HAYDEN'S MARK-DOWN SALE

Stands without an equal as a value giving event; you hear on all sides of clothing being sold at reduced prices, but you must always remember that low prices alone never make values. The unbounded success of our mark down sale is due to a combination of high grade clothes and low prices. No man who wants value for his money will take the chances of buying the common ordinary kind of clothes when he can come here and choose from the finest productions of

Hart, Schaffner & Marx

and other leading manufacturing tailors, every one so good that it carries the guarantee of satisfactory wear and our guarantee to be the biggest value your money can buy.

These liberal reductions are made on legitimate original figures—so you get what you expect and are entitled to.
