

Desperate Desmond

After a Series of Adventures, Rosamond is Finally in Sight of Rescue from the Villain

By Hershfield

Inside the gloomy walls of the Chinese fortress, Rosamond in chains was left by the cruel Desmond while he went to meet some of his mysterious friends...

In the meantime Claude and Little Philip have been left in the hands of the Chinese henchmen, the highlanders, and their lot seems almost worse than Rosamond's...

And here we see that the path of duty has led Claude in the direction he wanted. He is putting up a proclamation warning every one to respect American citizens and American property in all circumstances...
