TO REVISE ELECTION BOARDS

Clerk of District Court to Select New Members.

REPUBLICANS TO BE IN THE LEAD

Between Eighty and Ninety Democratic Judges and Clerks Are to Be Replaced by Republicans.

Between eighty and ninety democratic judges and clerks of election who have served in Douglas county since the primary last fall and who were supposed to have been appointed to serve for one year, will be removed and replaced by republicans by Robert Smith, clerk of the district court. This action will be taken upon the advice of Deputy State Attorney General George W. Ayres. It will give the republicans a majority on practically every precinct election board in the county, while at present the democrats are in the majority in most of the precincts.

Item Welcomed By Many Men

This recipe can be filled at home, so that no one need know of another's troubles, as the ingredients can be obtained separately at any well stocked drug store. They are in regular use and many different prescriptions are constantly being filled with them.

This will prove a welcome bit of information for all those who are overworked, gloomy, dependent, nervous and have trembling limbs, heart palpitation, dizziness, costiveness, insomnia, fear without cause, timidity in venturing, and general inability to act naturally and rationally as others do, because the treatment can be prepared secretly at home and taken without any one's knowledge.

Overworked office men and the many victims of society's late hours and dissipation will, it is said, find the restorative they are in need of.

If the reader decides to try it, get three ounces of ordinary syrup sarsaparilla compound and one ounce compound fluid balsamwort; mix and let stand two hours; then get one ounce compound essence cardiol and one ounce tincture camomile compound (not cardamom), mix all together, shake well and take a teaspoonful after each meal and one without retiring.

A certain well-known medical expert asserts that thousands of men and many women are sufferers all because of dermatal circulation of the blood and a consequential impairment of the nervous force, which begets the most dreadful symptoms and untold misery.—Adv.

All Have a Chance to Submit Figures on Decoration Plan

No contract for interior decoration of the new county building will be awarded by the Board of County Commissioners until after thorough consideration of the proposals of the firms and persons who have bid for the work, and thorough consideration of the plan of Orchard & Wilhelm Carpet company and others that the board reject all proposals and readvertise in order that all may have opportunity to bid.

After hearing a plea from the Orchard & Wilhelm representatives, and after viewing sketches submitted by Fuchs, Son & Blind and M. L. Andrews, present bidders, the board has decided to postpone final action for several days in order that more consideration may be given the situation. The board may reject all bids and readvertise.

FUNERAL OF SALVATION ARMY PRIVATE SUNDAY

Funeral services for Mrs. John Gignacek, the Salvation Army private who died Friday afternoon at her home, 946 North Twenty-fifth street, from causes incident to nervous prostration, will be held Sunday afternoon at the Salvation Army hall at 1711 Davenport street, at 2 o'clock.

Mrs. Gignacek has been connected with the local post for over fifteen years, and she was one of the most active workers in the corps. She suffered a general breakdown about a year ago and had been suffering until death relieved her. She is survived by her husband and one son and a daughter. Memorial services will be held at the Salvation Army hall in her honor next Sunday night.

SPECIAL MEETINGS ALL WEEK AT FIRST U. P. CHURCH

Special meetings will continue during next week at the First United Presbyterian church, Twenty-first and Emmet streets. Dr. A. C. Douglas will preach Sunday morning on "The Bible, God's Book for Man," and in the evening on "No Occasion." On Monday evening Rev. Mr. Polack of South Omaha will conduct the service. Dr. Douglas will return from Des Moines on Tuesday evening and will preach each evening during the remainder of the week.

BREAK HOG RECEIPTS RECORD

During Week Just Ended 85,500 Porkers Are Brought In.

PLENTY OF PIGS IN COUNTRY

No Especial Reason Is Given for the Heavy Receipts Except that the Hogs Were Ready to Come and Are Shipped In.

More hogs were received at the South Omaha market during the week just ended than during any similar period in the history of the Magic City. It is reported the receipt of hogs for the week ending Saturday totaled 85,500. Up to the present time the record week was that ending December 27, 1908, when 81,198 hogs were received.

"There's no special reason for the heavy receipts at this time," says A. C. Davenport of South Omaha. "It's just one of those 'happen so's.' There are plenty of hogs in the country; they were ready to come, and they simply came. We have been expecting a heavy run for some time."

Nothing extraordinary exists at this time in the matter of sheep and cattle receipts, though they are coming in steadily. Reports from Wyoming and all the sheep country in the northwest are that the sheepmen feel much easier about the snow in meeting, allowing the flocks to find ample grazing.

POLICE COURT TO BE ENTIRELY FIXED OVER

A near riot was caused in police court among the officers and court officials when the announcement was made by Judge Foster that the court room was to be painted and a new linoleum placed on the floor. Measurements were taken for the work. The present linoleum on the court room floor has been there for over seven years, and unless one has very good eyes the fact that the floor is covered with anything but dirt at present cannot be noticed.

SMALL BOY SEEKS PERSON WHO STOLE HIS TRAVELER

David Henry, a small boy living at 1113 North Fortieth street, is looking for the man who stole his traveler.

The same man, who is unknown to David, went into the latter's back yard and stole a coat and traveler. The boy said he would not mind the thief if his traveler had not been the fastest one on the hill and the envy of every boy.

Gov. Aldrich is to Speak Sunday to Y. M. C. A. Members

Governor Chester H. Aldrich will give an address on "The Mental Biography of the Nazarene" at the Sunday afternoon meeting in the Young Men's Christian Association building assembly hall in tomorrow afternoon at 4 o'clock. George F. Gilmore, president of the association, will preside and introduce the governor. The invocation will be pronounced by Rev. M. B. Williams, pastor of the First Methodist church, and the benediction, by Rev. E. R. Curry, pastor of the Calvary Baptist church. Charles L. Gardner will lead the singing and will give several solos. The doors will be open at 3:30.

CHILE WANTS TO KNOW ALL ABOUT THIS CITY

The city engineering department has received a letter from Santiago, Chile, asking for the information leaflet about Omaha, announcement of the publication of which the correspondent says he saw in The Bee. The letter, written in Spanish, was translated by Will Campen, adopted son of Mr. and Mrs. George L. Campen, who was born in Spain and spent some time in Panama, where Mr. Craig met him. Young Campen is now in the Omaha High school.

Another letter, requesting a copy of the leaflet has been received from Louisville, Ky. Numerous letters have been received since the publication of this leaflet and the supply is now nearly exhausted. It gives succinctly the advantages of Omaha and a list of the present industries located here.

WESTERN DEVELOPMENT LEAGUE FAILS TO APPEAR

Lost, the executive committee of the Western Development League.

When former Governor James H. Brady of Idaho, president of the Western Development League, passed through Omaha about a month ago, he said the executive committee of the league would meet in Omaha on January 20. The members of the committee have not showed up and Secretary E. V. Parrish of Omaha has heard nothing from them.

Negro Woman Kills Her Paramour Who Started a Rumpus

John Murray was murdered by Gerlie Mansfield at 1:30 yesterday afternoon while they were eating dinner at the latter's home, 329 Capitol avenue. Both are colored. Murray was shot once in the head and twice in the abdomen, dying instantly. He was 35 years old.

It was dinner time at Gerlie's home and Murray, her paramour, came in for his mid-day repast. He appeared to be out of kilter from indulgence in liquor, and was irritated when he found that Gerlie had not provided a glass of water at his place. Words followed, and in the heat of argument, both arose and dashed for the piano upon which a revolver lay. Gerlie got there first and in the scuffle that ensued the shots were fired.

Two other colored women, Beatrice Lee and Josephine Lewis, were seated at the table when Murray exhibited his displeasure, and after the climax had been reached they held Gerlie until the police arrived. She was placed in jail on the charge of murder, while Murray's body was taken by the coroner. The Lee and Lewis women are held in jail as state witnesses. The Mansfield woman says she shot Murray in self defense.

Thieves Take Cash from Savings Bank

J. S. Englund, 225 Grant street, reported to the police that his home was broken into by thieves and \$6 in cash taken. Half of this amount was in a small savings bank which was taken by the thieves. Entrance to the place was gained by raising a window on the first floor.

HEALTHY MOTHERS

Women who bear children and remain healthy are those who prepare their systems in advance of baby's coming. Unless the mother aids nature in its pre-natal work the crisis finds her system unequal to the demands made upon it, and she is often left with weakened health or chronic ailments. No remedy is so truly a help to nature as Mother's Friend, and no expectant mother should fail to use it. It relieves the pain and discomfort caused by the strain on the ligaments, makes pliant and elastic those fibres and muscles which nature is expanding, prevents numbness of limbs, and soothes the inflammation of breast glands. The system being thus prepared by Mother's Friend dispels the fear that the crisis may not be safely met. Mother's Friend assures a speedy and complete recovery for the mother, and she is left a healthy woman to enjoy the rearing of her child. Mother's Friend is sold at MOTHER'S FRIEND drug stores. Write for our free book for expectant mothers which contains much valuable information, and many suggestions of a helpful nature. BRADFIELD REGULATOR CO., Atlanta, Ga.
