ALDRICH SOON TO MAKE TRIP

Governor Plans Extended Inspection of Irrigated Projects.

AUDITOR FOR HOME COMPANIES

Rules They May Engage in Accident Business if Similar Foreign Corporations Are Given the Right.

(From a Staff Correspondent.)

LINCOLN, Feb. 5.—(Special.)—Governor Aldrich is planning for the near future a trip through the section of the state where irrigation is practiced and will be accompanied by Engineer Price of the Board of Irrigation.

While no large projects have as yet developed as the direct result of these conditions scarcely a day passes but some application for a water right comes in to the irrigation board.

There are several important matters to be looked into in connection with the older and larger projects in that section, among them the protection of the interests of Nebraskans in the right to water from the North Platte river.

Legislative Reunion.

The committee which has charge of arrangements for the legislative reunion in Lincoln, February 15 met today and went over the plans and looked after new arrangements.

Rural Life Commission.

The Rural Life Commission has a meeting at Norfolk commencing tomorrow and continuing through Thursday. Henry Seymour of the tax commission is to make an address tomorrow on the taxation problem and Thursday Governor Aldrich is to be addressed on "The Farmer and the State."

Experts in the employ of the state railway commission are now going through the books of the Lincoln Traction company, checking up the receipts and expenses.

Grand Island Fight.

A legal battle over the St. Joseph & Grand Island railroad was commenced in the federal court this morning before Judges W. H. and T. C. Munger.

George Melcher, chief clerk of the Missouri State Board of Education, is in Lincoln investigating the Nebraska system of certification of teachers.

Miss Ann V. Day, assistant state superintendent of instruction, has gone to the central part of the state to investigate rural schools.

The supreme court resumed its sittings today, the entire time being taken up with the argument of four cases from Seward county.

Pretty Mothers

Health is the foundation of all good looks. The wise woman realizes this and takes precautions to preserve her health and strength through the period of child bearing.

four creditors sued the directors individually, alleging they became creditors of the failed bank on account of the representations made to them of the condition of the bank that it was solvent.

The state food department has received word that Whitehead Bros., butchers at Mason City, have been fined \$10 and costs for keeping an unsanitary butcher shop.

W. A. Prince of Grand Island was in the city for a short time today enroute to Washington, where he will appear before the public lands committee of the house in behalf of settlers along the line of the Union Pacific regarding the claim of the company to a strip 400 feet wide as right-of-way.

Indications around the state house today were that a convention of candidates for the republican nomination for commissioner of public lands and buildings was about to be convened.

Waldo Wintersteen of Dodge county sent in his filing as a democratic candidate for election at-large.

Secretary of State Wait has prepared a series of three postal cards, containing information concerning the primary law, which he is sending out in answer to questions.

Lincoln democrats are looking for a lively time when the democratic state committee meets at Columbus Thursday.

A hurry call has been sent out to members of the committee whom each faction thinks it can depend on to be sure and attend while no one appears anxious to have the uncertain quantities show up at the meeting.

The Union Pacific answers that the improvements are necessary for the traffic which is being diverted to the line and from which the Grand Island line profits and that if the plans are carried out it will be to the best interests of all the stockholders.

The minority stockholders are represented by Myron L. Elarned of Omaha, Samuel Untermyer of New York, R. W. Moore of Kansas City, W. D. Guthrie of New York and H. A. Brown of St. Joseph.

LA FOLLETTE MEN SURPRISED

Report Their Candidate Contemplates Leaving Race.

PHYSICAL COLLAPSE IS CAUSE

Numerous Candidates for Legislative Positions Submit Their Filings to Secretary of State Wait at Capital.

(From a Staff Correspondent.)

LINCOLN, Neb., Feb. 4.—(Special Telegram.)—Telegraphic reports that the intimate friends and managers of Senator La Follette contemplated withdrawing his name as a candidate for the presidency on account of the breakdown in the senator's health, came as such a surprise to the supporters of the senator.

Frank Harrison, who is connected with the national headquarters of the La Follette movement, said in an interview today that the senator's general health was good and that he was suffering from overwork, from which he would rally after a short rest.

Indications around the state house today were that a convention of candidates for the republican nomination for commissioner of public lands and buildings was about to be convened.

Waldo Wintersteen of Dodge county sent in his filing as a democratic candidate for election at-large.

Secretary of State Wait has prepared a series of three postal cards, containing information concerning the primary law, which he is sending out in answer to questions.

Woman and Child Killed by Train Near Lincoln

LINCOLN, Neb., Feb. 5.—A vain attempt to snatch her 5-year-old daughter, Phoebe, from in front of a rapidly moving freight train resulted in the death near here this afternoon of Mrs. U. S. Milliken and her child.

Mother and Daughter Killed Upon Track

(From a Staff Correspondent.) LINCOLN, Feb. 5.—(Special.)—Mrs. U. S. Milliken and her 5-year-old daughter were killed by a Rock Island train a few minutes after noon today while attempting to cross the tracks a half-mile east of the penitentiary.

On her mother's side Miss Harrison is granddaughter of the late Alvin Saunders, who was governor of Nebraska and a senator from this state.

The crossing is just around a curve and the engineer did not see the two until close to them and even did not notice get out of the way until it was too late to stop the train.

Mrs. Palmer Granted Divorce. HASTINGS, Neb., Feb. 5.—(Special.)—Mrs. Salina Palmer has been granted a divorce from O. R. Palmer, a wealthy suburban farmer, and has been awarded \$6,000 alimony.

The Bubonic Plague. Gastroenteritis, fever, stomach, liver and kidney diseases, for which Electric Bitters is the guaranteed remedy.
