CARDINALS WALK MOST MEN

Checked Given Most Passes by Opposing Pitchers—Brooklyn Pitchers Lead in Number of Strikeouts.

NEW YORK, Jan. 22.—Official records at bases on balls, strike outs and first base on errors by teams in the National League during the season of 1911, with individual figures in some cases, were made public today by Secretary John Heydler.

National league pitchers, these statistics show, gave 4,379 bases on balls. The St. Louis club led with 282, Chicago second with 263 and Cincinnati third with 253.

A new departure was the keeping of records showing the number of men reaching first base on errors. These figures showed 1,300 runners to profit in this way.

FRANK BURNS WINS RIGHT TO MEET JOHNNY COULON

NEW ORLEANS, La., Jan. 22.—Frank Burns of Jersey City was awarded the decision over Johnny Daly of Brooklyn after twenty rounds of hard fighting before the West Side Athletic club at Algiers this afternoon.

It was a good fight from the first round on. Both were willing mixers and fought at a fast pace. In the fourteenth round it seemed as if the bout would end when Burns jabbed Daly in the stomach a dozen or more times with blows that would have knocked out a less hardy fighter.

They fought furiously in the first round, Burns bringing the blood from Daly's nose and mouth with straight lefts, the Brooklyn boy raising a large lump on Burns' right eye with a hard left swing.

Burns was best at fighting, working rights and lefts to the stomach and kidneys in the frequent clinches, which Daly sought. Daly left the ring with a badly battered and swollen face and with several marks on his body.
