

HYDRANT RENTS BLOCKED

Water Company's Claim Countered by Heavy Occupation Tax.

COSGROVE SPRINGS SURPRISE

Refuses to Pay \$220,000 Rentals to Water Company Until It Comes Across with \$151,818 for Occupation.

Attempting to collect \$20,000 hydrant rentals due from the city the Omaha Water company was met yesterday by City Comptroller F. H. Cosgrove with a counter proposal...

The occupation taxes have been accumulating since September of 1909. It is provided by ordinance that corporations shall pay a royalty of \$5.00 per month with interest at 1 per cent after due and 6 per cent as penalty after the lapse of six months.

In refusing to pay the \$220,000 unless the occupation taxes with accumulated interest and penalties was deducted Mr. Cosgrove made the following explanatory statement to the company:

Conforming to your request, warrant on the city treasurer has been drawn for the amount of the debt which your company is owing the city as per the attached statement...

In view of the fact that your company is now delinquent in the payment of certain occupation taxes, levied and now owing to the city aggregating \$151,818.75 I have in accordance with section 192 of the charter for metropolitan cities in the state of Nebraska, deducted from the amount of the warrant as above indicated the amount of the debt which your company is owing the city as per the attached statement...

Boy Scout Founder is Coming to Omaha

Lieutenant General Sir Robert Baden-Powell, founder of the Boy Scouts, will stop in Omaha on his American tour, and arrangements are already under way to entertain him there.

SON CLAIMS ESTATE OF FATHER LEFT TO ANOTHER

Discovery that John H. Banister of Pender, Neb., who died in Omaha six months ago, was possessed of \$20,000 worth of Nebraska farm land, has resulted in a war between William J. Banister of Omaha, a son of the old man, and Miss Louisa C. Jones of Omaha, to whom he bequeathed his property.

William B. Banister of New York City, representing his father, W. J. Banister, appeared before Judge Crawford in county court and objected to the admission of the will to probate. He objected to the court's jurisdiction, saying that the man's residence at the time of his death was in Pender, even though he died in Omaha.

Do you know that more real danger lurks in a common cold than in any other of the minor ailments? The safe way is to take Chamberlain's Cough Remedy, a thoroughly reliable preparation, and rid yourself of the cold as quickly as possible.

DR. G. W. TODD, 462 Brandeis Bldg., Omaha.

If anyone had told me six months ago that I could get teeth that would make me feel like a new man, I would have thought that the person telling me of such good fortune was crazy. For years I tried to get some relief and comfort from some bridge work and up to the time I was recommended to you I tried five different dentists with the same results.

I was almost desperate with pain and disappointment, but since you fixed me up with your new artificial teeth I once more feel human. There is no way in which I can better express my thanks to you than by recommending any of my friends and acquaintances who may be in need of dental work to visit your office, so that they may reap the benefits which come from your new invention.

Very truly yours, W. R. CARL, Benson, Neb.

BRANDEIS STORES
