### Modern Woodmen Are Organizing to Resist Rate Raise

At a very largely attended meeting of the W. M. Camp No. 54, Modern Woodmen of America, Tuesday evening a committee was appointed to meet with the committee from other camps in this vicinity to take such action as may be necessary to prevent the increased table of rates recently enacted at the special head camp session in Chicago from going into effect. The W. M. Camp has a membership of nearly 1,500, including some of the leading business men of the city, professional men and county and city officials.

The sentiment at the meeting was overwhelmingly in opposition to the increase as proposed, but there was no talk of seceding from the society. It seemed to be the opinion of many of the leaders that some means would be found to prevent an increase in the assessment rates as radical as that which was enacted at the Chicago meeting.

### BURNED BRIDGE CAUSES N. W. TRAINS TO DETOUR

For the first time in ten years the Northwestern brought its trains from the west into the Webster street station, detouring them from Irvington over the Scholt cut-off. The occasion for the change was caused by the burning of a bridge on the main line near the west end of Dodge street, this city.

## DON'T PULL OUT THE GRAY HAIRS; A SIMPLE REMEDY RESTORES COLOR

Cures Dandruff, Stops Falling Hair and Makes it Grow.

"Pull out one gray hair and a dozen will take its place" is an old saying, which is, to a great extent, true, if no steps are taken to stop the cause. When gray hairs appear it is a sign that Nature needs assistance. It is Nature's call for help. Gray hair, dull, lifeless hair, or hair that is falling out, is not necessarily a sign of advancing age, for there are thousands of elderly people with perfect heads of hair without a single streak of gray.

When gray hairs come, or when the hair seems to be lifeless or dead, some good, reliable hair-restoring treatment should be resorted to at once. Specialists say that one of the best preparations to use is the old-fashioned "sage-tea" which our grandparents used. The best preparation of this kind is Wyeth's Sage and Sulphur Hair Remedy. A preparation of domestic sage and sulphur, scientifically compounded with later discovered hair tonics and stimulants, the whole mixture being carefully balanced and tested by experts.

Wyeth's Sage and Sulphur is clean and wholesome and perfectly harmless. It refreshes dry, parched hair, removes dandruff and gradually restores faded or gray hair to its natural color.

Don't delay another minute. Start using Wyeth's Sage and Sulphur at once and see what a difference a few days' treatment will make in your hair.

This preparation is offered to the public at fifty cents a bottle, and is recommended and sold by all druggists.

## I've just added a complete Letter Duplicating Dept.

LETTERS—thousands—tens of thousands of 'em—are being turned out of this NEW department of mine—and EVERY letter LOOKS like a REAL typewritten missive.

My expert corps of stenographers will "fill in addresses" on both LETTERS and ENVELOPES if you so desire—they will sign the signatures by HAND or by automatic equipment—just as you PREFER.

I've NEW facilities for getting complete LISTS of NAMES if YOU haven't the TIME—I will even WRITE the original LETTER if YOU wish to SHIFT the responsibility.

My DUPLICATING DEPT. is turning out EXTRAORDINARILY CLEVER work—I DON'T believe in "middle class" stuff.

I KNOW a good letter when I SEE one, for I've WRITTEN THOUSANDS of 'em for the most exacting concerns in America—pulled hundreds of thousands of dollars' worth of BUSINESS with 'em—so isn't it only NATURAL that I turn out something UNUSUAL in this new DUPLICATING DEPT. of mine?

It doesn't make any difference WHERE you do business, you'll have plenty of "new kinks" to your letters if I get 'em out for you.

Phone Red 5108 and one of my representatives will call.
