# **Our January Clearance Sale**

#### Offers unparalleled opportunities to the seeker for a piano bargain

Our prices for this month are reduced from 331/3% to as much as 75% for the purpose of cleaning up the few pianos we have left from our Christmas sale, and with the idea of starting February 1st with a brand new stock, we are selling pianos of the best qualities at less than the Cost at the factory doors.

To give you an idea of the prevailing prices, we quote below just a few of the many bargains to be had in new and used Pianos:

Kimball	Singer
Cornish \$100.00	1911 style Mahogany
Camp & Co	
Kohler & Campbell	

During the holidays we took as part payment several pianos, several of the better grade of other than our own makes. These have been slightly used in most instances, but all have been thoroughly overhauled and are very nearly as good as new.

On these instruments we guarantee a saving of anywhere from \$100.00 to \$300.00.
