This way--gentlemen!

for real bargains in the clothes you wear.

Our 1/2 Price Sale

of men's and young men's suits and overcoats is in full swing

Ordinary stores inaugurate a sale with a mere handful of clothing. This store takes all its small lots and forces them out. We sell more garments the first few days than other stores have to start with. We keep it up until every one of the thousands of garments are disposed of. We absolutely refuse to carry over stock from season to season. We keep posted on conditions. When the assortments begin to get depleted we tell you. When they are at full capacity we remind you of the fact. They are now that way. And-such bargains-why, our half prices make the garments' cost you a full third less than at any other sale of clothing in town. The regular price is marked on the ticket-pay the salesman half of that.

We're strong on \$20.00 and \$23.00 garments at \$10 and \$12.50 These are our most popular prices. We sell more of them regularly and include more of them in these sales than any other priced garments. .Better see them.

Big men, tall men, shert or stout men Find here hundreds of garments to choose from—any special cut and sizes up to 50-in. You fellows that other stores can't fit, come in.

\$10.00 to \$40.00 Suits for \$5 to \$20

Sales of men's suits balance up pretty well among the various prices. This fact, taken in conjunction with the enormous number of suits included justifies us in saying that all grades are amply represented and in every size, A great many are in medium weight serges and worsteds, suitable for early spring wear.

\$10.00 to \$40.00 Overcoats for \$5 to \$20

In regular season our \$50.00 and \$60.00 overcoats are naturally the smaller end of our overcoat stock. In a sale of this kind garments at these prices are somewhat limited. We find that all the finest grades are completely sold-but in our famous line of to \$40.00 coats a fine selection remains.
