If in Search of Pure, Unadulterated Joy Take a Trip to Toy Town

Toy Town at Bennett's is a city of real joy—for big folks as well as boys and girls. The little folks get their delight from seeing the vast accumulation of toys—one of the best and largest collections we have ever had. The grown-ups find happiness in the children's happiness; in the remembrance of days when they, too, looked forward with expectancy to Santa Claus' visits—but, most of all, they find happiness in our little prices which make it so easy to gratify the children's wants.

You will notice that our lines of toys and dolls are the most exclusive and down-to-date in the city and a comparison will prove our statements that prices are lower in every instance, quality for quality. Souvenirs given all children accompanied by parents.
