circumstances of the shooting, but owing to the condition of the victim they cannot get a start on the case. However, it is thought that the shooting took place between 3 and 4 o'clock yesterday morning, at John Washington, a negro who runs a lunch stand near Eleventh and Douglas streets, said he was sleeping in his stand and thought he heard a shot early in the morning, but not hearing another one went back to sleep without investigating it. As a result the police have but one theory at present, and that being that Moreo was held up and put up a fight and was shot and possibly robbed.

Dr. Harris, who is attending Moreo, attempted to get the man to talk while he was in the hospital, but the Frenchman either cannot or will not tell his story. He said he did not know who it was that shot him, but that was all that could be gotten out of him. Dr. Harris said the man was in a very serious condition and that his chances for recovery were slim.

**ELEVEN HEAD OF CATTLE
BRING EIGHT CENTS POUND**

Eleven head of steers and heifers, averaging 1,121 pounds each, brought \$8 a hundred pounds on the South Omaha market yesterday morning. This is the record price of the year. The cattle were shipped to South Omaha by M. L. Kneelands of Manning, Ia., and were sold by Rosenbaum Bros.

A PIANO

The best place to buy--the best of gifts

Hayden Brothers

For the Best of Reasons you will get 25% to 50% More Piano Quality for the same amount of money and on more suitable terms than you can get elsewhere.

Our Christmas Piano Sale

offers the best of saving opportunities to gift buyers. Why do you put off buying a Piano for your home? Tell us your reason and we believe we can show to you that that you reason wrongly. It can not be price—for we are selling high grade standard pianos for less money than ever before. It cannot be that you feel you cannot afford a Piano that will be good enough for your home—for we are saving the buyers of high grade standard Pianos from \$75.00 to \$190.00 on each instrument. It cannot be terms—for we will cheerfully make the terms that will be satisfactory to you.

Why we sell pianos so cheaply

We can afford to sell higher qualities of pianos for less money than others for the simple reason that we buy our pianos outright, paying spot cash and receiving the benefit of the factory discounts that the other dealers do not get. Call at our piano rooms and you will see for yourselves that our piano stock is much larger; our pianos are much more beautiful; our qualities are of a much higher grade; and if you will inquire you will find, quality considered, that our prices are in every instance from 33 1/3% to 50% less than other dealers are asking, and that our terms are so convenient and satisfactory and even the small salaried man can well afford to install in his home one of the world's greatest necessities—a piano.

Investigate the offerings of every other piano store in Nebraska then call upon us, see what we have to offer and we are assured of a sale, provided, quality, prices and terms are what you are looking for.

Hayden Brothers**A
Christmas
