TARIFF SENSE IS WANTED BY TAFT

(Continued from First Page.) right of the American producer for reasonable profit. The difference between the foreign producer's figures and those of the American producer, which I want to see used as the measure of protection for the American, is the difference between what each expects to get for his goods, allowing for a fair competitive profit for himself.

The second answer is that congress is never so indifferent to the will or the welfare of our people as to cut to the quick in such matters. We are as far from the bald ideal of free trade as from that of the Chinese wall. Each has his day and goes its way. It is everywhere recognized that the righter is not going to be argued down on our markets.

CANNIBALISM IN PERSIA

Awful Conditions Said to Prevail in Famine District.

FORTY THOUSAND ARE STARVING

Homeless People in Region Devastated by Rebels Will Be Without Food Until New Crop is Grown.

WASHINGTON, Feb. 29.—Startling allegations of cannibalism among starving Persians are contained in letters from Tehran to the Persian-American Educational society here from Dr. Susan I. Moody, formerly of Chicago. She declares fathers are eating their children and children are eating each other in northwest Persia, in the vicinity of Hamadan, where famine has followed the sacking of twenty-five towns and villages by the rebel troops of Zalar Ed Dowieh, brother of the deposed shah.

The people of Tehran, Dr. Moody says, have been raising money to relieve the straits and have forwarded \$5,000 to buy food.

Until new crops have been grown and harvested there will be no opportunity for the homeless people to help themselves. The people of Tehran, Dr. Moody says, have been raising money to relieve the straits and have forwarded \$5,000 to buy food.

WILL NEVER FORGET SKIN-SUFFERING WHEN A CHILD

Almost Went Crazy, Burned and Itched. Could Not Sleep. Used Cuticura Soap and Ointment. In 3 Months Sores Disappeared.

Davenport, Wash.—"When I was a child I had some little round sores on my neck and under my arms. I never shall forget and was around. I suffered with these sores. In the winter they were not so bad but in the summer I would almost go crazy. When I was warm they would start to burn and itch, and it was all I could do not to scratch them. I could not sleep and sometimes I could not eat, because it itched so bad that I had to get out and wash around."

"Then I heard of the Cuticura Soap and Ointment so thought I would give them a trial. I got me a cake of Cuticura Soap and a box of Cuticura Ointment. At night I would bathe with hot water and Cuticura Soap and then put on some Cuticura Ointment, and in the morning I would do the same thing. I did that every night and morning for three months, then I found that the sores had disappeared. Just as soon as I started to use Cuticura Soap and Ointment the itching and burning stopped and I could sleep at night. I never use any other soap for my children, and I think that no mother should be without Cuticura Soap Shaving Stick."

ALL OF AMERICAN PEOPLE

WORLD WANTS HEALTHY FOOD

Too Many Men and Women of Today Are Plodding Along All Out of Sorts, but Not Sick—They Can Be Benefited.

The hustle and worry and strain of modern life has produced a modern ailment. This modern ailment is nervous debility and during the last ten years it has swept over the country like wildfire.

Today a large percentage of the population, particularly city dwellers, are afflicted with nervous debility or a "run-down" condition as it is called. The chief symptoms of this modern complaint are lack of vitality and energy, nervousness and stomach trouble, weak back, poor circulation, constipation and insomnia.

Old fashioned remedies failing, a modern tonic was introduced in Europe to overcome this trouble. The medicine was an instantaneous success and a similar tonic is now meeting with tremendous success in this country. The tonic is called Tona Vita and it builds up rundown people in a few weeks time.

Are you a victim of this miserable run-down, half-sick, tired-all-the-time condition? Are you nervous and despondent? Do you lack energy and ambition? If so, you have nervous debility and the worst health and strength as it has done for thousands of others. You will be astonished how quickly this great modern tonic will make you feel as though made over.

Lee's Rhubarb Laxative, the assistant remedy, is used in cases of chronic constipation. Rhubarb is the finest of all natural laxatives. Other drugs strain and weaken the intestines, the rhubarb strengthens them. Lee's Rhubarb Laxative is an ideal family medicine and should be given to children in preference to all others. The taste is pleasant.
