\$3 NOW

FOR \$5 AND \$4 STYLES

Just a week ago we adopted our new policy of "\$3.00 for every shoe on our Main Floor." Omaha women realized at once what that meant—all the swagger \$5.00 and \$4.00 styles that have made this store famous, now being sold at a popular price—and the increased volume of business in this short space of time is phenomenal. And remember, this change is a permanent one. Just \$3.00—no more—from now on. See the shoes in our windows.

No Shoes Charged or Delivered

We just can't do it—profits are too small. Close figuring is necessary in order to give you these values. Neither can we make any "exchanges" on Saturdays. You will overlook this when you see what values we are giving.

Drexel's Xmas Shoes for Boys

There's nothing you could give the boys for Christmas that will suit them better or be more appreciated and useful than a pair of Drexel's Shoes. For winter wear and out door sports no other Shoes on the market will give the satisfaction that you get out of a pair of our boys' STEEL SHOD SHOES. Boys' sizes, 2 1/2 to 5 1/2— at \$2.50. Youths' sizes, 1 to 3, \$2.25. Little Gents' sizes, 10 to 13 1/2, at \$2.00. Boys' Storm Shoes—They are extra heavy soles, high tops, common sense lasts, strong and durable—black and tan.

DREXEL'S
1419 Farnam Street.

Cash Basis—No Credit

is the secret of the wide popularity of Bath's Market. No credit means no loss from bad accounts, no expense of bookkeeping, collecting, to be made up by substituting inferior quality. We pay cash for our meats and groceries and sell for cash and no delivery. That's why we can sell only choice goods for the same price or less than we would have to charge for inferior meats and groceries if we conducted a credit business like other dealers.

OUR KIND OF CHICKEN.
We buy only live ones—best quality—and dress them and keep them in dry cold air, free from ice water. When you buy chickens from us you get only the choicest—chickens that retain their pure, clean, natural flavor. Give us one trial and see the difference.

RESURVEYING CHURCH FIELD

Protestant Organizations Unite in Consolidating and Expanding.

WEEDING OUT AND FILLING IN

Home Mission Council, Competing Prominent Men from East, Meets in This City Monday—Popular Evening Meeting.

The Home Mission Council, an inter-denominational body composed of secretaries of twenty-two Protestant churches who are making a "neglected field survey" of the country, will hold a conference in Omaha Monday with sessions at the Young Men's Christian association beginning at 7:30 in the morning and 2 in the afternoon. A popular meeting will be held in the evening beginning at 8 o'clock at the Young Women's Christian association, to which every Protestant church in the city has been asked to send at least ten or twenty men and women as delegates.

The prime purpose of these conferences, which are being held in all important western cities, is to correct what is called the "wandering" problem as well as that of "underchurching." Where fields

are crowded with weak churches consolidations are favored, one denomination giving way to another, and where fields are inadequately supplied provision is likewise made or recommended. The idea is to avoid duplicating, overlapping and conflicting of energies and efforts between the various denominations. As one of the secretaries expresses it in a letter, "You will observe that the present effort is constructive and positive, while heretofore most of the effort has been negative and inhibitive."

Prominent Churchmen.

Leading secretaries from New York and elsewhere representing twenty-two denominations of the Federated Churches of America will be here. They are making a tour of the country. They will reach Omaha Saturday evening from Topeka and will have headquarters at the Hotel Rome.

Among the prominent men coming are: Dr. L. C. Barnes, field secretary of the American Baptist Home Missionary society; Dr. Hubert C. Herring, general secretary of the Congressional Home Missionary society and former pastor of the First Congregational church of this city; Dr. Ward Platt, secretary of the Methodist board and noted writer on home mission subjects; Dr. I. N. McCash, secretary of the American Christian Missionary society; Joseph Earnest McAfee,

secretary of the Presbyterian board, and others.

Field workers from all over the state will be here Monday to take part in the conference. Some of the subjects to be discussed are: "Neglected Fields in the Country," "Neglected Fields in the Small Towns," "Unmet Needs Among Foreigners in Omaha and Nebraska," "Unmet Needs in Social Ministry," "Neglected Districts in Omaha," "Neglected Suburban Districts." There will be a free discussion of these and other questions.

GRAFF DOES NOT FAVOR SCHOOLS FOR DANCES

While not condemning the action of the Chicago Board of Education in opening two schools to dances Superintendent E. U. Graff of Omaha believes this city is not yet ready for such a move. As to incorporating dancing in the curriculum, Superintendent Graff has his doubts as to its practicality and efficiency and would see it tried in other than Omaha schools.

The Chicago plan is to open the schools to all boys and girls in the neighborhood, whether they are students or not. The idea is to make the school a "social center" and thus to help eradicate the public dance hall evil. Milwaukee has

sanctioned the plan and will make it a feature in 1912.

"One thing Chicago has," said Superintendent Graff, "which I think is commendable. That is parents' organization. The members of this organization meet to co-operate with the school authorities and hold luncheons and entertainments which have been very successful."

HEADS OF DEPARTMENTS TO HAVE NEW OFFICES

The sixth floor of the city hall is being fitted up for offices for the heads of the various departments of public instruction. Superintendents of drawing, music, assistant superintendent of drawing, manual training, athletics, trainers, writing and kindergarten will each have an office. The move was started by the Board of Education, which will meet the expenses, and is designed to bring the educational organization of the city to a higher state of efficiency by systematic co-operation.
