LODGE RESOLUTION SIGNED

President Affixes Signature to Paper Abrogating Treaty with Russia.

SECRETARY KNOX ONLY WITNESS

Pact Automatically Continues in Effect for Another Year—Will Try to Negotiate a New Agreement.

WASHINGTON, Dec. 21.—With Secretary of State Knox as the only witness, President Taft today signed the joint resolution passed by congress ratifying his action in serving notice on Russia of the abrogation of the treaty of 1823 with that country.

The treaty automatically will continue in effect until January 1, 1912. In the meantime efforts will be made to negotiate a new treaty eliminating the causes of friction which led to the termination of the old one.

The house yesterday accepted the senate resolution by a substitute for the sulzer resolution which initiated the legislation.

On his return from New York, President Taft inquired if the resolution was ready for his signature. It had been signed by Vice President Sherman and speaker Clark last night.

President Taft affixed his signature as soon as he reached his desk in the executive offices and the last step of the abrogation proceedings had been taken.

President congratulates Caesar. Coincident with the signing of the resolution of abrogation today there was made public at the White House an exchange of telegrams between President Taft and the emperor of Russia. The president under date of December 19, sent his best wishes to the emperor in connection with the celebration of the feast of St. Nicholas, the name saint of the Russian ruler. The message follows:

"I beg to offer your majesty my cordial felicitations upon this anniversary and the assurance of my high regard and good wishes for yourself and for the nation over which your majesty reigns."

The emperor replied: "I pray accept my cordial thanks for your congratulations and good wishes."

Adulterated Paper Will Impair Life of Government Records

WASHINGTON, Dec. 21.—Discovery by the congressional joint committee on printing that "adulterated" paper had been used for years in the government printing office today led to the announcement of a complete new set of government paper standards. The paper adulteration was accomplished by the substitution of clay for the more substantial wood or rag fibers, leading to the grave fear that many of the printed records of the government will become unreadable in less than a century.

The joint committee has endeavored for more than a year to bring about a reform and standardization of paper purchased for the government and amounting to more than \$1,500,000 yearly. The public printer today was authorized to advertise for bids on 2,800,000 pounds of paper for the year beginning March 1, next.

In the new specifications the use of the clay and mineral filler is closely restricted.

Senator Brown Speaks for Sherwood Pension Measure

WASHINGTON, Dec. 21.—Senator Brown of Nebraska today addressed the senate in support of the Sherwood pension bill, which recently passed the house. He predicted the passage of the bill through the senate because he said there would be a roll call.

"If it could have been passed by the senate by this time, what a Christmas offering it would have been to the men who made Appomattox possible!" he exclaimed.

"Complaint is made that it would be too heavy a draft on the national treasury," said Mr. Brown. "What is the country's treasury for, but to pay the country's debts?"

DEFENSE SPRINGS TRAP ON MABRAY

Very truly yours, GEORGE R. SHELDON.

"The OUTLOOK, 387 Fourth Avenue, New York, Dec. 13 1911. Office of Theodore Roosevelt—Mr. George R. Sheldon, 62 Cedar Street, New York City: Dear Mr. Sheldon—I thank you for your letter, and I am glad that it was written. There is little for me to add to what you have said. I never directly or indirectly, in any shape, way or form, asked Mr. Harriman or anybody else to contribute a dollar to aid in my election. Moreover, in the only occasion on which Mr. Harriman ever spoke to me on the subject, he did so at his own initiative, and so far from there being any request from me to him, he made to me the request that I would aid in getting the national committee to contribute some of its funds for the campaign expenses of Mr. Higgins, the candidate for governor in New York state."

"It is at the time, stated to me that my own election was assured, that the election of Mr. Higgins, in which he was especially interested, was doubtful, and that he earnestly hoped that the national committee would divert some of its funds from the national to the state campaign. This was the need and where he believed the election of Mr. Higgins to be in jeopardy. As shown in your letter, this was precisely what the national committee did. Very truly yours, THEODORE ROOSEVELT."

NEW YORK, Dec. 21.—The monopoly of the trial of George Graham Rice and his associates in the firm of R. F. The prisoner, G. G. Byrne, when arraigned pleaded not guilty and was held in default of \$10,000 bail.

It is alleged that Byrne tried to bribe Judge Frederick S. Dale, offering \$1,000 if he would hold out against a conviction.

SAFE ROBBER GETS LEGACY

Al Rhoads Draws Three Thousand as Goes to Prison.

ALSO GETS SUIT FOR DIVORCE

Makes Money Over to His Aged Mother, Who Will Not Suffer While Son is in Penitentiary.

(From a Staff Correspondent.) DES MOINES, Ia., Dec. 21.—(Special Telegram.)—Al Rhoads, a notorious safe cracker, under sentence for a term in prison for having arranged a robbery of the Polk county treasury, started for prison this morning, but with the cheering thought that he is richer than he was before. He had just closed the arrangements by which he received over \$1,000 bequeathed to him by an uncle who died in Clarke county. He made over the money to his aged mother, who will thus be cared for while he is in prison. He was also served with notice that his wife would sue him for divorce while he is in prison.

Open Market Desired. The experiment of converting an old city building into a market house has not proved successful in Des Moines. Today when the market gardeners filled the market house provided for them they did not find business good and before the day was half over they had all moved out into the open where the snow and slush surrounded them, but where business was good. Plans for a larger market house will be made, but until that is done an open market will be maintained.

Kansas Man is Killed For Money Supposed to Be Hidden in Shoes

KANSAS CITY, Mo., Dec. 21.—"He hides his money in his shoes." This story had been freely circulated about Edward E. Jackson, 64 years old, an employee of the Atchison, Topeka & Santa Fe railroad, whose dead body was found hidden under the stairway of the railroad company's pumping plant in Kansas City, Kan., today. The police believe that Jackson was murdered by someone who had heard the story of his hidden wealth. Jackson's shoes were unfastened and evidently had been removed by the murderer. There was a deep cut across the dead man's forehead and a heavy shovel nearby probably was the weapon used by the murderer.

Heir to Millions is Found in Temple of Sun Worshipers

CHICAGO, Dec. 21.—How George Lindsay, 12 years old, and sole heir to the millions of the late W. H. Lindsay of Philadelphia had been removed from the temple of a "sun worshipers" cult and placed under the charge of the juvenile court at the request of relatives, was revealed here today.

Charles R. Lindsay, uncle of the boy, is responsible for the action. After a nation wide search the uncle found the boy in the "temple" here. Detectives in the employment of Lindsay, who attempted to take the boy away, were attacked by worshipers. It is said the boy's mother, who placed him in the "temple" is said to be known among the cult as "Vahdah." One of the charges made by the boy's uncle is that the lad was given a diet of grapes and beer. He is said to have been in the "temple" six months.

The boy's mother has been ordered not to return him to the "temple." Judge Pinkney will hear the case January 4.

LLANAPLITA, Pa., Dec. 21.—Lily is known here as the family of George Lindsay, the boy who is said to have been taken from a "temple" where sun worshipers gather in Chicago. A Miss C. R. Lindsay was found who admitted she was a member of the Chicago family, but she refused to discuss the case.

The police do not recall a millionaire here named Lindsay.

Sioux City Wins Fight for Lower Rates on Freight

WASHINGTON, Dec. 21.—A contest between Sioux City, Ia., and St. Paul and Minneapolis was decided today in favor of Sioux City by the Interstate Commerce commission. The Sioux City Commercial club complained against the Chicago & Northwestern and other railroads averring that the class freight rates from Sioux City to points in the northwest were unreasonable in that they exceeded the rates from St. Paul and Minneapolis to the same destinations. Both sides fought the Sioux City contention, but the commission ordered a reduction of the Sioux City rates to a point equal to the present rates from St. Paul and Minneapolis to substantially equivalent stations in the same territory.
