

DISCUSSES THE MATTER AFFECTING THE PUBLIC

Scores of People Are Coming Out with Frank Statements.

J. P. SCHAEFER RELATES FACTS

Says He Believes New Foreign Product to Be the Best Preparation Ever Placed Before the People of Omaha.

Scores of Omaha people, who have that common practical sense which guides them in all their acts and conclusions are coming out unreservedly with statements regarding "Tona Vita," the new tonic that is accomplishing such remarkable results in the city.

Mr. Schaefer said: "I have been complaining for some time past. I have used many remedies during that period, but with no success. I had stomach trouble and was nervous and all run down. My appetite was poor, and whenever I did eat anything gas would form on my stomach and would distress me for some time afterwards. I slept poorly and my sleep did me little good, as I would awaken in the mornings as tired and worn out as when I retired. I also suffered from palpitation of the heart.

"I finally heard of this new tonic, 'Tona Vita,' and decided to give it a trial. I began to improve from the moment I started the treatment. I now eat and sleep well. My stomach trouble and nervousness have all disappeared and I am no longer bothered with my heart. In fact, I am now a well man and believe 'Tona Vita' is the best medicine ever sold in Omaha.

"People who are nervous and irritable, have imperfect digestion and stomach disorder, lack energy and ambition, feel melancholy and discouraged, suffer with headaches, backaches, poor memory, unusual sleep, irregular circulation, have pallid complexions and cold feet, are unquestionably suffering with nervous debility, that distressing condition which is so common in all large cities, where nature's limitation is more apt to be exceeded," said one of the specialists who is here introducing "Tona Vita," in discussing the matter recently. "There are hundreds of such half sick men and women in Omaha who really do not know just what is wrong with them," continued this specialist, "and they struggle aimlessly along until they become totally debilitated and often come to us suffering with this painful condition in its most aggravated form. We have a preparation that will positively remove this condition and restore the organs of the body to a healthy, normal state."

The specialists are at the Brandeis drug department, Sixteenth and Douglas streets, south side, main floor, where they are meeting the public between the hours of 9 a. m. and 6 p. m.—Adv.

TRAINS ARRIVING DAY LATE

Traffic Toward Omaha Encounters Severe Blizzard in Wyoming.

SNOW PILED HIGH BY WINDS

Union Pacific and Other Roads Abandon Schedules and Progress Best They Can with Aid of Plows and Shovels.

Reports from the west are that the worst blizzard in the history of Wyoming is now just beginning to abate. The storm set in late Tuesday, continued during the balance of the day and all night.

The Wyoming blizzard had its origin some place in the vicinity of Casper and from there spread out south and southwest. The wind blew from thirty to sixty miles per hour and was accompanied by rain twelve to eighteen inches of light snow. Cuts along the Northwestern, the Colorado & Southern and the Union Pacific west of Cheyenne were filled with the snow and traffic was blocked.

On the Union Pacific the trains made slow progress. Trains that should have arrived Tuesday came in Wednesday, some of them eighteen hours behind the schedule.

On the Colorado & Southern two passenger trains between Cheyenne and Orin Junction were snow bound twelve hours. The engines died and passengers suffered greatly from the cold.

Snowplows Brought Out. West of Casper, on the Northwestern, trains were kept moving, but all schedules were abandoned. Snow plows were put ahead of all engines, but in several instances they were unable to back through the drifts, and shovellers had to be called into service.

West of Lander the blizzard seemed to have borne off toward the southwest, striking the Union Pacific the hardest in the vicinity of Laramie and Rawlins. Throughout Nebraska and Wyoming it is generally clear but cold. Throughout the Black Hills reports indicate a temperature of 10 degrees below zero. About the same kind of weather prevails from Long Pine west to Lander.

Wick License May Yet Be Taken Away

Tom Lee, attorney for Alvin Wick, whose saloon license is in question before Judge Kennedy, has been notified by the judge that he seriously is considering reversing the action of the Board of Fire and Police Commissioners and ruling that Wick should be denied a license.

Mr. Lee had to leave town before Arthur Mullen, attorney for the protestant, John J. Mahoney, finished his argument. He told the judge if Mullen raised any new points and the judge should seriously consider overruling the board, he wished to be heard in reply. Judge Kennedy will hear Mr. Lee in reply to Mullen's argument that the consent was insufficient, some of the signers not having been shown to be resident freeholders. Mr. Lee will argue within a day or two.

NORTH PRESBYTERIAN CHURCH NEAR COMPLETION

According to present plans next Sunday will be the last time that the congregation of the North Presbyterian church will worship in the old frame church building at Nineteenth and Chin streets.

One week from next Sunday they expect to occupy the new building at Twenty-fourth and Wirt streets, now about completed at a cost of \$50,000. Nothing from the old church will be moved to the new building. Modern and up-to-date pews are being put in place and a magnificent pipe organ is being installed. The new church has a seating capacity of close to 500, which includes the gallery. As yet, no disposition has been made of the old church and the two lots.

LA GRIPPE PREVAILS NOW AT GRAND ISLAND

United States Marshal Warner has returned to Omaha from Grand Island, where he has been attending a session of the federal district court. He says Grand Island is now in the grasp of an epidemic of gripple and the hospitals there are crowded with sufferers. He says physicians credit the cold weather with being responsible for the epidemic.

CHILDREN WANT IT THREE TIMES A DAY

Omaha children want "Minnesota" macaroni and spaghetti three times a day. They are delighted with its delicious, nut-like flavor, and Omaha ladies find there is nothing better for them.

People are just beginning to realize that good macaroni and spaghetti are the best and most nourishing foods and they will take the place of meat very largely. They are easily prepared and no one ever tires of them, because they can be served in so many appetizing ways.

But if you want that rich, nut-like flavor by you and get the delicious "Minnesota" brand macaroni or spaghetti—made from the finest Northern Durum wheat, with all the nourishing gluten left in. It is easily digested and never gets soggy. All good Omaha grocers sell it.

State Completes Case Against the Omaha Hotel Owners

The state completed its testimony in the case of the state against Charles E. Fanning, known as the Omaha hotel Albert law case, before Judge Leslie in the equity division of the district court yesterday. The defense began its introduction of testimony, which is substantially the same as that introduced at the previous hearing on temporary injunction. It is intended to show that the alleged improper conduct of women in the hotel was without knowledge of Fanning, the proprietor, or Fanning, the owner of the building, and that the women told their patrons to be quiet, as if the management of the hotel heard what they were doing they would be forced to leave. LeRoy Henty, one of the Anti-Saloon league detectives, who testified against the place, denied the women made such statements.

HIGH SCHOOL EXAMS COST THE MIDNIGHT OIL

Examinations for members of the mid-term graduating class of the Omaha High school will be held during the regular class hours next Tuesday and Wednesday. All students who have made a grade of 80 or above in lessons so far during the school year will be excused from taking the tests. Twenty students expect to graduate.

The other students of the school are now turning the midnight oil in preparation for the regular exams, which come the week after next. Eighth grade pupils who plan to enter the high school this month will do so on Monday, January 23, when the new term begins.

Baby's Voice

Every woman's heart responds to the charm and sweetness of a baby's voice, because nature intended her for motherhood. But even the loving nature of a mother shrinks from the ordeal because such a time is regarded as a period of suffering and danger. Women who use Mother's Friend are saved much discomfort and suffering, and their systems, being thoroughly prepared by this great remedy, are in a healthy condition to meet the time with the least possible suffering and danger. Mother's Friend is recommended only for the relief and comfort of expectant mothers; it is in no sense a remedy for various ills, but its many years of success, and the thousands of endorsements received from women who have used it are a guarantee of the benefit to be derived from its use. This remedy does not accomplish wonders but simply assists nature to perfect its work. Mother's Friend allays nausea, prevents caking of the breasts, and in every way contributes to strong, healthy motherhood. Mother's Friend is sold at drug stores. Write for our free book for expectant mothers.
