His Experience in the Army as Well as in His Home.

Gallant Spanish-American Soldier Gives Praise to Pe-ru-na

Col. Arthur L. Hamilton, of the Seventh Ohio Volunteers

"I have used Peruna myself and in my family for the last seven years. I have already written you about the good results I experienced with your remedy during the Spanish-American War.

My command used your Peruna during our service in the Spanish-American War, and I will say this, that if the War Department records are consulted, it will be found that the casualities in my regiment were less than in any other regiment of the Army Corps while at Camps Alger, Mesde and Bushnell. The total deaths in my regiment during the seven months' service, were seven out of a total of 1400. I, of course, cannot help but think that Peruna certainly was a great benefit to my command."
