COAL WAGONS STOP CARS Mgr. Ryan of Dubuque is Dead

Too Many on Des Moines Streets to Permit Making Schedules.

PROBE FOR JUSTICES OF PEACE
Judge Brennan instructs Grand Jury to Investigate Fees Received as Compared with Those Turned In.

(From a Staff Correspondent.)
DES MOINES, Ia., Jan. 9.—(Special Telegram.)—Too many coal wagons on certain streets of Des Moines has caused the street car company to abandon temporarily the cross-town service of cars on two leading lines, the management deploring that so many wagons on the streets interfere with the handling of the cars and making time. Owing to the snow and cold weather the car service has ceased all but open violence from the patrons.

Will Investigate Justices.
Information has been given to the judges of the district court that justices of the peace in Polk county are withholding hundreds of dollars of fees and as a result of it members of the grand jury were asked to investigate the matter by Judge Brennan. The request was made in the regular instructions read by the court to the jury when it was assembled for the January term of court. Justices of the peace are supposed to turn over all of their fees to the county treasury. They receive a regular salary and are not entitled to one cent extra money, but the information that came to the judges is that some of the justices have been withholding \$50 per year for office expenses.

Hill Deeds Residence.
President Hill M. Bell of Drake university today deeded his residence near the university, valued at \$50, to the endowment fund of the university.

Musicians Protest.
The Des Moines union of musicians today made formal complaint to the reformers of Des Moines who have made war on the dance halls and declare that the ordinance passed restraining dance halls is an unnecessary hardship. They claim that it will close a great many places and throw musicians out of employment, while the evil complained of affected only one house.

FLOOD AND WILSON WILL ASK CHANGE OF VENUE

MURKATINE, Ia., Jan. 9.—Edmet Flood of Chicago and O. C. Wilson, labor leaders recently indicted here on the charge of conspiracy to destroy property during the button workers' strike, will ask for a change of venue from the local courts, according to an announcement today. In support of the petition it will be alleged that a fair trial in this county is unobtainable because of the prejudice aroused by the labor controversy.

IOWA CITY HIGH SCHOOL TEAM BREAKS RIFLE RECORD

IOWA CITY, Ia., Jan. 9.—The Iowa City High school, shooting at the Morris High school of New York City, has broken the interscholastic rifle record of the United States, according to an announcement here today. The local team made 98 out of a possible 100, or four points above the record which it established in the contest for the Astor cup last spring.

Fight for Marshalltown Pinn.
MARSHALLTOWN, Ia., Jan. 8.—(Special.)—A contest will undoubtedly develop for the Marshalltown postoffice. Congressman James W. Good today telegraphed that he had recommended the appointment of Dr. W. S. Devine, friend of M. R. McFarland, assistant postmaster. Joined in a petition to the postmaster general to hold up the appointment until a petition could be circulated in Mr. McFarland's behalf.

PILES CURED IN 6 TO 14 DAYS.

After the Age of Fifty
From this age the human system gradually declines and the accumulated poisons in the blood cause rheumatism in joints, muscle, and skin. These warnings should be promptly relieved and serious illness avoided by using the following prescription, which comes from a noted doctor and is said to have no equal in curing rheumatism and restoring physical vigor. Good results come after the first dose. "From your druggist get one ounce of Toris compound (in original sealed package) and one ounce of syrup of Sarsaparilla compound. Take these two ingredients home and put them into a half pint of good whiskey. Shake the bottle and take a tablespoonful before each meal and at bed time." If your druggist does not have Toris compound in stock he will get it for you in a few hours from his wholesale house. Don't be influenced to take a patent medicine instead of this. Insist on having the genuine Toris compound in the original one ounce sealed, yellow package.—Adv.

If you think that, why not give her one? For somewhat less than a thousand dollars you can buy a beautiful string of finest pearls. For ten times that much you would still prefer the single strand though the pearls would be much larger. It's not the price but the sentiment that she will appreciate. Let us submit a string of fine pearls at the figure you would be willing to pay. It's the lifetime gift.

Wives Can Preserve Joys of Courtship

"Aunt Ruth" in Women's Realm.
Every married woman should pay the same attention to her personal appearance that she did in her courtship days. Men admire well kept hair. Yours will be made light, fluffy and beautifully lustrous by dry shampooing, which is far better than soap and water. Put a cupful of cornmeal in a fruit jar, add the contents of a small original package of thorax, and shake well together. Just sprinkle a little on the head and brush thoroughly through the hair.

"Use face powder sparingly, if at all. To keep the skin soft and lovely and prevent growth of hair, gently massage the face, neck and arms with a solution made by dissolving an original package of mayatone in half a pint of witch hazel.

"Mothers often lose their good looks through worry. If you have 'crabby' children, or if they suffer from colds and catarrhs, use Mother's Salve. You should have it ready for accidents, anyhow, for it is a truly wonderful healer of cuts, burns, sores, sprains, pains and aches."—Adv.

"Confidence inspiring ability"
THIS phrase adequately expresses the impression made by the Oldsmobile on its owner.
The fact that the car is practically emergency-proof; the fact that wherever you go, you are relieved of nerve strain and worry by the sheer ability of the car itself, makes Oldsmobile ownership a pleasure without flaws or "come-backs."
Such ability cannot be measured by rated horse-power or a printed list of specifications, however impressive.
For example:
While retaining all the manifest advantages of a long-stroke motor—such as the persistent application of power over varying grades and smoothness of operation—the Oldsmobile will accelerate under full load; is "quick on its feet" and marvelously responsive to the throttle.

BANK ROBBER CONFESSES

Frank Holloway Says He Helped Pull Off Montreal Job.

UNDER ARREST IN CHICAGO

He Also Says He Murdered Two Men at Other Points—Another Arrest Made in Los Angeles.

CHICAGO, Jan. 9.—Frank Holloway, 32, who is also known under different names, confessed to the police today that he was concerned in two bank robberies, one at Panama and one at New Westminster, B. C., in which \$75,000 was stolen. He also said he was wanted for two murders and for many robberies in Oklahoma. The man was arrested last night on suspicion of being a pickpocket. To Inspector Hunt he detailed his crimes, saying that with companions he blew the safe in the bank of the Panama City Banking company in Panama City and escaped with \$40,000, took part in the robbery of the Bank of Montreal in New Westminster, B. C., last September, in which \$75,000 was stolen; shot and killed a man named Schaefer in Panama City in a quarrel over the division of spoils; shot Edward G. West, a railroad man, in 1910 in Bogota, Colombia, and forfeited a bond in Texas, where he was under arrest. Holloway said \$5,000 of his share of the robberies was hidden in a Chicago hotel, but declined to make its whereabouts known.

Woman in the Case.

LOS ANGELES, Cal., Jan. 9.—It is learned today that a woman, said to bear the name of Minnie Griffin of Tacoma, Wash., was connected with the arrest here of Charles Hoffman, alias Dean, alias Howard, alleged member of the gang which dynamited the vaults of the Bank of Montreal at New Westminster, B. C., September 13, 1911. It was stated that this woman was used to trace the man credited with having been one of the three who secured \$75,000 in cash and securities from the bank. SAN FRANCISCO, Jan. 9.—Local police believe that among those who aided John McNamara, arrested in New York charged with having robbed a branch of the Bank of Montreal of \$5,000, were three ex-convicts, one of whom is known as "Mickey" Gleason, now believed to be in Germany. The others are "Red" Yam, recently released from the state penitentiary in Maryland, and Billy Barrett, recently released from San Quentin in California.
