Desperate Desmond

The Villain's Treacherous Plot is Spoiled—and by a Simple Sunflower. Kansas Please Note

Copyright, 1911, National News Association.

By Hershfield

Desmond's vile plan is now apparent. He forces Claude to fire at a dummy rigged up as an Italian soldier, while Reckless Hardy Shavus, U. S. A., is taking moving pictures of the scene. When the film is thrown on the screen it will look as if Claude had turned traitor to the Italian cause. A cruelly ingenious scheme to blacken a hero's character.

Reckless Hardy Shavus, the great war correspondent, having met brave men all over the world, cannot bear to be a party to the ruin of a real hero. Consequently, he attempts to save Claude from undeserved contumely. See the Reckless One reaching carefully around for a large sunflower, which rears its head in the Sahara just as bravely as if it were the state of Kansas.

Holding the sunflower right up against the lens of the camera, Shavus keeps on turning the crank, to the delight of Desmond who thinks that his plan is succeeding to perfection. It is impossible to beat Shavus; he is never without some really good scheme. Otherwise he could never keep up the fiction of a continual war in some part of the world, usually in the Balkans, where nobody goes.

Now comes Desmond before the Italian general. He accuses Claude of shooting down an Italian soldier in cold blood and declares that he has the pictures to prove it. The camera cannot lie, says Desmond. Even the general cannot but think that Claude is guilty, in the face of the villian's evident assurance. So everything is arranged to show the pictures before an impartial jury.

All is ready. The screen is in place. The camera is ready. The audience is ready. All is expectancy. And then on the screen is shown—a sunflower. It is an excellent picture of a sunflower, but the people came to see a crime portrayed and not a flower—if you can call a sunflower a flower. Desmond is at once stamped as a fakir and Claude's innocence is taken for granted.

"I'm the boy!" cries Desperate Desmond, "but I'm getting too much notoriety." The villain is posed in the spotlight, and in a few moments he will be shot. Everybody will rejoice at the ending of such a criminal career, but somehow or other Desmond has a way of sneaking out of difficulties, and although it seems impossible, he may be safe in tomorrow's story.
