ECHOES OF THE ANTE-ROOM

Woodmen Await with Interest Developments in Rate Fight.

TO HOLD MEETING THIS WEEK

District Organizer of Fraternal Union of America Making Special Effort to Increase Membership.

Members of the Modern Woodmen of America are awaiting with considerable interest the action of the joint committee of the camps of Omaha, South Omaha and other nearby places regarding the steps to be taken to change the action of the head camp in promulgating a new table of assessment rates.

The committee will meet Wednesday evening at Modern Woodmen hall and is composed of many of the leaders of the organization in this vicinity. That some concerted action will be taken looking to the object in view is certain, but what form it will take has not yet been determined.

There is very little talk of seceding from the organization and starting a new society. The fight will no doubt be carried on within the organization, and as there is as much opposition to the increase in rates in the other states of the jurisdiction as there is in Nebraska, the chances are good for a national campaign to force the head camp to recede from its position.

The Omaha Modern Woodmen are almost a unit in the fight over the proposed increase. It was thought at first the opposition would be confined chiefly to the older members of the order, but the younger members seem just as much opposed to the raise as those more advanced in years.

One of the local leaders said: "While the dissatisfaction with the new rates is almost unanimous here, yet the greatest objection of the members is the

fact that the head camp was not satisfied with making a radical increase in the assessment rates, but also decided to rerate all the present members and require them to pay the rate for their attained age instead of the rate for their age of entry to the society. In many cases the increase from the rerating is greater than the increase from the raise in rates."

High School Lads Sing at Springfield

The Omaha High School Glee club, under the direction of Walter B. Graham, gave a very successful concert at the opera house at Springfield Friday evening which scored a decided hit.

All of the program was given without a hitch and every song was rendered as creditably as that of a college vocal organization. "The Bill of Fare" and "Comrades in Arms" proved the hits of the evening.

In addition to the twenty lads who took

CHINK TO BE DEPORTED FOR ENTERING BY FRAUD

Yun Sing, alias Yun Wah Moon, has been ordered deported by Judge Munson for the reason that he entered this country under false pretenses. Sing, or Moon, formerly conducted a laundry on South Sixteenth street, and is said to be a good Chinaman, but the fact that he entered the country by fraud is sufficient ground for deportation.

I INVITE EVERY WOMAN

Every woman is invited to consult our Staff of Physicians, Surgeons and Specialists, at the Invalids' Hotel and Surgical Institute, Buffalo, N.Y., by letter at my expense—R.V. PIERCE, M.D.

There is every reason why women should not trust their delicate constitutions in the hands of unskilled persons. It requires a thorough medical education to appreciate and understand the female organism. There is every reason why she should write a specialist.

As a powerful, invigorating tonic "Favorite Prescription" imparts strength to the whole system and to the organs distinctly feminine in particular. For over-worked "worn-out," "run-down" debilitated teachers, milliners, dressmakers, seamstresses, "shop-girls," housekeepers, nursing mothers, and feeble women generally, Dr. Pierce's Favorite Prescription is unequalled as an appetizing cordial and restorative tonic.

As a soothing and strengthening nerve "Favorite Prescription" is invaluable in allaying and subduing nervous excitability, irritability, nervous exhaustion, nervous prostration, neuralgia, hysteria, spasms, fainting spells, and other distressing, nervous symptoms commonly attendant upon functional and organic disease of the distinctly feminine organs. It induces refreshing sleep and relieves mental anxiety and despondency.

Dr. Pierce's Favorite Prescription is devised and put up by a physician of vast experience in the treatment of woman's maladies. Its ingredients have the indorsement of leading physicians in all schools of practice.

The "Favorite Prescription" is known everywhere as the standard remedy for diseases of women and has been so regarded for the past forty years and more.

Accept no secret nostrum in place of "Favorite Prescription"—a medicine of known composition, with a record of forty years of satisfaction behind it. Sold by all Druggists.

Dr. Pierce's Pleasant Pellets invigorate the stomach, liver and bowels. One to three a dose. Easy to take as candy.
