revived the old argument about the most effective ball to be used. It was noted that each man on the team used a curve silks, but the course of the ball was alst the same. Riouin has a combination spin and hook. Steele has a curve which resembles Ted Neale's, but with that is a curve, a regular roundhouse and with lots of other stuff to make it about as an effective half as one will see; Leverenz and Daddy Blouin shoot about the same, but both use the wide hook ball. It would seem peculiar from the fact that this well known team would all use this kind of ball unless it was the best against the pine on any and all kinds of

ns on March 2 with the largest numbe of entries that ever entered into a like gramment, or any howling tournament ever held. Chicago having 178 teams in the list. Ten years ago the first tournament only forty-one five-men team entries, a compared with considerably over 500 in this year's contest. This shows the subial growth of games in this short

Genr Sella Cripa,

Manager Dale has made good his threat to get rid of Joe Crips, the catcher for story. The rival pitchers of the American league do not care a "rap" whether or not Tyrus puts in his appearance be-different ball last season and Gear said and made arrangements for the sale of
