Mrs. A. E. Schaeffer of New York recently gave \$5000 to the Mount Hermon school, Northfield, Mass., to found a memorial to her husband's father, who was noted missionary in Turkey.

Girls Take Dancing as Part of Study

The girls at the Omaha High school have taken to tripping the light fantastic as part of their regular school work. Under the direction of Miss Bea Dumont, physical training instructor, they are taking daily lessons on the gymnasium floor at the school.

Judge Follows Suggestion.

Judge Kennedy thought about it a long time and decided he would follow the little fellow's suggestion.
"Now I will discharge you," he told Dodesendorf after asking him to prove he was a big-hearted, true American boy by helping instead of hurting the old and the infirm and the unfortunate.

People who are nervous and irritable

have imperfect digestion and stomach disorder, lack of energy and ambition, feel melancholy and discouraged, suffer with headaches, backaches, poor memory, unsteady sleep, poor circulation, shallow complexion, and who are susceptible to coughs and colds, are unquestionably suffering with that modern plague, nervous debility, say the specialists who are introducing "Tona Vita."

Crafty Little Miss Would Bribe Mogy

Mary Garwood, 12 years old and much smaller than her years indicate, was brought before the juvenile court yesterday for shop-lifting at the Brandels stores. Probation Officer Bernstein arrested her. They were walking down the street together. Suddenly the little girl's hand sought a secluded pocket.

Boy Aeroplanists to Compete Again

The model aeroplane meet for boys conducted by the Young Men's Christian association educational department will be held next Saturday afternoon at 2 o'clock at the Port Omaha balloon house.

There are thousands of such half sick men and women in this country

who really do not know just what is the trouble with them," said one of the specialists.
"they struggle aimlessly until they become totally debilitated, and oftentimes they come to us suffering with this dreadful condition in its most aggravated form.

Boy Beats Mother and is Remorseless

Judge Howard Kennedy of the juvenile division of the district court sentenced George McCarty, 36 South Twenty-first street, South Omaha, to the detention home until further orders for striking his mother. The father and mother and a sister were present at the trial. The mother's face was badly bruised from the blows the son had maliciously dealt her. The son affected no remorse nor did he advance any excuse for his actions, and after a severe verbal arraignment by the judge he was ordered placed in the detention home temporarily.

LABORER INJURED BY FALL GIVEN SURGICAL TREATMENT

Henry Harris, 22 years old, a laborer, fell down on the sidewalk at Twentieth and Leavenworth streets yesterday afternoon, breaking his nose and cutting a severe gash across his face. He was attended by police surgeons and sent to his home in Albright.
Mad Dog Bites Children.
FAIRBANKS, Ia., Feb. 11.—(Special.)—A mad dog that ran amok through the streets yesterday bit two children and a horse before a crowd that went in pursuit of it finally killed the animal.

PERSONAL PARAGRAPHS.

J. L. Orkin of Orkin Bros. has gone east on a purchasing trip.
Mr. and Mrs. William Culling of Belleville, Ont., are visiting with his sister, Mrs. Charles Tompsett, Hill Lake street.

FREMONT COLLEGE.

Brief Mention of the Week's Happenings.
Julius Zasteri made a visit at the college on Wednesday en route home to the teachers' and commercial courses and has gone back to the farm.
W. H. Henney of Dunlap, Ia., who has just finished his work in the Fremont School of Pharmacy, will take the state board examination on February 14.
Harry Moss of Atkinson, Neb., graduate of the pharmacy department, is stopping at the college for a time. Having had his experience as a drug clerk as required by law, he will take the state board examination on February 14.
Miss Mixer of the pharmacy department entertained the Daughters of the American Revolution, of which she is a member, in the college parlors, assisted by Mrs. Clemmons, on the 11th inst. All were dressed in colonial costumes.
The Classics gave a program in chapel Thursday morning which was unique and interesting. Mrs. Gilbert, leader of the

Doane College Notes.

On account of lack of support the game of basketball has been given up for this year. Since Doane has no adequate gymnasium and the place used has no shower bath or dressing room interest has not been as great as it should have been.
Hastings college was slated for a game Friday evening, but when Coach Johnson decided to discontinue the game he notified them to cancel. For some reason, however, their team came to Crete, anyhow, but no game was played. Governor Aldrich expects to speak to the college and high school students next Friday. The authorities wished to get him for Lincoln's birthday, but he was unable to come on Monday, so the exercises will be postponed till the end of the week.
One new student, Joseph E. Shrigley of York, has enrolled at the beginning of the second semester. Three others have discontinued their work at Doane.
About sixteen students attended the student volunteer conference held at Corners on February 8 to 11.

Kearney Normal Notes.

The farmers in the vicinity are taking advantage of Prof. A. J. Mercer's offer to test seed corn and he is making a large number of tests. Considerable of the seed of this locality seems to be good.
Glenn Eichmeyer of the commercial class, who is stricken with pneumonia about the date ago, succumbed to the illness on Friday. He was a popular student.
President Thomas returned from Miller, where he delivered an address on Wednesday evening, and left over the Burlington Thursday noon for Imperial, where he will speak before the County Teachers' association Friday. He spoke in Gothenburg Saturday night.
The work of the south wing is progressing nicely. The building is now ready for the plastering and interior painting to a completion of the building in time for the opening of the summer school, June 1.
During the conference of the department of superintendents of St. Louis, a banquet will be tendered Dr. P. P. Claxton, United States commissioner of education. The domestic science department of the normal will contribute to the banquet.
Charles E. Gregg of this city, accom-
