BURLINGTON CUTS ON OPERATION

Reports for This Year Divide Business Into Interstate and Intra-state Business—Business Little Changed.

(From a Staff Correspondent)

LINCOLN, Dec. 27.—(Special.)—The annual reports of the various railroads have now been filed with the railroad commission and present some interesting figures. The original report of the Burlington did not contain the casualties of the year and the corrected return has just been received. It shows that during the year eight trainmen were killed and 312 injured. Six passengers were killed and seventy-five injured and two postal clerks killed and nine injured. Sixteen others, trespassers and crossing accident, were killed and fifty-seven injured. The unusual number of passengers killed and injured was due to the disastrous wreck at Indianola May 29.

GOVERNOR MUST CHOOSE BETWEEN BULLDOG AND COLLIE.

(From a Staff Correspondent.)

LINCOLN, Dec. 27.—(Special.)—The question whether a bulldog or a Scotch collie shall be the household pet of the governor for Christmas is just now agitating the governor's office and the members of the executive household. The governor already possessed a bulldog of the approved and most homely type. Its legs have the proper bend and its mouth the familiar inquiring look when turned toward the seat of a visitor's pants. Now some kind friend gave the governor for Christmas one of the cutest collie pups that ever scampered over a lawn. There is room for only one dog in the executive mansion and which of the two is to be sent to the farm as a temporary residence is as yet undecided.

PROPOSED BOND ISSUE AT NORFOLK IS DEFEATED

NORFOLK, Neb., Dec. 27.—(Special Telegram.)—A proposed \$75,000 bond issue for municipal light plant was defeated here yesterday by 145 majority.

Oconto Man Dies of Appendicitis.

CALLAWAY, Neb., Dec. 27.—(Special.)—Walter Hansen, a young man who formerly resided here, but who for the last year has been conducting a blacksmith shop at Oconto, was operated upon for appendicitis, but owing to the fact that the disease had gone too long died from the effects of the same. The body was brought to Callaway Monday. Funeral services were held at the Evangelical church and interment made in the Rose Hill cemetery. He leaves a young widow and two small children.

Letter from Fire Marshal.

State Fire Marshal Randall is sending out a letter to the various commercial clubs of the state calling attention to the enormous waste from fire loss, and to the additional fact that a great portion of it can be prevented by the exercise of a little care. He asks for co-operation along these lines. The letter in part says:

In nearly every town in this state there are old dilapidated, worthless shacks and buildings that are a menace to adjoining property and to the city or village. Rubbish, paper and other debris is allowed to accumulate or is burned in a careless manner in the streets and alleys. Either of these conditions is a menace to valuable property and a danger to human life, and a crusade waged by you against these conditions will have a tendency to remove these causes, which are liable to cause a conflagration in your town that will be disastrous.

Jennie Geiger to Hastings.

The state pardon board today ordered Jennie Geiger transferred from the penitentiary to the Hastings insane asylum. Jennie has a hallucination that she is not Jennie Geiger, but her sister, and insists she is being imprisoned for a crime committed by her sister. She was sent up for life for a murder committed in Kimball county. She and a male companion killed a man with whom they were traveling overland, took his team and other personal property to Colorado and said it was a quarrel between the Geiger woman and her companion led to mutual incriminations and trials for murder.

SOUTH OMAHA MAN PAROLED

Governor Aldrich Releases Man Sent Up for Seven Years for Murder Said to Have Been Committed in Self Defense.

(From a Staff Correspondent.)

LINCOLN, Dec. 27.—(Special.)—E. L. King and J. H. Broady of the code commission were visiting the various state officers today, getting ideas for recommendations for changes in existing laws and for the dropping of obsolete laws from the new code. The game warden recommended the repeal of the law providing for local game wardens and would have all the work done from the central office. His reason for this suggested change is that local wardens as a rule do little or nothing toward enforcing the game and fish laws.

MACARONI EATERS ALWAYS HEALTHY

Some of the healthiest men and women in Omaha are great eaters of "Minnesota" macaroni and spaghetti. Many people who never cared for these foods before are delighted with the rich, nut-like flavor of "Minnesota" macaroni and spaghetti and it is surprising how much better a family will feel by eating more of these foods and less meat.

Good macaroni and spaghetti are the best and most nourishing foods known. They are fine for children—making their bodies strong and healthy. But if you want that rich, nut-like flavor be sure and get the delicious "Minnesota" brand macaroni or spaghetti—made from the finest Northern Durum wheat, with all the nourishing Gluten left in. It is easily digested and never gets soggy. All good Omaha grocers sell it.

Aged Seward County Farmer Kills Self

SEWARD, Neb., Dec. 27.—(Special Telegram.)—Alexander Ruzsogic, a well-to-do farmer, who lived near Germantown, committed suicide by shooting this morning. Mr. Ruzsogic, who had seemed despondent for several days, went into his room, and after locking the door shot himself in the side with a shotgun and bled to death in a few minutes. He was 70 years old and leaves a widow and five children. The coroner, after viewing the body, decided that an inquest was not necessary.

NEWS NOTES FROM BEATRICE

City Council Refuses to Confirm Man Appointed to Fill Vacancy in First Ward.

BEATRICE, Neb., Dec. 27.—(Special.)—The name of Dr. C. R. Rock, a prominent socialist of this city, was presented by Mayor Griffin to the city council at a meeting held last evening to fill the vacancy in the First ward caused by the resignation of P. E. Lenhart, councilman, who was elected district clerk last fall. All the councilmen voted against confirming him for the reason that Lenhart was a republican, and they believed that the ward should be represented by a member of that party. The mayor stated that he would continue to present the name of Dr. Rock and the responsibility of shutting the ward out of representation until spring should be with the council and not with him.

Backache

Is only one of many symptoms which some women endure through weakness or displacement of the womanly organs. Mrs. Lizzie White of Memphis, Tenn., wrote Dr. R. V. Pierce, as follows:

"At times I was hardly able to be on my feet. I believe I had every pain and ache a woman could have. Had a very bad case. Internal organs were very much diseased and my back was very weak. I suffered a great deal with nervous headaches, in fact, I suffered all over. This was my condition when I wrote to you for advice. After taking your 'Favorite Prescription' for about three months can say that my health was never better."

Dr. Pierce's Favorite Prescription

Is a positive cure for weakness and disease of the feminine organism. It cures inflammation, heals ulceration and soothes pain. Tones and builds up the nerves. Do not permit a dishonest dealer to substitute for this medicine which has a record of 40 years of cures. "No, thank you, I want what I ask for."

Dr. Pierce's Pleasant Pellets induce mild natural bowel movement once a day.
