HAVANA, Jan. B.—The reply of the Cuban sovernment to the note of Secretary Knox. Intimating that the United States government might be compelled to intervene in Cuban affairs probably will be made today.

An official statement was given out today regarding the conference held last night at the palace between President Gomez and representatives of all the political factions and the veterans. The statement follows:

"Regretting that I must appear either as a witness or a party to the insuninger as a witness or a party to the insuninger as a witness or a party to the insuninger as a witness or a party to the insuninger.

The conference between us in my apartment at the Manhattan club was held to consider certain practical measures relating to Governor Wilson's candidary. Colonel Harves stood toward Governor Wilson much as I had stood five and thirty years ago toward Mr. Tilden. This appealed to me. Colonel Harvey

To Re-Enact Civil Service Law.

Details of the terms of agreement reported at the conterence have not been given out, and possibly they will be the subject of further conterences. It is probable that one of the liret actions to be taken will be the passage of an act revoluing the anniment of the civil service law, thus putting an end to the persistions attempts of the veterans to divide the Cubans into classes, contrary to the constitution.

It is certain that all those who were present at the meeting at the palace pledged to the interests represented by them to make every smerifice in order to uphold President Gomes in his efforts to remove the faintest justification for American intervention.
