me because I have been disappointed so often I had lost all faith in everything. "I have been nervous and all run down sleep did me little good. I could eat nothing but liquid foods and even this would form gas on my stomach and cause tried various remedies and consulted dif-

ferent physicians, but received no per-manent relief. "I heard of the good Tona Vita' was doing in Omaha and decided to give it a trial. I saw immediate results, and now after a ten days' treatment I am a well man. This is the best medicine I have ever taken. I can now eat and sleep well and my stomach does not bother me. I think it is wonderful to have gotten back

my health in so short a time." People who are nervous and irritable, have imperfect digestion and stomach disorder, lack energy and ambition, feel melancholy and discouraged, suffer with headaches, backaches, poor memory, unsound sleep, trregular circulation, pallid coughs and colds, are unquestionably suffering with that modern plague, ner-vous debility, say the specialists who
