## GUYE PRODS UP EMPLOYERS

Iaber Commissioner Warns Then of Law Relating to Women.

CASHIERS EMPLOYED TOO LATE

Bestaurants and Drug Stores in Omaha and Lincoln Said to Be Violating Law in This Regard.

From a Staff Correspondent.) INCOLN, Neb., March 2.—(Special Telesram, -L. V. Guye, deputy commissioner Inbor, has for some time been working compliants that certain persons in having women in their employ cking between the hours of 10 p. m. the educe so, but there have not still be understood that the law shall Nelson of the inspection board Mr. lams be informed and its is currently reported to make of the objects, which took him of the objects was to bring the match of the law, declared that he find not obtain this week was to bring the match of the law, declared that he find not obtain this week was to bring the match of the law. ter to the attention of the grand jury.

Time plan, did not meet with favor at the hands of the commission and the mitted that the law was not perfect; petition was never formally presented. Mr. Greuner now proposes in a petition spects, and that inspectors had, perhaps, filed today to issue bonds to the amount made mistakes, but urged efforts to sewith no additional stock, and to use \$15,000 of the proceeds of the bonds mpany and the remaining \$15,000 to imgrove the plant. The commission is asked without compliance with the law, sharply approve the bond issue. The company which owns the plant admits it is at which owns the plant admits it is at the present inadequate to the needs of the tain date to do detective work rather than city, but without a bond issue they have no money to make improvements to entole the company to give required service. ranted was denied by Mr. Nelson. Among No action has been taken as yet on the the resolutions adopted and referred to

ed Special Comes In. special,

which started from Omaha, finished its initial trip last night after a most successful day in the southeast portion of the state. There yet remains a small put on an animal by first inspection was in reality not a blemish the correction of the Burlington road to cover and another trip, lasting one day, will be made one day next week in the central portion of the state. There are two days remaining on the Union Pachic, a trip over the Omaha road which will complete the schedule. Everywhere the train went it was met by large crowds, in spite of the bad condition of the roads in the pouthern, portion of the state. At first there was an impression among the farmers that it was an advertising proposition and that where it was met by large crowds, in spite of the state. At first there was an impression among the farmers that it was an advertising proposition and that they would be advised to purchase seed from outside parties. They chase seed from outside parties are the control of the state of the state. At the control of the state of the state of the state, not a selection of the state, initial trip last night after a most suc-cessful day in the southeast portion of the state. There yet remains a small interesting one day, will be made one day next week in the central.

TWO REFORM SCHOOL PAYS chase seed from outside parties. They stole several revolvers and ammunition weer agreeably surprised, however, at the advice given them to select seed from strong and two saddles from another their own cribs, taking the small cars harn, broke out of the county jail, where with shallow kernels. Results of tests they were awaiting trial by the district on corn shipped in indicate there is just court, last night, and are still at large. as good, if not better, seed in Nebraska
