FREDERICK DYER, Correspond'g Sec'y

My unbounded faith in Magic Foot Drafts is built on my record of results. If you could see the thousands of letters I get, telling of cures at every stage in the progress of this cruel torture called Rheumatism, cures of old chronics who have suffered 20, 30 and even 40 years, as well as the milder stages, you would lay aside your doubts. Then, after trying, if you are fully satisfied with the comfort they bring you, send me $1. Tomorrow Monday, January 29, Scores of Eighth Grade Graduates Will Enter Boyles College

Special Eighth Grade Graduate Classes will be formed in Boyles College at 9 o'clock tomorrow morning and every morning throughout the week.

If YOU graduated from the Eighth Grade Friday, we cordially invite YOU to join with all these classmates of yours in this special preparation for successful business careers.

Boyles College presents decided, definite advantages not possessed by any of the other business colleges or by any commercial department—and its courses prepare one for a successful business career in one-half the time required by the public school commercial department.

Its faculty is of the most superior ability—embracing, as it does, honor graduates of such institutions of learning as Harvard University, Drake University, Iowa University, Union Law College and other famous colleges—instructors who won by sheer merit the degrees of Bachelor of Arts, Bachelor of Laws, Bachelor of Science, Bachelor of Philosophy.

Its courses, including special training in Bookkeeping, Accounting, Banking, Stenography, Salesmanship, Private Secretarial Work, Telegraphy, Preparation for Civil Service Appointments as Railway Mail Clerks and Government Clerks, are unquestionably the most thorough, most practical and most successful taught anywhere.

Boyles College also maintains a Special Situation Finding Department by means of which Boyles graduates are placed in the best class of positions. THIS IS AN ADVANTAGE THAT THE GRADUATES OF THE USUAL PUBLIC COMMERCIAL DEPARTMENT WILL SADLY MISS—WHEN AFTER TWO YEARS' LONG DRAWN OUT PREPARATORY WORK THEY WILL FIND THEMSELVES SET ADRIFT TO FIND A POSITION FOR THEMSELVES.

Boyles College can fit you to be a success if you give it a chance. And, on the other hand, it is, as Elbert Hubbard says: "The classical education may help you to earn a living, and it may not, but business education always does. Graduates of good business colleges, absolutely without exception, have paying positions awaiting them."

Why not come in tomorrow morning and enroll with all those other Eighth grade fellow graduates? Or at least write, call or 'phone for our catalogue. It is free for the asking.
